

Procedure (18 CFR 385.211, 385.214). Protests will be considered by the Commission in determining the appropriate action to be taken, but will not serve to make protestants parties to the proceeding. Any person wishing to become a party must file a notice of intervention or motion to intervene, as appropriate. Such notices, motions, or protests must be filed on or before the comment date. Anyone filing a motion to intervene or protest must serve a copy of that document on the Applicant and all the parties in this proceeding.

The Commission encourages electronic submission of protests and interventions in lieu of paper using the "eFiling" link at <http://www.ferc.gov>. Persons unable to file electronically should submit an original and 14 copies of the protest or intervention to the Federal Energy Regulatory Commission, 888 First Street, NE., Washington, DC 20426.

This filing is accessible on-line at <http://www.ferc.gov>, using the "eLibrary" link and is available for review in the Commission's Public Reference Room in Washington, DC. There is an "eSubscription" link on the Web site that enables subscribers to receive e-mail notification when a document is added to a subscribed docket(s). For assistance with any FERC Online service, please e-mail FERCOnlineSupport@ferc.gov, or call (866) 208-3676 (toll free). For TTY, call (202) 502-8659.

Comment Date: 5 p.m. Eastern Time on March 16, 2009.

Kimberly D. Bose,
Secretary.

BILLING CODE 6717-01-P

DEPARTMENT OF ENERGY

Southeastern Power Administration

Jim Woodruff Project

AGENCY: Southeastern Power Administration, DOE.

ACTION: Notice of proposed rate adjustment.

SUMMARY: Southeastern proposes new rate schedules JW-1-I and JW-2-F to replace Wholesale Power Rate Schedules JW-1-H and JW-2-E for a five-year period from September 20, 2009 to September 19, 2014. Rate schedule JW-1-I is applicable to Southeastern power sold to existing preference customers in the Florida Power Corporation service (Progress

Energy) area. Rate schedule JW-2-F is applicable to Florida Power Corporation.

DATES: Written comments are due on or before June 9, 2009. A public information and public comment forum will be held at Courtyard by Marriott Tallahassee Capital, in Tallahassee, Florida, at 10 a.m. on April 23, 2009. Persons desiring to speak at the forum are requested to notify Southeastern at least seven (7) days before the forum is scheduled so that a list of forum participants can be prepared. Others present may speak if time permits. Persons desiring to attend the forum should notify Southeastern at least seven (7) days before the forum is scheduled. If Southeastern has not been notified by close of business on April 16, 2009, that at least one person intends to be present at the forum, the forum will be canceled with no further notice.

ADDRESSES: Written comments should be submitted to: Kenneth E. Legg, Administrator, Southeastern Power Administration, Department of Energy, 1166 Athens Tech Road, Elberton, Georgia 30635-6711. The public comment Forum will meet at the Courtyard by Marriott Tallahassee Capital, 1018 Apalachee Parkway, Tallahassee, Florida, 32301, Phone (850) 222-8822.

FOR FURTHER INFORMATION CONTACT:

Leon Jourolmon, Assistant Administrator, Finance and Marketing Division, Southeastern Power Administration, Department of Energy, 1166 Athens Tech Road, Elberton, Georgia 30635-6711, (706) 213-3800.

SUPPLEMENTARY INFORMATION: Existing rate schedules are supported by a July 2004 Repayment Study and other supporting data contained in FERC Docket No. EF04-3031-000. A repayment study prepared in February 2009 shows that the existing rates are not adequate to meet repayment criteria. A revised repayment study with a revenue increase of \$5,575,000, or 70.6 percent, for Fiscal Year 2009, through the end of the study, demonstrates that all costs are paid within their repayment life. The increase is primarily due to drought and higher energy prices for purchase power and higher Corps of Engineers operation and maintenance expense. Southeastern is proposing to raise rates to recover this additional revenue.

In the proposed rate schedule JW-1-I, which is available to preference customers, the capacity charge has been raised from \$6.95 per kilowatt per month to \$12.62 per kilowatt per month. The energy charge has been increased
