

III. Request for Comments

Prospective respondents and other interested parties should comment on the actions discussed in item II. The following guidelines are provided to assist in the preparation of comments. Please indicate to which form(s) your comments apply.

As a Potential Respondent to the Request for Information

A. Is the proposed collection of information necessary for the proper performance of the functions of the agency and does the information have practical utility?

B. What actions could be taken to help ensure and maximize the quality, objectivity, utility, and integrity of the information to be collected?

C. Are the instructions and definitions clear and sufficient? If not, which instructions need clarification?

D. Can the information be submitted by the respondent by the due date?

E. To complete the Form NFWA-830R 'Appendix G—Standard Remittance Advice for Payment of Fees' the average time per response is 5 hours. The data for the Form NFWA-830R is collected quarterly. The estimated burden includes the total time necessary to provide the requested information. In your opinion, how accurate is this estimate?

F. The agency estimates that the only cost to a respondent is for the time it will take to complete the collection. Will a respondent incur any start-up costs for reporting, or any recurring annual costs for operation, maintenance, and purchase of services associated with the information collection?

G. What additional actions could be taken to minimize the burden of this collection of information? Such actions may involve the use of automated, electronic, mechanical, or other technological collection techniques or other forms of information technology.

H. Does any other Federal, State, or local agency collect similar information? If so, specify the agency, the data element(s), and the methods of collection.

As a Potential Data User of the Information To Be Collected

A. Is the proposed collection of information necessary for the proper performance of the functions of the agency and does the information have practical utility?

B. What actions could be taken to help ensure and maximize the quality, objectivity, utility, and integrity of the information disseminated?

C. Is the information useful at the levels of detail to be collected?

D. For what purpose(s) would the information be used? Be specific.

E. Are there alternate sources for the information and are they useful? If so, what are their weaknesses and/or strengths?

Comments submitted in response to this notice will be summarized and/or included in the request for OMB approval of the form. They also will become a matter of public record.

Enbridge Pipelines (Louisiana Intrastate) LLC; Notice of Petition for Rate Approval

March 16, 2009.

Take notice that on March 4, 2009, Enbridge Pipelines (Louisiana Intrastate) LLC filed a petition for rate approval for NGPA section 311 maximum transportation rates for interruptible transportation service, pursuant to section 284.123(b)(2) of the Commission's regulations. Louisiana Intrastate proposes to increase its currently effective maximum system-wide rate for interruptible transportation from \$0.1810 per MMBtu to \$0.2687 per MMBtu, plus fuel and lost-and-unaccounted for gas.

Any person desiring to participate in this rate proceeding must file a motion to intervene or to protest this filing must file in accordance with Rules 211 and 214 of the Commission's Rules of Practice and Procedure (18 CFR 385.211 and 385.214). Protests will be considered by the Commission in determining the appropriate action to be taken, but will not serve to make protestants parties to the proceeding. Any person wishing to become a party must file a notice of intervention or motion to intervene, as appropriate. Such notices, motions, or protests must be filed on or before the date as indicated below. Anyone filing an

intervention or protest must serve a copy of that document on the Applicant. Anyone filing an intervention or protest on or before the intervention or protest date need not serve motions to intervene or protests on persons other than the Applicant.

The Commission encourages electronic submission of protests and interventions in lieu of paper using the "eFiling" link at <http://www.ferc.gov>. Persons unable to file electronically should submit an original and 14 copies of the protest or intervention to the Federal Energy Regulatory Commission, 888 First Street, NE., Washington, DC 20426.

This filing is accessible on-line at <http://www.ferc.gov>, using the "eLibrary" link and is available for review in the Commission's Public Reference Room in Washington, DC. There is an "eSubscription" link on the Web site that enables subscribers to receive e-mail notification when a document is added to a subscribed docket(s). Science Advisory Board Staff Office; Notification of a Public Meeting of the Science Advisory Board (SAB)

AGENCY: Environmental Protection Agency (EPA).

ACTION: Notice.

