Food Safety and Inspection Service

[Docket No. 2009-0007]

Exemption for Retail Store Operations

AGENCY: Food Safety and Inspection Service, USDA.

ACTION: Notice of adjusted dollar limitations.

SUMMARY: The Food Safety and Inspection Service (FSIS) is announcing new dollar limitations on the amount of meat, meat food products, poultry, and poultry products that a retail store can sell to hotels, restaurants, and similar institutions without disqualifying itself for exemption from Federal inspection requirements. In accordance with FSIS' regulations, for calendar year 2009, the dollar limitation is increased for meat and meat food products from \$56,900 to \$60,200 and for poultry products from \$46,700 to \$49,400. FSIS is changing the dollar limitations from calendar year 2008 based on price changes for these products evidenced by the Consumer Price Index.

DATES: *Effective Date:* This notice is effective April 6, 2009.

FOR FURTHER INFORMATION: Contact John O'Connell, Policy Issuances Division, Office of Policy and Program Development, FSIS, U.S. Department of Agriculture, Room 3532 South Building, 1400 Independence Avenue, SW., Washington, DC 20250-3700; telephone (202) 720-0345, fax (202) 690-0486.

SUPPLEMENTARY INFORMATION:

Background

The Federal Meat Inspection Act (21 U.S.C. 601 *et seq.*) and the Poultry Products Inspection Act (21 U.S.C. 451 *et seq.*) provide a comprehensive statutory framework to ensure that meat, meat food products, poultry, and poultry products prepared for commerce are wholesome, are not adulterated, and are properly labeled and packaged. 21 U.S.C. 661(c)(2) and 454(c)(2) also provide that the statutory provisions requiring inspection of the preparation or processing of meat, meat food, poultry, and poultry products do not apply to the types of operations traditionally and usually conducted at retail stores and restaurants when those operations are conducted at any retail store or restaurant or similar retail-type establishment for sale in normal retail quantities. FSIS' regulations 9 CFR 303.1(d) and 381.10(d) elaborate on the conditions under which requirements for inspection do not apply to retail operations involving the preparation or processing of meat, meat food, poultry, and poultry products.

Sales to Hotels, Restaurants, and Similar Institutions

Under these regulations, sales to hotels, restaurants, and similar institutions (other than household consumers) disqualify a store for exemption if the product sales exceed either of two maximum limits: 25 percent of the dollar value of total product sales or the calendar year dollar limitation set by the Administrator. The dollar limitation is adjusted automatically during the first quarter of the year if the Consumer Price Index (CPI), published by the Bureau of Labor Statistics, shows an increase or decrease of more than \$500 in the price of the same volume of product for the previous year. FSIS publishes a notice of the adjusted dollar limitations in the **Federal Register**. (See 9 CFR 303.1(d)(2)(iii)(b) and 381.10(d)(2)(iii)(b).)

The CPI for 2008 revealed an average annual price increase for meat and meat food products of 5.8 percent and for poultry products of 5.8 percent. When

rounded off to the nearest \$100, the price increase for meat and meat food products is \$3,300, and the price increase for poultry products is \$2,700. Because the price of meat and meat food products has increased by more than \$500, and because the price of poultry products has increased by more than \$500, FSIS is increasing the dollar limitation on sales to hotels, restaurants, and similar institutions from \$56,900 to \$60,200 for meat and meat food products and from \$46,700 to \$49,400 for poultry products for calendar year 2009, in accordance with 9 CFR 303.1(d)(2)(iii)(b) and 381.10(d)(2)(iii)(b).

Additional Public Notification

Public awareness of all segments of rulemaking and policy development is important. Consequently, in an effort to ensure that the public and in particular minorities, women, and persons with disabilities, are aware of this notice, FSIS will announce it on-line through the FSIS Web page located at http://www.fsis.usda.gov/regulations/2009_Notices_Index/index.asp.

FSIS also will make copies of this **Federal Register** publication available through the FSIS Constituent Update, which is used to provide information regarding FSIS policies, procedures, regulations, **Federal Register** notices, FSIS public meetings, and other types of information that could affect or would be of interest to our constituents and stakeholders. The Update is communicated via Listserv, a free e-mail subscription service consisting of industry, trade, and farm groups, consumer interest groups, allied health professionals, scientific professionals, and other individuals who have requested to be included. The Update also is available on the FSIS Web page. Through Listserv and the Web page, FSIS is able to provide information to a much broader, more diverse audience.

In addition, FSIS offers an e-mail subscription service which provides automatic and customized access to selected food safety news and information. This service is available at http://www.fsis.usda.gov/news_and_events/email_subscription/ Options range from recalls to export information to regulations, directives and notices. Customers can add or delete subscriptions themselves, and have the option to password protect their accounts.
