GENERAL SERVICES ADMINISTRATION

Record of Decision for the Department of Homeland Security Headquarters Consolidation at St. Elizabeths in Southeast, Washington, DC

AGENCY: National Capital Region, U.S. General Services Administration (GSA).

ACTION: Notice; record of decision.

SUMMARY: Pursuant to the requirements of the National Environmental Policy Act of 1969 (NEPA), 42 U.S.C. 4321-4347, the Council on Environmental Quality Regulations (40 CFR parts 1500-1508), GSA Order PBS P 1095.1F (Environmental considerations in decision-making, dated October 19, 1999), and the GSA Public Buildings Service NEPA Desk Guide, dated October 1999, on December 16, 2008, GSA issued a Record of Decision on the *DHS Headquarters Consolidation at St. Elizabeths Final Environmental Impact Statement (EIS)* (GSA, November 2008) to implement Campus Redevelopment Alternative 5 as defined in the Final EIS. The complete Record of Decision (ROD) can be viewed on the project Web site: <http://www.stelizabethswestcampus.com>.

FOR FURTHER INFORMATION CONTACT: Ms. Denise Decker, NEPA Lead, National Capital Region, General Services Administration, at (202) 538-5643.

SUPPLEMENTARY INFORMATION:

Decision:

It is the decision of the Acting Regional Administrator of GSA, National Capital Region to:

(1) Implement Campus Redevelopment Alternative 5, which requires part of the 4.5 million GSF of secure office space, plus parking, needed for the DHS consolidated headquarters to be located on the St. Elizabeths East Campus. Alternative 5 includes the construction of 3.8 million GSF of office and shared use space in both new and adaptively re-used buildings, together with 3,459 parking spaces for the consolidation of DHS Headquarters at the St. Elizabeths West

Campus in Southeast, Washington, DC. Alternative 5 also includes an additional 750,000 GSF of office and shared use space together with 775 parking spaces that will be located on the St. Elizabeths East Campus. The selection of Alternative 5 contemplates the use of the East Campus parcel for the project. However, the ROD does not authorize any ground disturbing activities on the East Campus. Implementation of ground disturbing activities on the East Campus will be considered in a separate EIS and, unless the no-build alternative is selected, implemented in a separate ROD. In accordance with the conditions set forth in the December 16, 2008 ROD, certain West Campus ground disturbing activities are authorized prior to completion of the contemplated East Campus ROD.

(2) Implement Martin Luther King, Jr. Avenue Traffic Improvement Alternative 2, as defined in Volume 2 of the FEIS. Alternative 2 accommodates left turning lanes into Gates 1 and 2 of the West Campus. Selection of this alternative is based on coordination with, and is subject to, subsequent final determinations of the District of Columbia Department of Transportation (DDOT). Alternative 2 may be implemented immediately after approval by DDOT.

(3) Implement, in cooperation with the Federal Highway Administration (FHWA), Interchange Alternative I-2, as described in Volume II of the Final EIS. Alternative I-2 provides for the construction of a new access road for St. Elizabeths West Campus, from Firth Sterling Avenue to Malcolm X Avenue and connecting to the Malcolm X interchange as outlined in Volume 2 of the Final EIS. Selection of this alternative is based on coordination with FHWA and is subject to its subsequent final determinations.

The ROD documents the specific components of GSA's decision and the rationale for the decision. This decision is based on information and analyses contained in the Draft EIS issued in September 2007; the Final EIS issued in November 2008; the comments of Federal and State agencies, stakeholder organizations, members of the public, and elected officials; and other information in the administrative record.

Issued December 16, 2008 by John F. Phelps, Acting Regional Administrator,

General Services Administration, National Capital Region.

Thomas James,

Deputy Assistant Regional Administrator, Public Buildings Service, National Capital Region.

Executive Summary: This announcement governs the proposed award of mandatory grants under the Family Violence Prevention and Services Act (FVPSA) to States (including Territories and Insular Areas). The purpose of these grants is to assist States in establishing, maintaining, and expanding programs and projects to prevent family violence and to provide immediate shelter and related assistance for victims of family violence and their dependents (42 U.S.C. 10401).

This announcement sets forth the application requirements, the application process, and other administrative and fiscal requirements for grants in Fiscal Year (FY) 2009. I. Description

Legislative Authority: The Family Violence Prevention and Services Act, 42 U.S.C. 10401 through 10421, as extended by the Department of Health and Human Services Appropriations Act, 2009, Public Law 111-8.

Background

The purpose of this legislation is to assist States and Indian Tribes, Tribal organizations, and non-profit private organizations approved by an Indian Tribe in supporting the establishment, maintenance, and expansion of

programs and projects to prevent incidents of family violence and to provide immediate shelter and related assistance for victims of family violence and their dependents that meet the needs of all victims, including those in underserved communities (42 U.S.C. 10401).

During FY 2008, the Department of Health and Human Services (HHS) made 52 grants to States. 202 grants were made to Indian Tribes, Tribal organizations, and non-profit private organizations approved by Indian Tribes. The Department of Health and Human Services (HHS) also made 53 family violence prevention grant awards to non-profit State Domestic Violence Coalitions.

The National Domestic Violence Hotline (Hotline) is funded by FVPSA to ensure that everyone has access to information and emergency assistance wherever and whenever it is needed. The Hotline is a 24-hour, toll-free service that provides crisis assistance, counseling, and local shelter referrals for people across the country who need assistance. Hotline counselors also are available for non-English speaking persons and for people who are hearing-impaired. The Hotline number is 1-800-799-SAFE (7233); the TTY number for the hearing-impaired is 1-800-787-3224.

Annual State Administrators Grantee Meeting

The annual grantee meeting for the State FVPSA Administrators is a training and technical assistance activity that FVPSA State Administrators should expect to attend. Subsequent correspondence will advise the State FVPSA Administrators of the date, time and location of their grantee meeting.

Client Confidentiality

FVPSA programs must establish or implement policies and protocols for maintaining the safety and confidentiality of the adult victims of domestic violence and their children whom they serve. It is essential that the confidentiality of individuals receiving FVPSA services be protected. Consequently, when providing statistical data on program activities and program services, individual identifiers of client records will not be used by the State or other FVPSA grantees or subgrantees. The address or location of any FVPSA-supported shelter facility will, except with written authorization of the person or persons responsible for the operation of such shelter, not be made public and the confidentiality of records pertaining to any individual provided family violence prevention and treatment services by any FVPSA-supported program will be strictly maintained (42 U.S.C. 10402(a)(2)(E)).
