AGENCY: Economic Development Administration (EDA), Department of Commerce.

ACTION: Notice and request for applications.

SUMMARY: Pursuant to the American Recovery and Reinvestment Act of 2009, EDA announces general policies and application procedures for grant-based investments for the EDA American Recovery Program under the auspices of the Public Works and Economic Development Act of 1965, as amended, that will promote comprehensive, entrepreneurial and innovation-based economic development efforts to enhance the competitiveness of regions, resulting in increased private investment and higher-skill, higher-wage jobs in regions that have

experienced sudden and severe economic dislocation and job loss due to corporate restructuring.

DATES: Applications are accepted on a continuing basis and processed as received. Applications may be submitted electronically in accordance with the instructions provided at <http://www.grants.gov> or mailed to the applicable EDA regional office listed below under "Addresses and Telephone Numbers for EDA's Regional Offices."

Application Submission

Requirements: Applicants are advised to read carefully the instructions contained in section IV of the complete Federal funding opportunity (FFO) announcement for this request for applications. To access the FFO announcement, please see the Web sites listed below under "Electronic Access."

On October 1, 2008, EDA published a notice in the **Federal Register** (73 FR 57049) to introduce its new, streamlined *Application for Investment Assistance* (Form ED-900), which consolidates all EDA-specific requirements into a single application form. EDA will continue to require additional government-wide Federal grant assistance forms from the Standard Form (SF) 424 family and certain Department of Commerce (CD) forms as part of the application package. The specific SF forms required with the Form ED-900 depend on whether the applicant seeks construction or non-construction assistance.

Applicants seeking assistance for a project with construction components are required to complete and submit the following:

- (i) Form ED-900 (*Application for Investment Assistance*);
- (ii) Form SF-424 (*Application for Federal Assistance*);
- (iii) Form SF-424C (*Budget Information—Construction Programs*);
- (iv) Form SF-424D (*Assurances—Construction Programs*); and
- (v) Form CD-511 (*Certification Regarding Lobbying*).

Applicants seeking assistance for a project without construction

components are required to complete and submit the following forms:

- (i) Form ED-900 (*Application for Investment Assistance*);
- (ii) Form SF-424 (*Application for Federal Assistance*);
- (iii) Form SF-424A (*Budget Information—Non-Construction Programs*);
- (iv) Form SF-424B (*Assurances—Non-Construction Programs*); and
- (v) Form CD-511 (*Certification Regarding Lobbying*).

Applicants for both construction and non-construction assistance may be required to submit to an individual background screening on the form titled *Applicant for Funding Assistance* (Form CD-346) and to provide certain lobbying information using the form titled *Disclosure of Lobbying Activities* (Form SF-LLL). The Form ED-900 provides detailed guidance to help the applicant assess whether Forms CD-346 and SF-LLL are required and how to access them.

Content and Form of the Form ED-900: The applicant is advised to read carefully the instructions contained in this notice, the complete FFO announcement, and all forms contained in the appropriate application package. It is the sole responsibility of the applicant to ensure that the appropriate application package is complete and received by EDA.

The Form ED-900 is divided into lettered sections that correspond to specific EDA program components that address all of EDA's statutory and regulatory requirements. Based on the program under which the applicant seeks assistance, the following table details the sections and exhibits in the Form ED-900 that the applicant must complete. Under this notice and request for applications, EDA will consider applications for funding under its Public Works and Economic Adjustment Assistance programs only. This table also is provided on the first page of Section A to Form ED-900.

EDA program	Required Form ED-900 sections
Public Works	Complete Sections A, B, and M and Exhibits A, D and E.
