

advises the Secretary on all other aspects of the National Organic Program. The U.S. Department of Agriculture (USDA) is requesting nominations to fill five (5) upcoming vacancies on the NOSB. The positions to be filled are: organic producer (2 positions), retailer (1 position), organic handler (1 position), and an environmentalist (1 position). The Secretary of Agriculture will appoint a person to each position to serve a 5-year term of office that will commence on January 24, 2010, and run until January 24, 2015. USDA encourages eligible minorities, women, and persons with disabilities to apply for membership on the NOSB.

DATES: Written nominations, with cover letters and resumes, must be post-marked on or before July 17, 2009.

ADDRESSES: Nomination cover letters and resumes should be sent to Ms. Katherine E. Benham, Advisory Board Specialist, USDA-AMS-TMP-NOP, 1400 Independence Avenue, SW., Room 4004-So., Ag Stop 0268, Washington, DC 20250.

FOR FURTHER INFORMATION CONTACT: Ms. Katherine E. Benham, (202) 205-7806; *E-mail:* katherine.benham@usda.gov; *Fax:* (202) 205-7808.

SUPPLEMENTARY INFORMATION: The OFPA of 1990, as amended (7 U.S.C. Section 6501 *et seq.*), requires the Secretary to establish an organic certification program for producers and handlers of agricultural products that have been produced using organic methods. In developing this program, the Secretary is required to establish a NOSB. The purpose of the NOSB is to assist in the development of a proposed National List of Allowed and Prohibited Substances and to advise the Secretary on other aspects of the National Organic Program.

The NOSB made recommendations to the Secretary regarding establishment of the initial organic program. It is anticipated that the NOSB will continue to make recommendations on various matters, including recommendations on substances it believes should be allowed or prohibited for use in organic production and handling.

The NOSB is composed of 15 members; 4 organic producers, 2 organic handlers, a retailer, 3 environmentalists, 3 public/consumer representatives, a scientist, and a certifying agent. Nominations are being sought to fill the following five (5) upcoming NOSB vacancies: organic producer (2 positions), retailer (1 position), organic handler (1 position), and an environmentalist (1 position). Individuals desiring to be appointed to

the NOSB at this time must be either an owner or operator of an organic production operation, an owner or operator of an organic handling operation, an owner or operator of a retail establishment with significant trade in organic products, or an individual with expertise in areas of environmental protection and resource conservation. Selection criteria will include such factors as: demonstrated experience and interest in organic production, handling and retailing; diverse commodity and geographic representation; support of consumer and public interest organizations; demonstrated experience with environmental matters; and such other factors as may be appropriate for specific positions.

To nominate yourself or someone else please submit, at a minimum, a cover letter stating your interest and a copy of the nominee's resume. You may also submit a list of endorsements or letters of recommendation, if desired.

Nominees will be supplied with an AD-755 background information form that must be completed and returned to USDA within 10 working days of its receipt. Resumes and completed background information forms are required for a nominee to receive consideration for appointment by the Secretary.

Equal opportunity practices will be followed in all appointments to the NOSB in accordance with USDA policies. To ensure that the members of the NOSB take into account the needs of the diverse groups that are served by the Department, membership on the NOSB will include, to the extent practicable, individuals who demonstrate the ability to represent minorities, women, and persons with disabilities.

The information collection requirements concerning the nomination process have been previously cleared by the Office of Management and Budget (OMB) under OMB Control No. 0505-0001.

Dated: March 9, 2009.

Robert C. Keeney,

Acting Associate Administrator.

SUPPLEMENTARY INFORMATION:

Background

The Codex Alimentarius (Codex) was established in 1963 by two United Nations organizations, the Food and Agriculture Organization and the WHO. Through adoption of food standards, codes of practice, and other guidelines developed by its committees, and by promoting their adoption and implementation by governments, Codex seeks to protect the health of consumers and ensure that fair practices are used in trade.

The CCFL drafts provisions on labeling applicable to all foods; considers, amends if necessary, and endorses specific provisions on labeling of draft standards, codes of practice, and guidelines prepared by other Codex committees; studies specific labeling problems assigned to it by the Commission; and studies problems associated with the advertisement of food with particular reference to claims and misleading descriptions. The Committee is chaired by Canada.

Issues To Be Discussed at the Public Meeting

The following items on the agenda for the 37th Session of the CCFL will be discussed during the public meeting:

- Matters Referred to the Committee from other Codex bodies;
- Consideration of Labeling Provisions in Draft Codex Standards;
- Implementation of the WHO Global Strategy on Diet, Physical Activity, and Health: (a) Proposed Draft Revision of the Guidelines on Nutrition Labeling Concerning the List of Nutrients that are Always Declared on a Voluntary or Mandatory Basis; (b) Discussion Paper on Issues Related to Mandatory Nutrition Labeling; (c) Proposed Draft Criteria and Principles for Legibility and Readability of Nutrition Labels; (d) Discussion Paper on Labeling Provisions Dealing with the Food Ingredients Identified in the Global Strategy on Diet, Physical Activity, and Health;
- Guidelines for the Production, Processing, Labeling and Marketing of Organically Produced Foods: Annex 1: Inclusion of Ethylene for Other Products; (b) Deletion of Rotenone from Annex 2;

- Labeling of Foods and Food Ingredients Obtained through Certain Techniques of Genetic Modification and Genetic Engineering; (a) Draft Amendment to the General Standard for the Labeling of Prepackaged Foods: Definitions; (b) Proposed Draft Recommendations for the Labeling of Foods and Food Ingredients Obtained through Certain Techniques of Genetic Modification and Genetic Engineering;
- Editorial Amendments to Codex Texts on Food Labeling;
- Discussion Paper on the Need to Amend the General Standard for the Labeling of Prepackaged Foods in Line with the International Organization of Legal Metrology (OIML) Recommendations Regarding the Declaration of the Quantity of Product in Prepackages; and,
- Discussion Paper on Modified Standardized Common Names Each issue listed will be fully described in documents distributed, or to be distributed, by the Secretariat prior to the meeting. Members of the public may access or request copies of these documents (see **ADDRESSES**).

Public Meeting

At the April 7, 2009, public meeting, draft U.S. positions on the agenda items will be described and discussed, and attendees will have the opportunity to pose questions and offer comments. Written comments may be offered at the meeting or sent to the U.S. Delegate to the CCFL, Dr. Barbara Schneeman (see **ADDRESSES**). Written comments should state that they relate to activities of the 37th Session of the CCFL.

Additional Public Notification

Public awareness of all segments of rulemaking and policy development is important. Consequently, in an effort to ensure that minorities, women, and persons with disabilities are aware of this notice, FSIS will announce it online through the FSIS Web page located at http://www.fsis.usda.gov/regulations/2009_Notices_Index/. FSIS will also make copies of this **Federal Register** publication available through the FSIS Constituent Update, which is used to provide information regarding FSIS policies, procedures, regulations, **Federal Register** notices, FSIS public meetings, and other types of information that could affect or would be of interest to constituents and stakeholders. The Update is communicated via Listserv, a free electronic mail subscription service for industry, trade groups, consumer interest groups, health professionals, and other individuals who have asked to be included. The Update is also available on the FSIS Web page.

Through the Listserv and Web page, FSIS is able to provide information to a much broader and more diverse audience. In addition, FSIS offers an electronic mail subscription service which provides automatic and customized access to selected food safety news and information. This service is available at http://www.fsis.usda.gov/news_and_events/email_subscription/. Options range from recalls to export information to regulations, directives and notices. Customers can add or delete subscriptions themselves, and have the option to password protect their accounts.

Done at Washington, DC on: March 9, 2009.
