BILLING CODE 6335-01-P

DEPARTMENT OF COMMERCE

Submission for OMB Review; Comment Request

The Department of Commerce will submit to the Office of Management and Budget (OMB) for clearance the following proposal for collection of information under the provisions of the Paperwork Reduction Act (44 U.S.C. Chapter 35).

Agency: Minority Business Development Agency (MBDA).

Title: National Minority Enterprise Development (MED) Week Awards Program Application Requirements.

OMB Control Number: None (new collection).

Form Number(s): None.

Type of Request: Regular submission.

Number of Respondents: 100.

Average Hours per Response: 2.

Burden Hours: 200.

Needs and Uses: One of MBDA's largest initiatives is the annual National Minority Enterprise Development (MED) Week Conference. The conference recognizes the role that minority entrepreneurs play in building the American economy through the creation of jobs, products and services, in addition to supporting their local communities. It includes the private, non-profit, and government sectors and provides a venue to discuss critical business issues affecting minority business as well as strategies to foster the growth and competitiveness of the minority business community. The MED Week Awards Program is a key element in the conference as it celebrates the outstanding achievements of minority entrepreneurs. MBDA has created categories of awards including Minority Construction Firm of the Year, Minority Manufacturer of the Year, Minority Retail or Service Firm of the Year, Minority Technology Firm of the Year, Minority Supplier Distributor of the Year, Advocate of the Year, Media Award, Distinguished Supplier Diversity Award, Access to Capital Award, the Ronald H. Brown Leadership Award, and the Abe Venable Award for Lifetime Achievement. Nominations for these awards are to be open to the public. MBDA must collect two kinds of information: (a) Information identifying the nominee and nominator and (b) information explaining why the nominee should be given the award. The information will be used to determine those applicants best meeting the preannounced selection criteria. Use of a nomination form standardizes and limits the information collected as part of the nomination process. This makes the competition fair and eases any burden on applicants and reviewers alike. Participation in the competition is voluntary. The awards are strictly honorary.

Affected Public: Business or other for-profit organizations; Not-for-profit institutions; State, local, or tribal government; Federal government.

Frequency: One-time only, on occasion, and annually.

Respondent's Obligation: Voluntary.

OMB Desk Officer: Nicholas Fraser, (202) 395-5887.

Copies of the above information collection proposal can be obtained by calling or writing Diana Hynek,

Departmental Paperwork Clearance Officer, (202) 482-0266, Department of Commerce, Room 7845, 14th and Constitution Avenue, NW., Washington, DC 20230 (or via the Internet at dHynek@doc.gov).

Written comments and recommendations for the proposed information collection should be sent within 30 days of publication of this notice to Nicholas Fraser, OMB Desk Officer, FAX number (202) 395-7285, or Nicholas_A_Fraser@omb.eop.gov.

Dated: March 9, 2009.

Gwellnar Banks,

Management Analyst, Office of the Chief Information Officer.

Foreign-Trade Zones Board

[Docket 9-2009]

Foreign-Trade Zone 114 -- Peoria, Illinois, Area, Application for Reorganization/Expansion

An application has been submitted to the Foreign-Trade Zones (FTZ) Board (the Board) by the Economic Development Council for Central Illinois, Inc., grantee of FTZ 114, requesting authority to reorganize and expand its zone project adjacent to the Peoria Customs and Border Protection port of entry. The application was submitted pursuant to the provisions of the Foreign-Trade Zones Act, as amended (19 U.S.C. 81a-81u), and the regulations of the Board (15 CFR part 400). It was formally filed on March 6, 2009.

FTZ 114 was approved on December 21, 1984 (Board Order 288, 50 FR 1606, 1/11/85). The general-purpose zone project currently consists of the following sites (314 acres total): *Site 1* (88 acres) -- located at 1925 Darst Street, Peoria; *Site 2* (150 acres) -- United Facilities, Inc., 603 North Main Street, East Peoria; *Site 3* (17 acres) -- located at 1001 Wesley Road, Creve Coeur; *Site 4* (2 acres) -- located at 5703 Smithville Road, Bartonville; *Site 5* (37 acres) -- located at 278 Koch Street, Pekin; *Site 5A* (145,000 sq. ft.) -- located at 2314 E. Wilkins Drive, Mossville; and, *Site 6* (17 acres, 2 parcels) -- located at 6409 West Smithville Road, Bartonville.

The applicant is now requesting authority to reorganize and expand the general-purpose zone project as follows: delete *Existing Site 3* in its entirety due to changed circumstances; and, add two new sites: *Proposed Site 7* (360 acres) --

located at the former Chanute Air Force Base, 601 S. Century Boulevard, Rantoul; and, *Proposed Site 8* (333 acres) -- Logistics Park Galesburg, 659 Knox Road 1440N (U.S. 150 East and I-74), Galesburg. The proposal would result in an overall net increase of 676 acres in total zone space. The proposed sites will provide warehousing and distribution services to area businesses. No specific manufacturing authority is being requested at this time. Such requests would be made to the Board on a case-by-case basis.

In accordance with the Board's regulations, Camille Evans of the FTZ Staff is designated examiner to investigate the application and report to the Board.

