Policies and Practices for Storing, Retrieving, Accessing, Retaining, and Disposing of Records in the System

Storage: Census paper questionnaires are converted into electronic format at NPC and stored locally on NPC servers. Electronic copies are transmitted to NASS servers located at NITC for storage and processing. Data backups are stored on magnetic tapes.

Retrievability: Data are retrieved by unique identification numbers internal to the agency.

Safeguards: All NASS employees are required to sign a pledge of confidentiality that carries severe legal penalties for violating the pledge. NASS employs physical security controls, logical access controls, technological controls, auditing, and monitoring of controls. Paper questionnaires at NPC are stored inside secured spaces. Magnetic backup tapes stored at NITC and NPC are secured within areas to which access is limited to authorized personnel only. The NASS Memorandums of Understanding with NPC and NITC contain provisions for (1) network data confidentiality, integrity, and availability, and (2) physical security.

Retention and Disposal: Retention and disposal practices are in accordance with approved National Archives and Records Administration schedules.

System Manager(s) and Address: Director, Census and Survey Division, National Agricultural Statistics Service, 1400 Independence Avenue, SW., Washington, DC 20250.

Notification Procedure: Any individual may request information as to whether the system contains records pertaining to him or her by contacting the system manager at the address specified above. The request for information should contain name,

address, system of records name, and year that the Census of Agriculture questionnaire was completed.

Record Access Procedures: Same as notification procedure.

Contesting Record Procedures: Any individual may obtain information as to the procedures for contesting a record in this system which pertains to him or her by submitting a request to the system manager specified above.

Record Source Categories: Information in this system comes solely from responding farmers and ranchers.

Exemptions Claimed for the System: None.

National Agricultural Statistics Service

Notice of Intent To Suspend the Distiller's Grains Survey and Reports

AGENCY: National Agricultural Statistics Service, USDA.

ACTION: Notice of suspension of data collection and publication.

SUMMARY: This notice announces the intention of the National Agricultural Statistics Service (NASS) to suspend a currently approved information collection, the Distiller's Grains Survey, and its associated publication.

FOR FURTHER INFORMATION CONTACT: Joseph T. Reilly, Associate Administrator, National Agricultural Statistics Service, U.S. Department of Agriculture, (202) 720-4333.

SUPPLEMENTARY INFORMATION:

Title: Distiller's Grains Survey.

OMB Control Number: 0535-0247.

Expiration Date of Approval: August 31, 2009.

Type of Request: To suspend a currently approved information collection.

Abstract: The primary objective of the National Agricultural Statistics Service is to prepare and issue State and national estimates of crop and livestock production, disposition, and prices. The Distiller's Grains Survey was conducted as a one time only survey to gather information for establishing a baseline measure of the current usage of distiller's grains and identify any barriers hindering livestock producers from utilizing distiller's grains and other ethanol by-products in their feed rations. NASS will suspend this information collection as of April 27, 2009 due to the completion of the survey.

Authority: These data were collected under authority of 7 U.S.C. 2204(a). Individually identifiable data collected under this authority are governed by Section 1770 of the Food Security Act of 1985, 7 U.S.C. 2276, which requires USDA to afford strict confidentiality to non-aggregated data provided by respondents.

Estimate of Burden: There will be no further public reporting burden for this collection of information.

Signed at Washington, DC, March 27, 2009.

Joseph T. Reilly,

Associate Administrator.
