AGENCY: Department of Education.

SUMMARY: The Director, Information Collection Clearance Division, Regulatory Information Management Services, Office of Management invites comments on the submission for OMB review as required by the Paperwork Reduction Act of 1995.

DATES: Interested persons are invited to submit comments on or before April 27, 2009.

SUPPLEMENTARY INFORMATION: Section 3506 of the Paperwork Reduction Act of 1995 (44 U.S.C. Chapter 35) requires that the Office of Management and Budget (OMB) provide interested Federal agencies and the public an early opportunity to comment on information collection requests. The Director, Regulatory Information Management Services, Office of Management, publishes that notice containing proposed information collection requests prior to submission of these requests to OMB. Each proposed information collection, grouped by office, contains the following: (1) Type of review requested, e.g. new, revision, extension, existing or reinstatement; (2) Title; (3) Summary of the collection; (4) Description of the need for, and proposed use of, the information; (5) Respondents and frequency of collection; and (6) Reporting and/or

Abstract: The Impact Evaluation of Response to Intervention (RtI) strategies will inform the National Assessment of IDEA 2004, and the choices of districts and schools, by estimating the differential impacts of strategies for providing Tier 2 reading instruction to at-risk first and second graders. ED has awarded a contract to MDRC (in partnership with SRI International and Survey Research Management) to conduct this study in 150 elementary schools. This initial collection involves the site recruitment. The resulting RtI project will provide information that policymakers and school administrators can use to help identify students with learning disabilities and improve instruction provided to at-risk students.
