

the surveys, their quick turnaround time, their length, size of sample, sample design, and some typical topics. Each individual FRSS or PEQIS survey goes into the clearance process with an abbreviated clearance package, justifying the particular content of the survey, describing the sample design, the timeline for the survey activities, and the questionnaire. The review period for each individual survey is approximately 45 days, including a 30-day **Federal Register** notice period. OMB will provide comments as soon after the end of the 30-day notice period as possible. This generic clearance request is for surveys of state education agencies, school districts, schools, postsecondary institutions, and libraries. Surveys of teachers, students, commercial establishments, and households are not included in this request.

Submission for OMB Review; Comment Request

AGENCY: Department of Education.
SUMMARY: The Director, Information Collection Clearance Division, Regulatory Information Management Services, Office of Management invites comments on the submission for OMB review as required by the Paperwork Reduction Act of 1995.

DATES: Interested persons are invited to submit comments on or before March 26, 2009.

ADDRESSES: Written comments should be addressed to the Office of Information and Regulatory Affairs, Attention: Education Desk Officer, Office of Management and Budget, 725 17th Street, NW., Room 10222, New Executive Office Building, Washington, DC 20503 or faxed to (202) 395-6974.

SUPPLEMENTARY INFORMATION: Section 3506 of the Paperwork Reduction Act of 1995 (44 U.S.C. Chapter 35) requires that the Office of Management and Budget (OMB) provide interested Federal agencies and the public an early opportunity to comment on information collection requests. OMB may amend or waive the requirement for public consultation to the extent that public participation in the approval process would defeat the purpose of the information collection, violate State or Federal law, or substantially interfere with any agency's ability to perform its statutory obligations. The Director, Regulatory Information Management Services, Office of Management, publishes that notice containing proposed information collection requests prior to submission of these requests to OMB. Each proposed information collection, grouped by office, contains the following: (1) Type of review requested, e.g. new, revision, extension, existing or reinstatement; (2) Title; (3) Summary of the collection; (4) Description of the need for, and proposed use of, the information; (5) Respondents and frequency of collection; and (6) Reporting and/or Recordkeeping burden. OMB invites public comment.

Dated: February 19, 2009.

Type of Review: New Collection.
Title: Evaluation of Secondary Math Teachers from Two Highly Selective Routes to Alternative Certification.

Frequency: One time.
Affected Public: Individuals or household.
Reporting and Recordkeeping Hour Burden:

Responses: 5,270.
Burden Hours: 1,185.

Abstract: The objective of the evaluation is to estimate the impact on secondary student math achievement of teachers who obtain certification via Highly Selective Routes to Alternative Certification (HSAC) routes compared with teachers who receive certification through traditional or less selective alternative certification routes. The

evaluation design is an experiment in which the researchers will randomly assign secondary school students to a treatment or control group. This submission includes the justification and plan for the data collection of information and statistical methods for the evaluation. The package also provides an overview of the study, including its design and data collection procedures.
