Abstract: To assist schools in
attracting, retaining and motivating
effective teachers and principals, in
2006 the U.S. Department of Education
launched the Teacher Incentive Fund,
which supports comprehensive
compensation reform activities
including bonus pay-for-performance
(PFP), career advancement and
professional development. The purpose
of this evaluation is to describe the
implementation of the program and its
relationship to any increases in
recruitment and retention of effective
teachers and principals. If feasible, this
evaluation will also seek to analyze
TIF's relationship to increasing student
achievement.

AGENCY: Department of Education.

SUMMARY: The Director, Information
Collection Clearance Division,
Regulatory Information Management
Services, Office of Management, invites
comments on the proposed information
collection requests as required by the
Paperwork Reduction Act of 1995.

DATES: Interested persons are invited to
submit comments on or before June 8,
2009.

SUPPLEMENTARY INFORMATION: Section
3506 of the Paperwork Reduction Act of
1995 (44 U.S.C. Chapter 35) requires
that the Office of Management and
Budget (OMB) provide interested
Federal agencies and the public an early
opportunity to comment on information
collection requests. OMB may amend or
waive the requirement for public
consultation to the extent that public
participation in the approval process
would defeat the purpose of the
information collection, violate State or
Federal law, or substantially interfere
with any agency's ability to perform its
statutory obligations. The Director,
Information Collection Clearance
Division, Regulatory Information
Management Services, Office of
Management, publishes that notice
containing proposed information
collection requests prior to submission
of these requests to OMB. Each
proposed information collection,
grouped by office, contains the
following: (1) Type of review requested,
e.g. new, revision, extension, existing or
reinstatement; (2) Title; (3) Summary of
the collection; (4) Description of the
need for, and proposed use of, the
information; (5) Respondents and
frequency of collection; and (6)
Reporting and/or Recordkeeping
burden. OMB invites public comment.

The Department of Education is
especially interested in public comment
addressing the following issues: (1) Is
this collection necessary to the proper
functions of the Department; (2) will
this information be processed and used
in a timely manner; (3) is the estimate
of burden accurate; (4) how might the
Department enhance the quality, utility,
and clarity of the information to be
collected; and (5) how might the
Department minimize the burden of this
collection on the respondents, including
through the use of information
technology.

Abstract: The Federal Perkins Loan
Master Promissory Note (MPN) is a
promissory note under which a
borrower may receive loans for a single
academic year or multiple academic
years. The adoption of the MPN in the
Perkins Loan Program has simplified the
loan process by eliminating the need for
institutions to prepare, and students to
sign, a promissory note each award year.
