SUPPLEMENTARY INFORMATION:

I. Abstract

The National Marine Fisheries Service (NMFS) proposes to collect demographic, cultural, economic and social information about Gulf of Mexico fisheries managed under the limited access privilege program (LAPP). The survey also intends to inquire about the industry's perceptions, attitudes and beliefs about the performance of the LAPP. The data gathered will be used to describe the social and economic changes brought about by the LAPP, assess the economic performance of the industry under the LAPP, and evaluate the socio-economic impacts of future federal regulatory actions. In addition, the information will be used to strengthen and improve fishery management decision-making, satisfy legal mandates under Executive Order 12866, the Magnuson-Stevens Fishery Conservation and Management Act (U.S.C. 1801 et seq.), the Regulatory Flexibility Act, the Endangered Species Act, and the National Environmental Policy Act, and other pertinent statutes.

II. Method of Collection

The socio-economic information sought will be collected via in-person, telephone and mail surveys.

COMMODITY FUTURES TRADING COMMISSION

Agricultural Advisory Committee; Thirteenth Renewal

The Commodity Futures Trading Commission has determined to renew the charter of the Commission's Agricultural Advisory Committee for a further period of two years. The Commission certifies that the renewal of the advisory committee is in the public interest in connection with duties imposed on the Commission by the Commodity Exchange Act, 7 U.S.C. 1, et seq.

The objectives and scope of activities of the Agricultural Advisory Committee are to conduct public meetings and submit reports and recommendations on issues affecting agricultural producers, processors, lenders and others interested in or affected by agricultural commodities markets, and to facilitate communications between the Commission and the diverse agricultural and agriculture-related organizations represented on the Committee. The Committee's membership represents a cross-section of interested and affected groups including representatives of producers, processors, lenders and other interested agricultural groups.