Public comment is invited from interested parties. Submissions (original and 3 copies) shall be addressed to the Board's Executive Secretary at the address listed below. The closing period for their receipt is May 12, 2009. Rebuttal comments in response to material submitted during the foregoing period may be submitted during the subsequent 15-day period (to May 27, 2009).

A copy of the application will be available for public inspection at the Office of the Executive Secretary, Foreign-Trade Zones Board, Room 2111, U.S. Department of Commerce, 1401 Constitution Avenue NW, Washington, DC 20230-0002, and in the "Reading Room" section of the Board's website, which is accessible via www.trade.gov/ftz. For further information, contact Camille Evans at Camille_Evans@ita.doc.gov or (202) 482-2350.

Dated: March 6, 2009.

Andrew McGilvray,
Executive Secretary.

DEPARTMENT OF COMMERCE

Foreign-Trade Zones Board

[Docket 8-2009]

Review of Sourcing Change, Foreign-Trade Subzone 7M, Amgen Manufacturing Limited (Biotechnology and Healthcare Products), Juncos, Puerto Rico

Pursuant to the regulations of the Foreign-Trade Zones (FTZ) Board (the Board), a review has been initiated (under 15 CFR Sec. 400.28(a)(3)(iii)(A)) of changes in sourcing related to certain packaging products at Foreign-Trade Subzone 7M, at the facility of Amgen

Manufacturing Limited (Amgen), in Juncos, Puerto Rico.

Subzone 7M was approved by the Board on December 11, 2008 (Board Order 1597, 73 FR 78290-78291, 12/22/08), for the manufacturing and distribution of biotechnology and healthcare products under FTZ procedures. On products shipped to the U.S. market, the company is able to choose the duty rate during customs entry procedures that applies to the finished products (duty-free) for the otherwise dutiable foreign components (duty-free to 2.7%). Components sourced from abroad include vials, syringes, stoppers, plunger rods, partitions and dispenser packs.

Amgen has now notified the Board of additional sourcing of foreign packaging components. The imported components are PVC film (duty rate 5.8%) and a plastic device to be used with a syringe in the self-injection process (duty rate, 5.3%). The use of FTZ procedures for the additional components could exempt Amgen from customs duty payments on the foreign components used in export production. The company estimates that some 48 percent of the plant's shipments are exported. On its domestic sales, Amgen would be able to choose the duty rate during customs entry procedures that applies to the finished pharmaceutical products (duty-free) for the foreign inputs noted above. The finished pharmaceutical products remain unchanged and were included in the scope of manufacturing authority approved by the FTZ Board.

In accordance with the Board's regulations, Elizabeth Whiteman is designated examiner to investigate the sourcing change, including its potential to cause "significant adverse effects" (15 CFR 400.28(a)(3)(iii)(A)), and report to the Board. Public comment is invited from interested parties. Submissions (original and 3 copies) shall be addressed to the Board's Executive Secretary at the address below. The closing period for their receipt is April 13, 2009. Rebuttal comments in response to material submitted during the foregoing period may be submitted during the subsequent 15-day period to April 27, 2009.

A copy of the sourcing change notification will be available for public inspection at the Office of the Executive Secretary, Foreign-Trade Zones Board, Room 2111, U.S. Department of Commerce, 1401 Constitution Avenue, NW, Washington, DC 20230-0002, and in the "Reading Room" section of the Board's website, which is accessible via www.trade.gov/ftz.

For further information, contact Elizabeth Whiteman at

Elizabeth_Whiteman@ita.doc.gov or (202) 482-0473.

Dated: March 5, 2009.

Andrew McGilvray,
Executive Secretary.

DEPARTMENT OF COMMERCE

International Trade Administration

[A-570-882]

Refined Brown Aluminum Oxide from the People's Republic of China: Notice of Continuation of Antidumping Duty Order

AGENCY: Import Administration, International Trade Administration, Department of Commerce.

SUMMARY: As a result of the determinations by the Department of Commerce (the Department) and the International Trade Commission (ITC) that revocation of the antidumping duty order on refined brown aluminum oxide (RBAO) from the People's Republic of China (PRC) would be likely to lead to continuation or recurrence of dumping and of material injury to an industry in the United States within a reasonably foreseeable time, the Department is publishing notice of the continuation of this antidumping duty order.

EFFECTIVE DATE: March 13, 2009.

FOR FURTHER INFORMATION CONTACT: David Goldberger, Katherine Johnson, or Brandon Farlander, AD/CVD Operations, Import Administration, International Trade Administration, U.S. Department of Commerce, 14th Street & Constitution Avenue, NW, Washington, DC 20230; telephone: (202) 482-4136, (202) 482-4929, and (202) 482-0182, respectively.

SUPPLEMENTARY INFORMATION:

Background

On October 1, 2008, the Department initiated and the ITC instituted a sunset review of the antidumping duty order on RBAO from the PRC, pursuant to section 751(c) of the Tariff Act of 1930, as amended (the Act). See Initiation of Five-year ("Sunset") Reviews 73 FR 57055 (October 1, 2008).

The Department conducted an expedited sunset review of this order. As a result of its review, the Department found that revocation of the antidumping duty order would be likely to lead to continuation or recurrence of dumping and notified the ITC of the magnitude of the margins likely to prevail were the order to be revoked. See Refined Brown Aluminum Oxide
