

Malheur National Forest, 431 Patterson Bridge Road, P.O. Box 909, John Day, OR 97845. The Responsible Official will decide if the proposed project will be implemented and will document the decision and reasons for the decision in a Record of Decision. That decision will be subject to Forest Service Appeal Regulations. The responsibility for preparing the DEIS and FEIS has been delegated to Brooks Smith, District Ranger, Blue Mountain Ranger District.

Preliminary Issues

Preliminary issues identified include the potential effect of the proposed action on: Soils, water quality and fish habitat, snags and down wood, disturbance to cultural resources, potential for noxious weed expansion, threatened, endangered and sensitive aquatic, terrestrial and plant species, potential loss of economic value of trees damaged by insects or wildfire, and the safety and use of the area by public and land managers.

Scoping Process

This notice of intent initiates the scoping process, which guides the development of the environmental impact statement. Public participation will be especially important at several points during the analysis, beginning with the scoping process (40 CFR 1501.7). Initial scoping began with the project listed in the 2009 Winter Edition of the Malheur National Forest's Schedule of Proposed Actions. A Public meeting has been planned for April 8, 2009 to discuss the project. Also, correspondence with tribes, government agencies, organizations, and individuals who have indicated their interest will be conducted.

It is important that reviewers provide their comments at such times and in such manner that they are useful to the agency's preparation of the environmental impact statement. Therefore, comments should be provided prior to the close of the comment period and should clearly articulate the reviewer's concerns and contentions. The submission of timely and specific comments can affect a reviewer's ability to participate in subsequent administrative appeal or judicial review.

Dated: March 6, 2009.

Forest Supervisor.

SUPPLEMENTARY INFORMATION:**Overview**

Federal Agency: Rural Business-
Cooperative Service (RBS).

Funding Opportunity Type: Rural
Business Opportunity Grants.

Announcement Type: Initial
Solicitation Announcement.

*Catalog of Federal Domestic
Assistance Number:* 10.773.

Dates: Application Deadline:
Completed applications for these funds
must be received in the Rural
Development State Office no later than
March 31, 2009, to be eligible for FY
2009 grant funding. Applications
received after this date will not be
eligible for FY 2009 grant funding.

I. Funding Opportunity Description

The RBOG program is authorized
under section 306(a)(11) of the
Consolidated Farm and Rural
Development Act (CONACT) (7 U.S.C.
1926(a)(11)). The Rural Development
State Offices administer the RBOG
program on behalf of USDA Rural
Development at the State level. The
primary objective of the program is to
improve the economic conditions of
rural areas. Assistance provided to rural
areas under this program may include
technical assistance for business
development and economic
development planning. To ensure that a
broad range of communities have the
opportunity to benefit from the program,
no grant will exceed \$50,000, unless it
is a multi-State project where funds may
not exceed \$150,000. As indicated in
the summary, these limits do not apply
to specified funding for rural areas
designated: FRNAT's, Empowerment
Zones, Enterprise Communities, and
Rural Economic Area Partnerships.

Awards are made on a competitive
basis using specific selection criteria
contained in 7 CFR part 4284, subpart

G. Information required to be in the
application package include an SF-424,
"Application for Federal Assistance;"
applicant's organizational documents;
Scope of Work Narrative; Income Sheet;
Balance Sheet or current audit if
available; AD-1047, "Certification
Regarding Debarment, Suspension, and

4, "Assurance Agreement." See 7 CFR
4284.639 for additional application
requirements. Information required to
be in the application package are
contained in 7 CFR part 4284, subpart
G. The State Director may assign up to
15 discretionary points to an
application, and the Agency
Administrator may assign up to 20
additional discretionary points for
projects funded from the National Office
reserve. Discretionary points awarded
by the State Director or Administrator
must be based on geographic
distribution of funds, special
importance for implementation of a
strategic plan in partnership with other
organizations, or extraordinary potential
for success due to superior project plans
or qualifications of the grantee. To
ensure the equitable distribution of
funds, a maximum of two projects from
each State that score the greatest
number of points based on the selection
criteria and discretionary points will be
considered by the National Office for
funding. Applications will be
tentatively scored by the State Offices
and submitted to the National Office for
final review and selection.

The National Office will review the
scores based on the grant selection
criteria and weights contained in 7 CFR
part 4284, subpart G. All applicants will
be notified by USDA Rural Development
