Notwithstanding any other provision of this Ordinance, a Tribal liquor license is a mere permit for a fixed duration of time. A Tribal liquor license shall not be deemed a property right or vested right of any kind, and the granting of a Tribal liquor license shall not give rise to a presumption or legal entitlement to the granting of such license for a subsequent time period.

Section 108. Assignment or Transfer

No Tribal license issued under this Ordinance shall be assigned or transferred without the written approval of the Tribal Council expressed by formal resolution.

Section 109. Cancellation and Suspension

(a) In accordance with 18 U.S.C. 1161, the Tribe hereby adopts and applies as tribal law those Michigan laws, as amended, relating to the sale and regulation of alcoholic beverages encompassing the following areas: sale to a minor; sale to a visibly intoxicated individual; sale of adulterated or misbranded liquor; hours of operation; and similar substantive provisions. The tribal laws that are defined by reference to the substantive areas of Michigan laws referred to in this section shall apply in the same manner and to the same extent as such laws apply elsewhere in Michigan to off-Reservation transactions unless otherwise agreed by the Tribe and State.

(b) Whenever such Michigan laws are incorporated by reference, amendments to those laws shall also be deemed to be incorporated upon their effective date in the State of Michigan, without further action by the Tribal Council.

(c) Nothing in this Ordinance shall be construed as a consent by the Tribe to the jurisdiction of the State of Michigan or any of its courts or subordinate political subdivisions or municipalities within the Reservation over any activity arising under or related to the subject of this Ordinance, nor shall anything in this Ordinance constitute an express or implied waiver of the sovereign immunity of the Tribe.

Section 111. General Penalties

Any person adjudged to be in violation of this Ordinance, including any lawful regulation under this Ordinance, shall be subject to a civil fine of not more than five hundred dollars (\$500.00) for each such violation. Such schedule may

also provide, in the case of repeated violations, for imposition of monetary penalties greater than the five hundred dollar (\$500.00) limitation set forth above. The penalties provided for in this section shall be in addition to any criminal penalties that may be imposed under applicable law.

Section 112. Initiation of Action

Any violation of this Ordinance shall constitute a public nuisance. The Tribe may initiate and maintain an action in Tribal Court to abate and permanently enjoin any nuisance declared under this Ordinance. Any action taken under this section shall be in addition to any other penalties provided for in this Ordinance or elsewhere under Tribal or federal law. Regional Habitat Conservation Plan, Williamson County, TX

AGENCY: Fish and Wildlife Service, Department of the Interior.

ACTION: Notice of availability of record of decision.

SUMMARY: We, the U.S. Fish and Wildlife Service (Service), make available a record of decision (ROD) under the National Environmental Policy Act of 1969 (NEPA). This ROD documents our decision to select an alternative including implementation of the Williamson County Regional Habitat Conservation Plan (RHCP). Our selected action (Alternative B, described below and in the ROD) entails the issuance of a 30-year incidental take permit (ITP) to Williamson County, Texas (the County), to incidentally take golden-cheeked warbler (*Dendroica chrysoparia*), black-capped vireo (*Vireo atricapilla*), Bone Cave harvestman (*Texella reyesi*), and Coffin Cave mold beetle (*Batrissodes texanus*). The RHCP will mitigate for take by purchasing mitigation credits in an existing conservation bank and by acquiring and managing replacement habitats and additional conservation measures as specifically described in the RHCP.

FOR FURTHER INFORMATION CONTACT: Mr. Bill Seawell, U.S. Fish and Wildlife Service, 10711 Burnet Road, Suite 200, Austin, TX 78758; (512) 490-0057.

SUPPLEMENTARY INFORMATION: We, the U.S. Fish and Wildlife Service (Service), announce the availability of a ROD, which we developed in compliance with the agency decision-making requirements of the National Environmental Policy Act (NEPA) of 1969, as amended. The ROD documents our decision to select the alternative including implementation of the Williamson County Regional Habitat Conservation Plan (RHCP). We have described in detail all alternatives, and evaluated and analyzed them, in our August 2008 final environmental impact statement (FEIS) and also in our regional habitat conservation plan (RHCP). The ROD is designed to: (1) State our decision, present the rationale for its selection, and discuss its implementation; (2) identify the alternatives we considered in reaching the decision; and (3) state whether we have adopted all means to avoid or minimize environmental harm from implementation of the selected alternative in accordance with NEPA.

Based on our review of the alternatives and their environmental consequences described in our FEIS, we have decided to implement Alternative B, the Proposed RHCP (the proposed action). The selected action entails the issuance of a Section 10(a)(1)(B) incidental take permit (ITP) to Williamson County, Texas (the County), to incidentally take golden-cheeked warbler (*Dendroica chrysoparia*), black-capped vireo (*Vireo atricapilla*), Bone Cave harvestman (*Texella reyesi*), and Coffin Cave mold beetle (*Batrissodes texanus*). We refer to all four species collectively as "the covered species." The RHCP will mitigate for take of these species by purchasing mitigation credits in an existing conservation bank and by acquiring and managing, in perpetuity, replacement habitats and additional conservation measures as described specifically in the RHCP. While the County will hold the Permit, the entity that will manage the Permit will be the Williamson County Conservation Foundation (Foundation).

The term of the permit is 30 years (2008-2038). The Foundation will implement mitigation and minimization measures according to the schedule in the RHCP. By year 4 of the RHCP, the Foundation will acquire 1,000 acres of mitigation credits for golden-cheeked warbler (GCWA) in an existing conservation bank. In addition, the County will purchase GCWA habitat
