

recommendations or final audit determinations.

The Secretary also has concluded that, to the extent possible, this grantback award would support the provision of services to the population of intended beneficiaries of the program under which the DISC and Promising Practices grants were originally made. The population of intended beneficiaries under IVEP and NAVTEP may not have received the full benefit of the services intended by the Perkins IVEP grant awards, currently NACTEP, due to the problems that gave rise to the audit recovery described in Section A of this notice. The Secretary has determined that if awarded, this grantback would advance and support the same policy goals and purposes of the statutory Perkins II provisions that authorized the initial DISC and Promising Practices grants and would be used in compliance with all current statutory and regulatory program requirements.

E. Notice of the Secretary's Intent to Enter into a Grantback Arrangement with NWIC

Section 459(d) of GEPA requires that, at least 30 days before entering into an arrangement to award funds under a grantback, the Secretary publish in the **Federal Register** a notice of intent to do so, and the terms and conditions under which the payment would be made. In accordance with section 459(d) of GEPA, notice is hereby given that the Secretary intends to make funds available to NWIC under a grantback arrangement. The grantback award would be in the amount of \$179,855, which is approximately 57 percent of the principal amount recovered as a result of the Agreement.

F. Terms and Conditions Under Which Payments Under a Grantback Arrangement with NWIC Would Be Made

NWIC agrees to comply with the following terms and conditions under which payments under a grantback arrangement would be made:

(a) The funds awarded under the grantback must be spent in accordance with—

- (1) All applicable statutory and regulatory requirements;
- (2) The plan that NWIC submitted and any amendments to the plan that are approved in advance by the Secretary; and
- (3) The budget that NWIC submitted with the approved plan and any amendments to the budget that are approved in advance by the Secretary.

(b) All funds received under the grantback arrangement must be obligated by NWIC by September 30, 2009, in accordance with section 459(c) of GEPA and NWIC's approved plan.

(c) NWIC must, no later than December 31, 2009, submit a report to the Secretary that—

(1) Indicates that the funds awarded under the grantback have been spent in accordance with the proposed plan and any amendments that have been approved in advance by the Secretary; and

(2) Describes the results and effectiveness of the project for which the funds were spent, including the number of students who enrolled in the training sessions, the number of students who received an Award of Completion, the number of students who took the Adobe exams, and the number of students who passed the exams and obtained Adobe certifications.

(d) NWIC must maintain separate accounting records documenting the expenditures of funds awarded under the grantback arrangement.
