Summary of Information Collection

This requirement provides for the collection of information related to providing Government property to contractors; contractor use and management of Government property; and reporting, redistribution, and disposal of contractor inventory.

a. DFARS 245.405(1) requires contractors to obtain contracting officer approval before using Government production and research property on work for foreign governments or international organizations.

b. DFARS 245.603-70(c) requires contractors that perform plant clearance duties to ensure that inventory schedules are satisfactory for storage or removal purposes. Contractors may use DD Form 1637 for this function.

c. DFARS 245.606-70 requires contractors to use DD Form 1342 to

prepare a list of excess industrial plant equipment for submission to the Government property administrator.

d. DFARS 245.607-1(a)(i) permits contractors to request a pre-inventory scrap determination, made by the plant clearance officer after an on-site survey, if inventory is considered without value except for scrap.

e. DFARS 245.7101-2 permits contractors to use DD Form 1149 for transfer and donation of excess contractor inventory.

f. DFARS 245.7101-4 requires contractors to use DD Form 1640 to request plant clearance assistance or to transfer plant clearance.

g. DFARS 245.7303 and 245.7304 require contractors to use invitations for bid for the sale of surplus contractor inventory.

h. DFARS 245.7308(a) requires contractors to send certain information to the Department of Justice and the General Services Administration when the contractor sells or otherwise disposes of inventory with an estimated fair market value of \$3 million or more, or disposes of any patents, processes, techniques or inventions, regardless of cost.

i. DFARS 245.7310-7 requires a purchaser of scrap to represent and warrant that the property will be used only as scrap. The purchaser also must sign DD Form 1639.

j. DFARS 211.274 requires contractors to electronically submit, to the Item Unique Identification (IUID) Registry, the IUID data applicable to Government property in the contractor's possession.

DEPARTMENT OF EDUCATION

Notice of Proposed Information Collection Requests

AGENCY: Department of Education.

SUMMARY: The Director, Information Collection Clearance Division, Regulatory Information Management Services, Office of Management, invites comments on the proposed information collection requests as required by the Paperwork Reduction Act of 1995.

DATES: Interested persons are invited to submit comments on or before July 6, 2009.

SUPPLEMENTARY INFORMATION: Section 3506 of the Paperwork Reduction Act of 1995 (44 U.S.C. Chapter 35) requires that the Office of Management and

Budget (OMB) provide interested Federal agencies and the public an early opportunity to comment on information collection requests. OMB may amend or waive the requirement for public consultation to the extent that public participation in the approval process would defeat the purpose of the information collection, violate State or Federal law, or substantially interfere with any agency's ability to perform its statutory obligations. The Director, Information Collection Clearance Division, Regulatory Information Management Services, Office of Management, publishes that notice containing proposed information collection requests prior to submission of these requests to OMB. Each proposed information collection, grouped by office, contains the following: (1) Type of review requested, e.g. new, revision, extension, existing or reinstatement; (2) Title; (3) Summary of the collection; (4) Description of the need for, and proposed use of, the information; (5) Respondents and frequency of collection; and (6) Reporting and/or Recordkeeping burden. OMB invites public comment.

The Department of Education is especially interested in public comment addressing the following issues: (1) Is this collection necessary to the proper functions of the Department; (2) will this information be processed and used in a timely manner; (3) is the estimate of burden accurate; (4) how might the Department enhance the quality, utility, and clarity of the information to be collected; and (5) how might the Department minimize the burden of this collection on the respondents, including through the use of information technology.

Dated: April 29, 2009.

Angela C. Arrington,

Director, Information Collection Clearance Division, Regulatory Information Management Services, Office of Management.
