Expiration Date of Approval: July 31, 2009.

Type of Request: Intent to Seek Approval to Revise and Extend an Information Collection.

Abstract: The primary objective of the National Agricultural Statistics Service (NASS) is to prepare and issue State and national estimates of crop and livestock production, disposition, and prices. The Egg, Chicken, and Turkey Surveys obtain basic poultry statistics from

voluntary cooperators throughout the Nation. Statistics are published on placement of pullet chicks for hatchery supply flocks; hatching reports for broiler-type, egg-type, and turkey eggs; number of layers on hand; total table egg production; and production and value estimates for eggs, chickens, and turkeys. This information is used by producers, processors, feed dealers, and others in the marketing and supply channels as a basis for production and marketing decisions. Government agencies use these estimates to evaluate poultry product supplies. The information is an important consideration in government purchases for the National School Lunch Program and in formulation of export-import policy. The current expiration date for this docket is July 31, 2009. NASS intends to request that the surveys be approved for another 3 years.

The notice of initiation stated that we would issue our preliminary determination no later than 140 days after the date of initiation, in accordance with section 733(b)(1)(A) of the Tariff Act of 1930, as amended (the Act). The preliminary determination is currently due no later than April 7, 2009.

On March 12, 2009, the petitioner, D. D. Bean & Sons Co., made a timely request pursuant to section 733(c)(1)(A) of the Act and 19 CFR 351.205(e) for a 50-day extension of the preliminary determination. The petitioner requested that the determination be extended due to the complexities of the case and the difficulty in obtaining useable information from the sole respondent, Triveni Safety Matches Pvt. Ltd.

Under section 733(c)(1)(A) of the Act, if the petitioner makes a timely request for an extension of the period within which the preliminary determination must be made under subsection (b)(1), then the Department may postpone making the preliminary determination under subsection (b)(1) until not later than the 190th day after the date on which the administering authority initiated the investigation. Therefore, for the reasons identified by the petitioner and because there are no compelling reasons to deny the request, the Department is postponing the preliminary determination in this investigation until May 27, 2009, which is 190 days from the date on which the Department initiated this investigation.

This notice is issued and published pursuant to section 733(c)(2) of the Act and 19 CFR 351.205(f)(1).
