FEDERAL HOUSING FINANCE AGENCY

12 CFR Part 1282

RIN 2590-AA25

2009 Enterprise Transition Affordable Housing Goals

AGENCY: Federal Housing Finance Agency.

ACTION: Proposed rule.

SUMMARY: Section 1128(b) of the Housing and Economic Recovery Act of 2008 (HERA) transferred the authority to establish, monitor and enforce the affordable housing goals for the Federal National Mortgage Association (Fannie Mae) and the Federal Home Loan Mortgage Corporation (Freddie Mac) (collectively, Enterprises) from the Department of Housing and Urban Development (HUD) to the Federal Housing Finance Agency (FHFA). Section 1128(b) further provides that the annual housing goals in effect for 2008 as established by HUD shall remain in effect for 2009, except that the Director of FHFA shall review such goals to determine their feasibility given current market conditions, and make appropriate adjustments consistent with such market conditions. Pursuant to this directive, FHFA has analyzed current market conditions and is issuing and seeking comments on a proposed rule that would adjust the affordable housing goal and home purchase subgoal levels for the Enterprises for 2009. The proposed rule would also permit loans owned or guaranteed by an Enterprise that are modified in accordance with the Administration's Homeowner Affordability and Stability Plan announced on March 4, 2009, to be treated as mortgage purchases and count for purposes of the housing goals. In addition, the proposed rule would exclude purchases of jumbo conforming loans from counting towards the 2009 housing goals. FHFA's housing goals regulation would be set forth in new part 1282 of FHFA's regulations, and would be generally consistent with the housing goals provisions previously established by HUD in 24 CFR part 81, except as modified herein. Pursuant to section 1302 of HERA and 12 U.S.C. 4603, to the extent FHFA is adopting provisions from part 81 in new part 1282, those provisions in part 81 will no longer be in effect.
