Posttraumatic Stress Disorder Nomenclature Changes

AGENCY: Department of Veterans Affairs.

ACTION: Final rule.

SUMMARY: This document amends the Department of Veterans Affairs (VA) regulations by making nonsubstantive changes. These changes are made for clarity and accuracy.

DATES: *Effective Date:* These amendments are effective April 23, 2009.

FOR FURTHER INFORMATION CONTACT:

William F. Russo, Director, Regulations Management (02REG), Department of Veterans Affairs, 810 Vermont Avenue, NW., Washington, DC 20420, (202) 461-7566. (This is not a toll-free number).

SUPPLEMENTARY INFORMATION: VA is amending its regulations which contain the term “post-traumatic stress disorder” by changing that term to “posttraumatic stress disorder”. We have chosen to use the term “posttraumatic stress disorder” because it has become the standard term used by psychiatric professionals. See *Diagnostic and Statistical Manual of Mental Disorders* (4th ed.1994) (published by the American Psychiatric Association); see also *Merck Manual of Medical Information* (2nd edition 2003); and *Dorland’s Illustrated Medical Dictionary* (31st edition 2007). No substantive changes are intended by these amendments.

Administrative Procedure Act

This final rule consists of nonsubstantive changes and, therefore, is not subject to the notice and comment and effective date provisions of 5 U.S.C. 553.

Unfunded Mandates

The Unfunded Mandates Reform Act requires, at 2 U.S.C. 1532, that agencies prepare an assessment of anticipated costs and benefits before issuing any rule that may result in an expenditure by State, local, or tribal governments, in the aggregate, or by the private sector of \$100 million or more in any given year.

This final rule would have no such effect on State, local, or tribal governments, or on the private sector.

Paperwork Reduction Act

This document contains no provisions constituting a collection of information under the Paperwork Reduction Act (44 U.S.C. 3501-3521).

Regulatory Flexibility Act

The Secretary hereby certifies that this regulatory amendment will not have a significant economic impact on a substantial number of small entities as they are defined in the Regulatory Flexibility Act, 5 U.S.C. 601-612. This amendment merely consists of nonsubstantive changes. Therefore, pursuant to 5 U.S.C. 605(b), this amendment is exempt from the initial and final regulatory flexibility analysis requirements of sections 603 and 604.
