SUPPLEMENTARY INFORMATION:**Abstract**

Office of Management and Budget (OMB) regulations at 5 CFR 1320, which implement the Paperwork Reduction Act of 1995 (Pub. L. 104–13), require that interested members of the public and affected agencies have an opportunity to comment on information collection and recordkeeping activities (see 5 CFR 1320.8(d)). This notice identifies an information collection activity that the Office of Conservation, Partnerships & Management Policy has submitted to OMB for approval for the Department and its bureaus to collect information from proposed donors relative to their relationship(s) with the

Department. The Department and its individual bureaus all have gift acceptance authority. In support of the variety of donation authorities in the Department and increasing numbers of donations, it is the policy of the Department to ask those proposing to donate gifts valued at \$25,000 or more to provide information regarding their relationship with the Department. The purpose of this policy is to ensure that the acceptance of a gift does not create legal or ethical issues for the Department, its bureaus, or potential donors. The information will be gathered through the use of a new form.

If this information were not collected from the prospective donor, the Department will have to collect the information. The information will be scattered throughout the Department. With eight major bureaus, 2,500 locations and 70,000 employees, it is not possible to collect the information about a particular donor in a timely manner to respond to a proposed donation. Having the donor certify his interactions with the Department gives the staff reviewing the proposed donation basic information.

II. Method of Collection

Individuals notifying the Department or one of its bureaus of a proposed offer of a gift valued at \$25,000 or higher will be asked to submit a form listing several items of basic information.
