Notification to Importers

This notice also serves as a preliminary reminder to importers of their responsibility under 19 CFR 351.402(f) to file a certificate regarding the reimbursement of antidumping duties prior to liquidation of the relevant entries during this review period. Failure to comply with this requirement could result in the Secretary's presumption that reimbursement of antidumping duties occurred and the subsequent assessment of double antidumping duties.

This administrative review and notice are published in accordance with sections 751(a)(1) and 777(i)(1) of the Act and 19 CFR 351.221.

Dated: March 31, 2009.

SUPPLEMENTARY INFORMATION:

Case History

The following events have occurred since the publication of the Department's notice of initiation in the **Federal Register**. See *Commodity Matchbooks from India: Initiation of Countervailing Duty Investigation*, 73 FR 70968 (November 24, 2008) (*Initiation Notice*).

On December 10, 2008, the Department selected as mandatory respondent, Triveni Safety Matches Pvt., Ltd. (Triveni), the only producer/exporter of commodity matchbooks from India identified in the Petition during the period 2005 through 2008. The Department found no information indicating that there were other Indian producers or exporters of commodity matchbooks. See Memorandum to Barbara E. Tillman, Director, AD/CVD Operations, Office 6, "Countervailing Duty Investigation of Commodity Matchbooks from India: Respondent Identification." A public version of this memorandum is on file in the Department's Central Records Unit (CRU) in Room 1117 of the main Department building. On December 16, 2008, we issued the CVD questionnaire to the Government of India (GOI), requesting that the GOI forward the company sections of the questionnaire to the mandatory respondent company.

On December 19, 2008, the International Trade Commission (ITC) issued its affirmative preliminary determination that there is a reasonable indication that an industry in the United States is materially injured by reason of allegedly subsidized imports of commodity matchbooks from India. See *Commodity Matchbooks from India; Determinations*, 73 FR 77840 (December 19, 2008); and *Commodity Matchbooks from India (Preliminary)*, USITC Pub. 4054, Inv. Nos. 701-TA-459 and 731-TA-1155 (December 2008).

On January 7, 2009, we postponed the preliminary determination of this investigation until March 30, 2009. See *Commodity Matchbooks from India: Postponement of Preliminary Determination in the Countervailing Duty Investigation*, 74 FR 683 (January 7, 2009). We received a response from
