SUPPLEMENTARY INFORMATION:

Background

The Department received timely requests, in accordance with 19 CFR 351.213(b), during the anniversary month of February, for administrative reviews of the antidumping duty orders on shrimp from Vietnam and the PRC covering multiple entities. On March 13, 2009, one of the domestic interested parties provided a clarification that its request for review covered Hilltop International, the successor-in-interest to Yelin Enterprise Co., Ltd. The Department is now initiating these administrative reviews of the orders covering those entities.

Notice of No Sales

Under 19 CFR 351.213(d)(3), the Department may rescind a review where there are no exports, sales, or entries of subject merchandise during the respective period of review ("POR")

("CADOVIMEX"), Cafatex Fishery Joint Stock Corporation ("Cafatex Corp"), Camau Frozen Seafood Processing Import Export Corporation, or Camau Seafood Factory No. 4 ("CAMIMEX") and/or Camau Frozen Seafood Processing Import Export Corporation ("CAMIMEX"), Can Tho Agricultural and Animal Products Import Export Company ("Cataco"), Coastal Fisheries Development Corporation ("COFIDEX"), Investment Commerce Fisheries Corporation ("Incomfish"), Minh Hai Export Frozen Seafood Processing Joint-Stock Company ("Minh Hai Jostoco"), Minh Phu Seafood Corporation (and its affiliates Minh Qui Seafood Co., and Minh Phat Seafood Co., Ltd.), Ngoc Sinh Private Enterprise ("Ngoc Sinh Seafoods"), Nha Trang Seaproduct Company ("Nha Trang Seafoods"), Soc Trang Seafood Joint Stock Company ("STAPIMEX"), UTXI Aquatic Products Processing Corporation ("UTXICO") and Vinh Loi Import Export Company ("VIMEX").

³ These companies are: Cafatex Corp., Seaprimexco, Cataco, COFIDEX, Incomfish, Minh Hai Jostoco, Ngoc Sinh Seafoods, STAPIMEX, Sao Ta Foods Joint Stock Company (FIMEX VN), UTXICO and VIMEX. Therefore, with the exception of these 11 companies, the remaining requests for revocation of the antidumping duty order are still active.

listed below. If a producer or exporter named in this notice of initiation had no exports, sales or entries during the POR, it must notify the Department within 30 days of publication of this notice in the **Federal Register**. The Department will consider rescinding the review only if the producer or exporter, as appropriate, submits a properly filed and timely statement certifying that it had no exports, sales or entries of subject merchandise during the POR. All submissions must be made in accordance with 19 CFR 351.303 and are subject to verification in accordance with section 782(i) of the Tariff Act of 1930, as amended (the "Act"). Six copies of the submission should be submitted to the Assistant Secretary for Import Administration, International Trade Administration, Room 1870, U.S. Department of Commerce, 14th Street and Constitution Avenue, NW., Washington, DC 20230. Further, in accordance with 19 CFR 351.303(f)(1)(i), a copy of each request must be served on every party on the Department's service list.

Respondent Selection

In the event the Department limits the number of respondents for individual examination for administrative reviews, the Department intends to select respondents based on U.S. Customs and Border Protection ("CBP") data for U.S. imports during the POR. We intend to release the CBP data under Administrative Protective Order ("APO") to all parties having an APO within five days of publication of this initiation notice, and to make our decision regarding respondent selection within 20 days of publication of this **Federal Register** notice. The Department invites comments regarding the CBP data and respondent selection within 10 calendar days of publication of this **Federal Register** notice.

Separate Rates

In proceedings involving non-market economy ("NME") countries, the Department begins with a rebuttable presumption that all companies within the country are subject to government control and, thus, should be assigned a single antidumping duty deposit rate. It is the Department's policy to assign all exporters of merchandise subject to an administrative review in an NME country this single rate unless an exporter can demonstrate that it is sufficiently independent so as to be entitled to a separate rate.

To establish whether a firm is sufficiently independent from government control of its export activities to be entitled to a separate

rate, the Department analyzes each entity exporting the subject merchandise under a test arising from the *Final Determination of Sales at Less Than Fair Value: Sparklers from the People's Republic of China*, 56 FR 20588 (May 6, 1991), as amplified by *Final Determination of Sales at Less Than Fair Value: Silicon Carbide from the People's Republic of China*, 59 FR 22585 (May 2, 1994). In accordance with the separate rates criteria, the Department assigns separate rates to companies in NME cases only if respondents can demonstrate the absence of both *de jure* and *de facto* government control over export activities.

All firms listed below that wish to qualify for separate rate status in the administrative reviews involving NME countries must complete, as appropriate, either a separate rate application or certification, as described below. For these administrative reviews, in order to demonstrate separate rate eligibility, the Department requires entities for whom a review was requested, that were assigned a separate rate in the most recent segment of this proceeding in which they participated, to certify that they continue to meet the criteria for obtaining a separate rate. The

Separate Rate Certification form will be available on the Department's Web site at <http://ia.ita.doc.gov/nme/nme-sep-rate.html> on the date of publication of this **Federal Register** notice. In responding to the certification, please follow the "Instructions for Filing the Certification" in the Separate Rate Certification. Separate Rate Certifications are due to the Department no later than 30 calendar days after publication of this **Federal Register** notice. The deadline and requirement for submitting a Certification applies equally to NME-owned firms, wholly foreign-owned firms, and foreign sellers who purchase and export subject merchandise to the United States.

Entities that currently do not have a separate rate from a completed segment of the proceeding⁴ should timely file a Separate Rate Application to demonstrate eligibility for a separate rate in this proceeding. In addition, companies that received a separate rate in a completed segment of the proceeding that have subsequently made changes, including, but not limited to, changes to corporate structure, acquisitions of new companies or facilities, or changes to their official company name,⁵ should

timely file a Separate Rate Application to demonstrate eligibility for a separate rate in this proceeding. The Separate Rate Status Application will be available on the Department's Web site at <http://ia.ita.doc.gov/nme/nme-sep-rate.html> on the date of publication of this **Federal Register** notice. In responding to the Separate Rate Status Application, refer to the instructions contained in the application. Separate Rate Status Applications are due to the Department no later than 60 calendar days of publication of this **Federal Register** notice. The deadline and requirement for submitting a Separate Rate Status Application applies equally to NME-owned firms, wholly foreign-owned firms, and foreign sellers that purchase and export subject merchandise to the United States.
