BILLING CODE 4310–SS–P

DEPARTMENT OF THE INTERIOR

National Park Service

Temporary Concession Contract for Lake Chelan National Recreation Area, WA

AGENCY: National Park Service, Department of the Interior.

ACTION: Notice of proposed award of temporary concession contract for the Lake Chelan National Recreation Area, WA.

SUMMARY: Pursuant to 36 CFR 51.24, public notice is hereby given that the National Park Service proposes to award a temporary concession contract for the conduct of certain visitor services within Lake Chelan National Recreation Area, Washington for a term not-to-exceed 3 years. The visitor services include overnight accommodations, food and beverage, retail, fuel, and transportation services. This action is necessary to avoid interruption of visitor services.

DATES: The term of the temporary concession contract will commence (if awarded) no earlier than March 1, 2009.

SUPPLEMENTARY INFORMATION: The temporary concession contract is proposed to be awarded to Stehekin Adventure, LLC, a qualified person. Stehekin Adventure, LLC, also is the incumbent concessioner, who operated all visitor services, after a sale and transfer was completed in 2006, under Concession Contract CC–LACH003–94. The 1998 Concessions Management Improvement Act provides by its terms that, to avoid interruption of services to visitors, the National Park Service may award non-competitively a temporary contract to perform such services for a term not-to-exceed 3 years in aggregate. 16 U.S.C. 5952(11). Because this temporary contract will not exceed 3

years, this action complies with the provisions of this statutory provision.

The National Park Service issued a prospectus on March 21, 2008, closing on June 4, 2008, for solicitation of a new 10-year concession contract; however, no proposals were received. The National Park Service has determined that a temporary contract is necessary in order to avoid interruption of visitor services and has taken all reasonable and appropriate steps to consider alternatives to avoid an interruption of visitor services.

This action is issued pursuant to 36 CFR 51.24(b). This is not a request for proposals.

Dated: February 3, 2009.

Ernest Quintana,
Acting Deputy Director, Operations.

BILLING CODE 4310–70–P

DEPARTMENT OF JUSTICE

Bureau of Alcohol, Tobacco, Firearms and Explosives

[OMB Number 1140–0071]

Agency Information Collection Activities: Proposed Collection; Comments Requested:

ACTION: 60-Day Notice of Information Collection Under Review: Notification to Fire Safety Authority of Storage of Explosive Materials.

The Department of Justice (DOJ), Bureau of Alcohol, Tobacco, Firearms and Explosives (ATF), will be submitting the following information collection request to the Office of Management and Budget (OMB) for review and approval in accordance with the Paperwork Reduction Act of 1995. The proposed information collection is published to obtain comments from the public and affected agencies. Comments are encouraged and will be accepted for “sixty days” until May 4, 2009. This process is conducted in accordance with 5 CFR 1320.10.

If you have comments especially on the estimated public burden or associated response time, suggestions, or need a copy of the proposed information collection instrument with instructions or additional information, please contact Debra Satkowiak, Chief, Explosives Industry Programs Branch, Room 6E405, 99 New York Avenue, NE., Washington, DC 20226.

Written comments and suggestions from the public and affected agencies concerning the proposed collection of information are encouraged. Your

comments should address one or more of the following four points:

- Evaluate whether the proposed collection of information is necessary for the proper performance of the functions of the agency, including whether the information will have practical utility;
- Evaluate the accuracy of the agencies’ estimate of the burden of the proposed collection of information, including the validity of the methodology and assumptions used;
- Enhance the quality, utility, and clarity of the information to be collected; and
- Minimize the burden of the collection of information on those who are to respond, including through the use of appropriate automated, electronic, mechanical, or other technological collection techniques or other forms of information technology, e.g., permitting electronic submission of responses.

Overview of this information collection:

(1) *Type of Information Collection:* Extension of a currently approved collection.

(2) *Title of the Form/Collection:* Notification to Fire Safety Authority of Storage of Explosive Materials.

(3) *Agency form number, if any, and the applicable component of the Department of Justice sponsoring the collection:* Form Number: None. Bureau of Alcohol, Tobacco, Firearms and Explosives.

(4) *Affected public who will be asked or required to respond, as well as a brief abstract:* Primary: Business or other for-profit. Other: Farms, State, Local, or Tribal Government, Individuals or households. The information is necessary for the safety of emergency response personnel responding to fires at sites where explosives are stored. The information is provided both orally and in writing to the authority having jurisdiction for fire safety in the locality in which explosives are stored.

(5) *An estimate of the total number of respondents and the amount of time estimated for an average respondent to respond:* It is estimated that 5,000 respondents will take 30 minutes to complete the notifications..

(6) *An estimate of the total public burden (in hours) associated with the collection:* There are an estimated 2,500 annual total burden hours associated with this collection.

If additional information is required contact: Lynn Bryant, Department Clearance Officer, Policy and Planning Staff, Justice Management Division, Department of Justice, Patrick Henry
