SECURITIES AND EXCHANGE COMMISSION

Proposed Collection; Comment Request

Upon Written Request, Copies Available

From: Securities and Exchange Commission, Office of Investor Education and Advocacy, Washington, DC 20549.

Extension:

Rule 17Ac2–2, SEC File No. 270–298, OMB Control No. 3235–0337.
Form TA–2, SEC File No. 270–298, OMB Control No. 3235–0337.

Notice is hereby given that pursuant to the Paperwork Reduction Act of 1995 (44 U.S.C. 3501 *et seq.*), the Securities and Exchange Commission (“Commission”) is soliciting comments on the collection of information summarized below. The Commission plans to submit this existing collection of information to the Office of Management and Budget for extension and approval.

• Rule 17Ac2–2 and Form TA–2 (OMB Control No. 3235–0337; SEC File No. 270–298).

Rule 17Ac2–2 (17 CFR 240.17Ac2–2) and Form TA–2 under the Securities Exchange Act of 1934 (17 U.S.C. 78a *et seq.*) require transfer agents to file an annual report of their business activities with the Commission. The amount of

time needed to comply with the requirements of Rule 17Ac2–2 and Form TA–2 varies. From the total 598 registered transfer agents, approximately 30 registrants would be required to complete only Questions 1 through 4 and the signature section of amended Form TA–2, which the Commission estimates would take each registrant about 30 minutes, for a total burden of 15 hours (30 × .5 hours). Approximately 111 registrants would be required to answer Questions 1 through 5, 10, and 11 and the signature section, which the Commission estimates would take about 1 hour and 30 minutes, for a total of 166.5 hours (111 × 1.5 hours). The remaining registrants, approximately 457, would be required to complete the entire Form TA–2, which the Commission estimates would take about 6 hours, for a total of 2,742 hours (457 × 6 hours). We estimate that the total burden would be 2,923.5 hours (15 hours + 166.5 hours + 2,742 hours).

We estimate that the total cost of reviewing and entering the information reported on the Forms TA–2 for respondents is \$41.50 per hour. The Commission estimates that the total cost would be \$121,325.25 annually (\$41.50 × 2,923.5).

Written comments are invited on: (a) Whether the proposed collection of information is necessary for the proper performance of the functions of the agency, including whether the information shall have practical utility; (b) the accuracy of the agency’s estimates of the burden of the proposed collection of information; (c) ways to enhance the quality, utility, and clarity of the information to be collected; and (d) ways to minimize the burden of the collection of information on respondents, including through the use of automated collection techniques or other forms of information technology. Consideration will be given to comments and suggestions submitted in writing within 60 days of this publication.

Comments should be directed to Charles Boucher, Director/Chief Information Officer, Securities and Exchange Commission, c/o Shirley Martinson, 6432 General Green Way, Alexandria, Virginia 22312 or send an e-mail to: PRA_Mailbox@sec.gov. Comments must be submitted to OMB within 60 days of this notice.

Dated: February 26, 2009.

Jill M. Peterson,

Assistant Secretary.

SUPPLEMENTARY INFORMATION: The following is a summary of the application. The complete application may be obtained for a fee at the Commission's Public Reference Room, U.S. Securities and Exchange Commission, 100 F Street, NE., Washington, DC 20549-1520 (telephone (202) 551-5850).

Applicants' Representations

1. The Trust is a Delaware statutory trust registered under the Act as an open-end management investment company. The Trust currently offers 34 series, 6 of which are "Top-Tier Funds"² and 10 of which are "Underlying Funds."³ The Top-Tier Funds will invest substantially all of their assets in the Underlying Funds.⁴

² "Top-Tier Funds" refers to Accessor Aggressive Growth Allocation Fund, Accessor Balanced Allocation Fund, Accessor Growth Allocation Fund, Accessor Growth and Income Allocation Fund, Accessor Income Allocation Fund and Accessor Income and Growth Allocation Fund and any other Fund that invests substantially all of its assets in the Underlying Funds (as defined below).

³ "Underlying Funds" refers to Accessor Growth Fund, Accessor High Yield Bond Fund, Accessor Intermediate Fixed-Income Fund, Accessor International Equity Fund, Accessor Mortgage Securities Fund, Accessor Short-Intermediate Fixed-Income Fund, Accessor Small to Mid Cap Fund, Accessor Strategic Alternatives Fund, Accessor U.S. Government Money Fund and Accessor Value Fund and any other Fund in which a Top-Tier Fund may invest.

