Notification to Importers

This notice serves as a final reminder to importers for whom this review is being rescinded, of their responsibility under 19 CFR 351.402(f) to file a certificate regarding reimbursement of antidumping duties prior to liquidation of the relevant entries during this review period. Failure to comply with this requirement could result in the Secretary's presumption that reimbursement of antidumping duties occurred and the subsequent assessment of double antidumping duties.

Notification Regarding Administrative Protective Orders

This notice serves as a reminder to parties subject to administrative protective order (APO) of their responsibility concerning the disposition of proprietary information disclosed under APO in accordance with 19 CFR 351.305(a)(3). Timely written notification of the return or destruction of APO materials or conversion to judicial protective order is hereby requested. Failure to comply with the regulations and terms of an APO is a sanctionable violation.

This notice is published in accordance with sections 751(a)(1) and 777(i)(1) of the Tariff Act of 1930, as amended, and 19 CFR 351.213(d)(4).

SUPPLEMENTARY INFORMATION:

Background

The Department of Commerce ("the Department") published an antidumping duty order on wooden bedroom furniture ("WBF") from the People's Republic of China ("PRC") on January 4, 2005. See *Notice of Amended Final Determination of Sales at Less Than Fair Value and Antidumping Duty Order: Wooden Bedroom Furniture From the People's Republic of China*, 70 FR 329 (January 4, 2005). On March 7, 2008, the Department published notices of the initiation of the antidumping duty administrative review and new shipper reviews of WBF from the PRC for the period January 1, 2007, through December 31, 2007. See *Notice of Initiation of Administrative Review of the Antidumping Duty Order on Wooden Bedroom Furniture From the People's Republic of China*, 73 FR 12387 (March 7, 2008) and *Wooden Bedroom Furniture From the People's Republic of China: Initiation of New Shipper Reviews*, 73 FR 12392 (March 7, 2008). On August 22, 2008, the Department aligned the deadlines and the time limits of the new shipper reviews with the administrative review. See Memorandum to the File "Wooden Bedroom Furniture from the People's Republic of China: Alignment of the 1/1/2007 - 12/31/2007 Annual Administrative Review and the 1/1/2007 - 12/31/2007 New Shipper Review," dated August 22, 2008. On February 9, 2009, the Department published the preliminary results of the administrative review and the new shipper reviews. See *Wooden Bedroom Furniture From the People's Republic of China: Preliminary Results of Antidumping Duty Administrative and New Shipper Reviews and Partial Rescission of Review*, 74 FR 6372 (February 9, 2009). The final results of the administrative and new shipper reviews are currently due no later than June 9, 2009.

Extension of Time Limit of Final Results

Section 751(a)(3)(A) of the Tariff Act of 1930, as amended ("the Act"), requires the Department to issue the final results of an administrative review within 120 days after the date on which the preliminary results are published. However, if it is not practicable to

complete the review within this time period, section 751(a)(3)(A) of the Act allows the Department to extend the time period to a maximum of 180 days. Completion of the final results of these reviews within the 120-day period is not practicable because the Department will conduct verification in the administrative review and one new shipper review after publication of the preliminary results and, therefore, needs additional time to complete verification reports, to provide an opportunity for comments by interested parties, and to analyze these comments by interested parties on the preliminary results and verification reports, and analyze information gathered at verification. Because it is not practicable to complete these reviews within the time specified under the Act, we are fully extending the time period for issuing the final results of the administrative and new shipper reviews in accordance with section 751(a)(3)(A) of the Act. Therefore, the final results will be due August 8, 2009, which is 180 days from publication of the preliminary results. Because August 8, 2009, falls on a Saturday, however, the final results are now due on the next business day, Monday, August 10, 2009. This notice is published pursuant to sections 751(a) and 777(i) of the Act.

Dated: April 13, 2009.

John M. Andersen,

Acting Deputy Assistant Secretary for Antidumping and Countervailing Duty Operations.
