

Facility Operating License No. DPR-16 to Exelon Generation Company, LLC (the licensee), the operator of the Oyster Creek Nuclear Generating Station (OCNGS). Renewed facility operating license No. DPR-16 authorizes operation of OCNGS by the licensee at reactor core power levels not in excess of 1930 megawatts thermal, in accordance with the provisions of the OCNGS renewed license and its technical specifications.

The notice also serves as the record of decision for the renewal of Facility Operating License No. DPR-16, consistent with Title 10 of the *Code of Federal Regulations* (10 CFR), Section 51.103 "Record of Decision—General." As discussed in the final Supplemental Environmental Impact Statement (FSEIS) for OCNGS, dated January 2007, the Commission has considered a range of reasonable alternatives that included generation from oil, wind, solar, hydropower, geothermal, wood waste, municipal solid waste, other biomass-derived fuels, fuel cells, delayed retirement, conservation measures and, tidal and ocean energy. The factors considered in the record of decision can be found in the supplemental environmental impact statement for OCNGS.

OCNGS is a boiling water reactor located in Lacey Township, Ocean County, New Jersey, approximately two miles south of the community of Forked River. OCNGS was operated by AmerGen Energy Company, LLC, until January 9, 2009, when the license was transferred to Exelon Generation Company, LLC (74 FR 4777), in accordance with Section 184 of the Atomic Energy Act of 1954, as amended, and 10 CFR Section 50.80, "Transfer of Licenses." The application for the renewed license complied with the standards and requirements of the Atomic Energy Act of 1954 (the Act), as amended, and the Commission's regulations. As required by the Act and the Commission's regulations in 10 CFR Chapter I, the Commission has made appropriate findings, which are set forth in the license. Prior public notice of the action involving the proposed issuance of the renewed license and of an opportunity for a hearing regarding the proposed issuance of the renewed license was published in the **Federal Register** on September 15, 2005 (70 FR 54585).

Postal Service filing. On April 9, 2009, the Postal Service filed a Notice of Errata to United States Postal Service Notice of Changes in Rates of General Applicability for Competitive Products Established in Governors' Decision No. 09-01 (Notice).³ The Notice explains that the price charts in the Mail Classification Schedule language included as Attachment B to the Governors' Decision omitted charges for Pickup on Demand service for certain competitive products. The Postal Service states that the price change from \$14.75 to \$15.30 for Pickup on Demand for Express Mail, Priority Mail, and certain international competitive products was inadvertently omitted in the materials included in the Filing, although the same price change was made for certain market dominant services that offer Pickup on Demand service in Docket No. R2009-2.

The Postal Service notes that it has sent a notice of correction for publication in the **Federal Register**, and has advised the Governors of this matter

Change in Rates of General Applicability for Competitive Products; Correction

AGENCY: Postal Service™.

ACTION: Notice; correction.

SUMMARY: The Postal Service published in the **Federal Register** of February 24, 2009 (74 FR 8434), in accordance with 39 U.S.C. 3632(b)(2), a Notice document providing the February 3, 2009 Decision of the Governors of the United States Postal Service on Changes in Rates and Classes of General Applicability for Certain Competitive Products (Governors Decision No. 09–01), and a record of the proceedings in connection with the Decision. The Decision did not include planned increases to pickup on demand fees for Express Mail®, Priority Mail®, GXG, Express Mail International (EMI), and Priority Mail International (PMI) services to conform to the change in the Pickup on Demand™ service fee for Parcel Post® Single-Piece, which was raised in Postal Regulatory Commission Docket No. R2009–2 from \$14.75 to \$15.30. This document accordingly sets forth a correction to the prior notice to give effect to the planned change in Pickup on Demand fees for competitive services, to include Express Mail, Priority Mail, GXG, EMI, and PMI services.

DATES: This correction is effective April 20, 2009 and is applicable on May 11, 2009.

FOR FURTHER INFORMATION CONTACT: Anthony Alverno, 202–268–2997.

SUPPLEMENTARY INFORMATION:

Background

On February 3, 2009, the Governors of the Postal Service established prices and classification changes for competitive products, pursuant to their authority under 39 U.S.C. 3632. On February 24, 2009, the Governors' Decision and the record of proceedings in connection

with the Decision were published in the **Federal Register** as required by 39 U.S.C. 3632(b)(2). Following the adoption of the Governors' Decision, it was discovered that pickup on demand fees for Express Mail, Priority Mail, GXG, EMI, and PMI services set out in sections 2105.6, 2110.6, 2205.6, and 2215.7 of the Mail Classification Schedule were not identified as increasing from \$14.75 to \$15.30. This increase in the fee when combined with these services conforms to the increase in fees for Pickup on Demand service provided in connection with Parcel Post Single-Piece service. The fee for Pickup on Demand provided in connection with Parcel Post Single-Piece was changed in Postal Regulatory Commission (PRC) Docket No. R2009–2 at section 1405.6 of the Mail Classification Schedule and is to become effective on May 11, 2009. See United States Postal Service Notice of Price Adjustment, PRC Docket No. R2009–2 (filed February 10, 2009); PRC Order No. 191 (March 16, 2009).¹

Postal Service management has advised the Governors of this matter and has provided them with information concerning the corrected fees. Concurrently with the submission of this notice to the **Federal Register**, the Postal Service will file with the PRC a corresponding notice of correction in PRC Docket No. CP2009–23.

Need for Correction

The rates for Pickup on Demand service in sections 2105.6, 2110.6, 2205.6, and 2215.7 of the Mail Classification Schedule, attached to Governors' Decision No. 09–01, did not incorporate the correct fees for pickup on demand services combined with Express Mail, Priority Mail, GXG, Express Mail International (EMI), and Priority Mail International (PMI) services.

Correction

Corrections to the Mail Classification Schedule, which is marked as Attachment B to Governors' Decision 09–01, published in the **Federal Register** of February 24, 2009, should read as follows:
