Title: State Plan for Foster Care and Adoption Assistance—Title IV-E.

OMB No.: 0980-0141.

Description: A title IV-E plan is required by section 471 part IV-E of the Social Security Act (the Act) for each public child welfare agency requesting Federal funding for foster care, adoption assistance and guardianship assistance under the Act. The title IV-E plan provides assurances the programs will be administered in conformity with the specific requirements stipulated in title IV-E. The plan must include all applicable State statutory, regulatory, or policy references and citations for each requirement as well as supporting documentation. A title IV-E agency may use the pre-print format prepared by the Children’s Bureau of the Administration for Children and Families or a different format, on the condition that the format used includes all of the title IV-E State plan requirements of the law.

Public Law 110-351, the Fostering Connections to Success and Increasing Adoptions Act of 2008, created a new title IV-E plan option to provide a Guardianship Assistance Program for relatives of children in foster care (section 471(a)(28) of the Act). The Guardianship Assistance program was made effective for States upon enactment of Public Law 110-351 (October 7, 2008).

Effective October 1, 2009, Public Law 110-351 will allow Tribes, Tribal organizations and Tribal consortia to directly operate title IV-E programs for foster care maintenance payments, adoption assistance and kinship guardianship assistance.

The law also made a number of other changes to title IV-E plan requirements and eligibility criteria. The law’s provisions expanding the scope of the title IV-E program necessitates a revision of the preprint.

Respondents: State and Territorial Agencies (State Agencies) administering

or supervising the administration of the title IV-E programs and Federally-recognized Tribes, Tribal organizations

and Tribal consortia administering title IV-E programs.

Title: Annual Survey of Refugees (Form ORR-9).

OMB No.: 0970-0033.

Description: The Annual Survey of Refugees collects information on the social and economic circumstances of a random sample of refugees, Amerasians, and entrants who arrived in the United States in the five years prior to the date of the survey.
