Agency Information Collection Activities: Proposed Collection; Comment Request

AGENCY: Centers for Medicare & Medicaid Services, HHS.

In compliance with the requirement of section 3506(c)(2)(A) of the Paperwork Reduction Act of 1995, the Centers for Medicare & Medicaid Services (CMS) is publishing the following summary of proposed collections for public comment. Interested persons are invited to send comments regarding this burden estimate or any other aspect of this collection of information, including any of the following subjects: (1) The

necessity and utility of the proposed information collection for the proper performance of the agency's functions; (2) the accuracy of the estimated burden; (3) ways to enhance the quality, utility, and clarity of the information to be collected; and (4) the use of automated collection techniques or other forms of information technology to minimize the information collection burden.

1. *Type of Information Collection Request*: Revision of a currently approved collection; *Title of Information Collection*: Electronic Health Records (EHR) Demonstration Web Enabled Application for Phase II; *Use*: The goal of the Electronic Health Record (EHR) demonstration is to foster the implementation and adoption of EHRs and Health Information Technology (HIT) more broadly as effective vehicles improve the quality of care provided and transform the way medicine is practiced and delivered. Adoption of HIT has the potential to provide significant savings to the Medicare program and improve the quality of care rendered to Medicare beneficiaries. This demonstration is designed to leverage the combined forces of private and public payers to drive physician practices to widespread adoption and use of EHRs. The demonstration is being implemented in two phases. Over 800 applications were received, via a manual (paper) process, from interested practices in the four Phase I sites. Because of the greater number of sites and projected applicants for Phase II, CMS has Web enabled the application. This is expected to make it easier for practices to complete the application accurately and completely, submit it in a timely manner, and allow CMS to process the applications more efficiently and effectively. *Form Number*: CMS-10165(OMB#: 0938-0936-0965); *Frequency*: Reporting—Once; *Affected Public*: Business or other for-profit and not-for-profit institutions; *Number of Respondents*: 1,600; *Total Annual Responses*: 1,600; *Total Annual Hours*: 347. (For policy questions regarding this collection contact Jody Blatt at 410-786-6921. For all other issues call 410-786-1326.)
