Petition for Exemption

Docket No.: FAA-2009-0083.

Petitioner: CitationShares Management, LLC.

Section of 14 CFR Affected: 14 CFR 91.23, 91.1001.

Description of Relief Sought: CitationShares Management, LLC (CM), a fractional program manager and certificated air carrier, has petitioned the Federal Aviation Administration to provide an exemption from the

following regulations pertaining to part 91 subpart K fractional ownership operations:

(1) CM requests an exemption from § 91.1001 to the extent necessary to clarify that “fractional owner or owner,” and “fractional ownership interest,” as defined in § 91.1001(b)(3) and (b)(4), of subpart K, are not limited to FAA registered owners but may include a beneficial owner or beneficial ownership interest arising under a single Delaware statutory trust structure outlined in the CM Fractional Program Trust Structure;

(2) CM requests an exemption from § 91.1001 to the extent necessary to clarify that “dry lease exchange,” as defined in § 91.1001(b)(2) of subpart K, may include the arrangement for exchange of aircraft arising under the CM Fractional Program Trust Structure; and

(3) CM requests an exemption from § 91.23 to the extent necessary to confirm that the arrangements among and between the fractional owners and CM, in its capacity as a part 135 certificate holder, does not require further compliance with that section.

The purpose of the exemption would be to permit CM to implement a Fractional Program Trust Structure for ownership, registration, and operation of fractional ownership program aircraft. A key feature of the proposed structure is that participating fractional owners would no longer hold legal title to a fractional share of a program aircraft. Instead, a Delaware statutory trust would hold legal title to the entire aircraft, and fractional ownership program participants would be beneficial owners of a series in the trust. CM would act as the fractional ownership program manager, would administer the statutory trust, and would continue operating program aircraft as a part 135 certificate holder. The CM Fractional Program Trust Structure would continue to follow the operational control provisions as set forth in §§ 91.1009-91.1013 of subpart K.

Additionally, CM seeks an exemption from § 91.1001 pertaining to dry-lease aircraft exchanges. Under the CM Fractional Program Trust Structure, there would not be a dry-lease aircraft exchange arrangement among all of the fractional owners. Instead, CM would hold a lease to the program aircraft entered into a statutory trust, and fractional owners would have access to all of the program aircraft, without crew, on an as needed basis through a sublease directly from CM.

Finally, CM requests an exemption from § 91.23, the truth-in-leasing

requirements in leases and conditional sales contracts, to confirm that those requirements would not be applicable to the dry-lease exchange component of the CM Fractional Program Trust Structure because CM is a part 135 certificate holder.

National Highway Traffic Safety Administration

[Docket No. NHTSA-2008-0107, Notice 2]

Spyker Automobielen B.V.; Grant of Application for Limited Extension of Temporary Exemption From Certain Requirements of FMVSS No. 208

AGENCY: National Highway Traffic Safety Administration (NHTSA), Department of Transportation (DOT).

ACTION: Grant of petition for limited extension of a Temporary Exemption from certain provisions of Federal Motor Vehicle Safety Standard (FMVSS) No. 208, *Occupant Crash Protection*.

SUMMARY: This notice grants the Spyker Automobielen B.V. (“Spyker”) application for a limited extension of a previously received temporary exemption from certain requirements of Federal Motor Vehicle Safety Standard (FMVSS) No. 208, *Occupant Crash Protection*, for the Spyker C vehicle line. In accordance with 49 CFR Part 555, the basis for the grant is that compliance would cause substantial economic hardship to a low-volume manufacturer that has tried in good faith to comply with the standard, and the exemption would have a negligible impact on motor vehicle safety. The exemption is effective through December 15, 2010.

In accordance with the requirements of 49 U.S.C. 30113(b)(2), we published a notice of receipt of the application and asked for public comments.¹

DATES: The exemption from the applicable Federal motor vehicle safety standards is effective from March 25, 2009 through December 15, 2010.