SUMMARY: The Environmental Protection Agency (EPA) Science Advisory Board (SAB) Staff Office announces a public meeting of the Chartered SAB to: discuss EPA's long range strategic research directions, discuss the FY 2010 EPA research budget, and plan for future SAB activities including the SAB's plan for conducting a study and delivering advice on strengthening science assessments at the EPA.

DATES: The public meeting will be held on Thursday, April 23, 2009 from 8:30 a.m. to 5 p.m. (Eastern Daylight Time) and Friday, April 24, 2009 from 8 a.m. to 2 p.m. (Eastern Daylight Time).

ADDRESSES: The meeting will be held at the Westin Arlington Gateway Hotel, 801 N. Glebe Road, Arlington, VA 22203; phone (703) 717-6200.

FOR FURTHER INFORMATION CONTACT: Any member of the public who wants further information concerning the teleconference meeting may contact Mr. Thomas Miller, Designated Federal Officer (DFO), EPA Science Advisory Board (1400F), U.S. Environmental Protection Agency, 1200 Pennsylvania Avenue, NW., Washington, DC 20460; via telephone/voice mail (202) 343-9982; fax (202) 233-0643; or e-mail at miller.tom@epa.gov. General information concerning the SAB can be found on the EPA Web site at <http://www.epa.gov/sab>.

SUPPLEMENTARY INFORMATION:

Background: The SAB was established by 42 U.S.C. 4365 to provide independent scientific and technical advice, consultation, and recommendations to the EPA Administrator on the technical basis for Agency positions and regulations. The SAB is a Federal advisory committee chartered under the Federal Advisory Committee Act (FACA), as amended, 5 U.S.C., App. The SAB will comply with the provisions of FACA and all appropriate SAB Staff Office procedural policies.

Background: (1) Strategic Research Vision: The purpose of this meeting will be to allow the Chartered SAB to discuss with Agency representatives the strategic research directions of EPA's Office of Research and Development over the next 10 years. These discussions will permit consideration of the overall strategic direction of the program in relation to EPA's overall mission, as well as permit the evaluation of smaller components of the total program as they fit into the total program. (2) *Research Budget:* If the President's FY 2010 budget is released prior to this meeting, the SAB will consider that budget and how it relates to the overall goals of EPA and the EPA strategic research directions. The SAB has reviewed the EPA research budget request each year for over twenty years and provides written advice to the EPA Administrator and, when requested, provides testimony to the U.S. Congress on how the budget might contribute to the achievement of EPA's overall research goals. (3) *SAB Future Activities:* The Board will discuss future advisory activities including a draft plan for a study to develop advice to EPA on strengthening its science assessment program for key areas of EPA's mission. *Availability of Meeting Materials:* A meeting agenda, charge questions and

other materials for the meeting will be placed on the SAB Web site at <http://yosemite.epa.gov/sab/sabpeople.nsf/WebCommittees/BOARD>.

Procedures for Providing Public Input: Interested members of the public may submit relevant written or oral information for consideration on the topics included in this advisory activity. *Oral Statements:* To be placed on the public speaker list for the April 23-24, 2009 meeting, interested parties should notify Mr. Thomas Miller, DFO, by e-mail no later than April 16, 2009. Individuals making oral statements will be limited to three minutes per speaker. *Written Statements:* Written statements for the April 23-24, 2009 meeting should be received in the SAB Staff Office by April 16, 2009, so that the information may be made available to the SAB for its consideration prior to this meeting. Written statements should be supplied to the DFO in the following formats: One hard copy with original signature and one electronic copy via e-mail (acceptable file format: Adobe Acrobat PDF, MS Word, WordPerfect, MS PowerPoint, or Rich Text files in IBM-PC/Windows 98/2000/XP format). Submitters are asked to provide electronic versions of each document submitted with and without signatures, because the SAB Staff Office does not publish documents with signatures on its Web sites.

Accessibility: For information on access or services for individuals with disabilities, please contact Mr. Miller at the phone number or e-mail address noted above, preferably at least ten days prior to the teleconference, to give EPA as much time as possible to process your request.

Dated: March 17, 2009.

Anthony F. Maciorowski,

Deputy Director, EPA Science Advisory Board Staff Office.