⁴ The Top-Tier Funds will not be Underlying Funds and no Top-Tier Fund will invest in another Top-Tier Fund.

The Top-Tier Funds and the Underlying Funds currently offer multiple classes of shares in reliance on rule 18f-3 under the Act. Forward Management, an investment adviser registered under the Investment Advisers Act of 1940, serves as investment adviser to the Funds.

2. Forward Management and the Trust propose to enter into a Special Servicing Agreement that would allow an Underlying Fund to bear the expenses of a Top-Tier Fund (other than investment management fees, rule 12b-1 fees and class-specific administrative service fees). Under the Special Servicing Agreement, each Underlying Fund will bear expenses of a Top-Tier Fund in proportion to the estimated benefits to the Underlying Fund arising from the investment in the Underlying Fund by the Top-Tier Fund ("Underlying Fund Benefits").

3. Applicants state that the Underlying Fund Benefits are expected to result primarily from the incremental increase in assets resulting from investment in the Underlying Funds by the Top-Tier Funds and the large asset size of each shareholder account that represents an investment by a Top-Tier Fund relative to other shareholder accounts. A shareholder account that represents a Top-Tier Fund will experience fewer shareholder transactions and greater predictability of transaction activity than other shareholder accounts. As a result, the shareholder servicing costs to any Underlying Fund for servicing one account registered to a Top-Tier Fund will be significantly less than the cost to that same Underlying Fund of servicing the same pool of assets contributed by a large group of shareholders owning relatively small accounts in one or more Underlying Funds.

4. No Fund will enter into a Special Servicing Agreement unless the Special Servicing Agreement: (a) Precisely describes the services provided to the Top-Tier Funds and the amount of expenses for services charged to the Top-Tier Fund that may be paid by an Underlying Fund ("Underlying Fund Payments"); (b) provides that no affiliated person of the Top-Tier Funds, or affiliated person of such person, will receive, directly or indirectly, any portion of the Underlying Fund Payments, except for bona fide transfer agent services approved by the board of trustees ("Board") of the Underlying Fund, including a majority of trustees who are not "interested persons" (within the meaning of section 2(a)(19) of the Act) ("Independent Trustees"); (c) provides that the Underlying Fund Payments may not exceed the amount of actual expenses incurred by the Top-

Tier Funds; (d) provides that, in instances where transfer agent expenses are calculated based on a fixed fee per account, no Underlying Fund will reimburse transfer agent expenses of a Top-Tier Fund, including sub-accounting expenses and other out-of-pocket expenses, at a rate in excess of the average per account transfer agent expenses of the Underlying Fund, including sub-accounting expenses and other out-of-pocket expenses, expressed as a basis point charge (for purposes of calculating the Underlying Fund's average per account transfer agent expense, the Top-Tier Fund's investment in the Underlying Fund will be excluded); and (e) has been approved by the Fund's Board, including a majority of the Independent Trustees, as being in the best interests of the Fund and its shareholders and not involving overreaching on the part of any person concerned.

Applicants' Legal Analysis

1. Section 17(d) of the Act and rule 17d-1 under the Act provide that an affiliated person of, or a principal underwriter for, a registered investment company, or an affiliate of such person or principal underwriter, acting as principal, shall not participate in, or effect any transaction in connection with, any joint enterprise or other joint arrangement in which the registered investment company is a participant unless the Commission has issued an order approving the arrangement. Forward Management, as investment adviser, is an affiliated person of each of the Underlying Funds and Top-Tier Funds, which in turn could be deemed to be under common control of Forward Management and therefore affiliated persons of each other. The Top-Tier Funds and the Underlying Funds also may be affiliated persons by virtue of a Top-Tier Fund's ownership of more than 5% of the outstanding voting securities of an Underlying Fund. Consequently, the Special Servicing Agreement could be deemed to be a joint transaction among the Top-Tier Funds, the Underlying Funds and Forward Management.

2. Rule 17d-1 under the Act provides that, in passing upon a joint arrangement under the rule, the Commission will consider whether participation of the investment company in the joint enterprise or joint arrangement on the basis proposed is consistent with the provisions, policies, and purposes of the Act and the extent to which the participation is on a basis different from or less advantageous than that of other participants.

3. Applicants request an order under section 17(d) and rule 17d-1 to permit the proposed expense sharing arrangements. Applicants state that participation by the Top-Tier Funds, the Underlying Funds and Forward Management in the proposed expense sharing arrangements is consistent with the provisions, policies and purposes of the Act, and that the terms of the Special Servicing Agreement and the conditions set forth below will ensure that no participant will participate on a basis less advantageous than that of other participants.

