In the 2010 Census, the Census Bureau also will enumerate the Pacific Island Area of American Samoa. Census data are used to determine funding allocations for the distribution of federal and state funds each year.

From the 2010 Census of the Island Areas, the Census Bureau will collect demographic, social, economic, and housing characteristics specifically elaborated in Title 13 U.S. Code. The code also provides for the confidentiality of responses to various surveys and censuses.
