All comments and submissions should be submitted to Barbara E. Tillman, Director, AD/CVD Operations, Office 6; Subject: Application of the Countervailing Duty Law to Imports from the Socialist Republic of Vietnam: Request for Comment; Room 1870, U.S. Department of Commerce, 14th Street and Constitution Avenue, NW, Washington, DC.

Respondent Selection

For this investigation, the Department intends to select respondents based on U.S. Customs and Border Protection (CBP) data for U.S. imports under Harmonized Tariff Schedule of the United States (HTSUS) number 3923.21.0085 during the POI (*i.e.*, calendar year 2008). We intend to release the CBP data under Administrative Protective Order (APO) to all parties with access to information protected by APO within five days of the announcement of the initiation of this investigation. Interested parties may submit comments regarding the CBP data and respondent selection within seven calendar days of publication of this notice. We intend to make our decision regarding respondent selection within 20 days of publication of this notice.

Interested parties must submit applications for disclosure under APO in accordance with 19 CFR 351.305. Instructions for filing such applications may be found on the Department's website at <http://ia.ita.doc.gov/apo>.

Distribution of Copies of the Petition

In accordance with section 702(b)(4)(A)(i) of the Act, copies of the public versions of the Petition and amendments thereto have been provided to the GOV. To the extent practicable, we will attempt to provide a copy of the public version of the Petition to each exporter named in the Petition, as provided under 19 CFR 351.203(c)(2).

ITC Notification

We have notified the ITC of our initiation, as required by section 702(d) of the Act.

Preliminary Determination by the ITC

The ITC will preliminarily determine, by no later than May 15, 2009, whether there is a reasonable indication that imports of subsidized PRCBs from Vietnam materially injure, or threaten material injury to, a U.S. industry. See section 703(a)(2) of the Act. A negative ITC determination will result in the

investigation being terminated; see section 703(a)(1) of the Act. Otherwise, the investigation will proceed according to statutory and regulatory time limits.

This notice is issued and published pursuant to section 777(i) of the Act.

Dated: April 20, 2009.

Ronald K. Lorentzen,

Acting Assistant Secretary for Import Administration.

ATTACHMENT

Scope of the Investigation

The merchandise subject to this investigation is polyethylene retail carrier bags (PRCBs), which also may be referred to as t-shirt sacks, merchandise bags, grocery bags, or checkout bags. The subject merchandise is defined as non-sealable sacks and bags with handles (including drawstrings), without zippers or integral extruded closures, with or without gussets, with or without printing, of polyethylene film having a thickness no greater than 0.035 inch (0.889 mm) and no less than 0.00035 inch (0.00889 mm), and with no length or width shorter than 6 inches (15.24 cm) or longer than 40 inches (101.6 cm). The depth of the bag may be shorter than 6 inches but not longer than 40 inches (101.6 cm).

PRCBs are typically provided without any consumer packaging and free of charge by retail establishments, *e.g.*, *grocery, drug, convenience, department, specialty retail, discount stores, and restaurants to their customers to package and carry their purchased products*. The scope of this investigation excludes (1) polyethylene bags that are not printed with logos or store names and that are closeable with drawstrings made of polyethylene film and (2) polyethylene bags that are packed in consumer packaging with printing that refers to specific end-uses other than packaging and carrying merchandise from retail establishments, *e.g.*, *garbage bags, lawn bags, trash-can liners*.

Imports of merchandise included within the scope of this investigation are currently classifiable under statistical category 3923.21.0085 of the Harmonized Tariff Schedule of the United States (HTSUS). This subheading may also cover products that are outside the scope of this investigation. Furthermore, although the HTSUS subheading is provided for convenience and customs purposes, the written description of the scope of this investigation is dispositive.