Applicants' Conditions

Applicants agree that any order granting the requested relief will be subject to the following conditions:

1. No Fund will enter into a Special Servicing Agreement unless the Special Servicing Agreement: (a) Precisely describes the services provided to the Top-Tier Funds and the Underlying Fund Payments; (b) provides that no affiliated person of the Top-Tier Funds, or affiliated person of such person, will receive, directly or indirectly, any portion of the Underlying Fund Payments, except for bona fide transfer agent services approved by the Board of the Underlying Fund, including a majority of the Independent Trustees; (c) provides that the Underlying Fund Payments may not exceed the amount of actual expenses incurred by the Top-Tier Funds; (d) provides that, in instances where transfer agent expenses are calculated based on a fixed fee per account, no Underlying Fund will reimburse transfer agent expenses of a Top-Tier Fund, including sub-accounting expenses and other out-of-pocket expenses, at a rate in excess of the average per account transfer agent expenses of the Underlying Fund, including sub-accounting expenses and other out-of-pocket expenses, expressed as a basis point charge (for purposes of calculating the Underlying Fund's average per account transfer agent expense, the Top-Tier Fund's investment in the Underlying Fund will be excluded); and (e) has been approved by the Fund's Board, including a majority of the Independent Trustees, as being in the best interests of the Fund and its shareholders and not involving overreaching on the part of any person concerned.

2. In approving a Special Servicing Agreement, the Board of an Underlying Fund will consider, without limitation: (a) The reasons for the Underlying Fund's entering into the Special Servicing Agreement; (b) information quantifying the Underlying Fund Benefits; (c) the extent to which

investors in the Top-Tier Fund could have purchased shares of the Underlying Fund; (d) the extent to which an investment in the Top-Tier Fund represents or would represent a consolidation of accounts in the Underlying Funds, through exchanges or otherwise, or a reduction in the rate of increase in the number of accounts in the Underlying Funds; (e) the extent to which the expense ratio of the Underlying Fund was reduced following investment in the Underlying Fund by the Top-Tier Fund and the reasonably foreseeable effects of the investment by the Top-Tier Fund on the Underlying Fund's expense ratio; (f) the reasonably foreseeable effects of participation in the Special Servicing Agreement on the Underlying Fund's expense ratio; and (g) any conflicts of interest that Forward Management, any affiliated person of Forward Management, or any other affiliated person of the Underlying Fund may have relating to the Underlying Fund's participation in the Special Servicing Agreement.

3. Prior to approving a Special Servicing Agreement on behalf of an Underlying Fund, the Board of the Underlying Fund, including a majority of the Independent Trustees, will determine that: (a) The Underlying Fund Payments under the Special Servicing Agreement are expenses that the Underlying Fund would have incurred if the shareholders of the Top-Tier Fund had instead purchased shares of the Underlying Fund through the same broker-dealer or other financial intermediary; (b) the amount of the Underlying Fund Payments is less than the amount of Underlying Fund Benefits; and (c) by entering into the Special Servicing Agreement, the Underlying Fund is not engaging, directly or indirectly, in financing any activity which is primarily intended to result in the sale of shares issued by the Underlying Fund.

4. In approving a Special Servicing Agreement, the Board of a Fund will request and evaluate, and Forward Management will furnish, such information as may reasonably be necessary to evaluate the terms of the Special Servicing Agreement and the factors set forth in condition 2 above, and make the determinations set forth in conditions 1 and 3 above.

5. Approval by the Fund's Board, including a majority of the Independent Trustees, in accordance with conditions 1 through 4 above, will be required at least annually after the Fund's entering into a Special Servicing Agreement and prior to any material amendment to a Special Servicing Agreement.

6. To the extent Underlying Fund Payments are treated, in whole or in part, as a class expense of an Underlying Fund, or are used to pay a class-based expense of a Top-Tier Fund, conditions 1 through 5 above must be met with respect to each class of a Fund as well as the Fund as a whole.

7. Each Fund will maintain and preserve the Board's findings and determinations set forth in conditions 1 and 3 above, and the information and considerations on which they were based, for the duration of the Special Servicing Agreement, and for a period not less than six years thereafter, the first two years in an easily accessible place.

For the Commission, by the Division of Investment Management, pursuant to delegated authority.

Florence E. Harmon,
Deputy Secretary.
