

products (HCT/Ps) that are recovered from the reproductive system or gestational tissues (e.g., amniotic membrane and placenta, cells recovered from menstrual blood, foreskin, placental/umbilical cord blood derived cell products), or other sources. In the afternoon, in open session, the Committee will discuss animal models for porcine xenotransplantation products intended to treat Type 1 diabetes or acute liver failure. On May 15, in open session, the Committee will: (1) Receive an update on Guidance documents from the Office of Cellular, Tissue and Gene Therapies, Center for Biologics Evaluation and Research and the Center for Veterinary Medicine and (2) discuss clinical issues related to the FDA draft guidance "Preparation of IDEs and INDs for Products Intended to Repair or Replace Knee Cartilage."

FDA intends to make background material available to the public no later than 2 business days before the meeting. If FDA is unable to post the background material on its Web site prior to the meeting, the background material will be made publicly available at the location of the advisory committee meeting, and the background material will be posted on FDA's Web site after the meeting. Background material is available at <http://www.fda.gov/ohrms/dockets/ac/acmenu.htm>, click on the year 2009 and scroll down to the appropriate advisory committee link.

Procedure: Interested persons may present data, information, or views, orally or in writing, on issues pending before the committee. Written submissions may be made to the contact person on or before May 7, 2009. Oral presentations from the public will be scheduled on May 14 between approximately 11 a.m. and 11:20 a.m. and between approximately 2 p.m. and 2:20 p.m. and on May 15 between approximately 10 a.m. and 10:20 a.m. Those desiring to make formal oral presentations should notify the contact person and submit a brief statement of the general nature of the evidence or arguments they wish to present, the names and addresses of proposed participants, and an indication of the approximate time requested to make their presentation on or before May 6, 2009. Time allotted for each presentation may be limited. If the number of registrants requesting to speak is greater than can be reasonably accommodated during the scheduled open public hearing session, FDA may conduct a lottery to determine the speakers for the scheduled open public hearing session. The contact person will notify interested persons regarding their request to speak by May 7, 2009.

Persons attending FDA's advisory committee meetings are advised that the agency is not responsible for providing access to electrical outlets.

FDA welcomes the attendance of the public at its advisory committee meetings and will make every effort to accommodate persons with physical disabilities or special needs. If you require special accommodations due to a disability, please contact Gail Dapolito at least 7 days in advance of the meeting.

FDA is committed to the orderly conduct of its advisory committee meetings. Please visit our Web site at <http://www.fda.gov/oc/>
