AGENCY: Center for Medicare and Medicaid Services, HHS.

In compliance with the requirement of section 3506(c)(2)(A) of the Paperwork Reduction Act of 1995, the Centers for Medicare and Medicaid Services (CMS), Department of Health and Human Services, is publishing the following summary of proposed collections for public comment. Interested persons are invited to send comments regarding this burden estimate or any other aspect of this collection of information, including any of the following subjects: (1) The necessity and utility of the proposed information collection for the proper performance of the agency's functions; (2) the accuracy of the estimated burden; (3) ways to enhance the quality, utility, and clarity of the information to be collected; and (4) the use of automated collection techniques or other forms of information technology to minimize the information collection burden.

We are, however, requesting an emergency review of the information collection referenced below. In compliance with the requirement of section 3506(c)(2)(A) of the Paperwork Reduction Act of 1995, we have submitted to the Office of Management and Budget (OMB) the following requirements for emergency review. We are requesting an emergency review because the collection of this information is needed before the expiration of the normal time limits under OMB's regulations at 5 CFR Part 1320(a)(2)(iii). This is necessary to

ensure compliance with an initiative of the Administration. If CMS were to comply with the normal clearance procedures, it would not be able to implement its expedited review program on a timely basis as required by the American Recovery and Reinvestment Act of 2009 (ARRA) section 3001(a)(5).

1. *Type of Information Collection Request:* New collection; *Title of Information Collection:* Request for Expedited Review of Denial of Premium Assistance *Use:* Section 3001 of the ARRA provides "Assistance Eligible Individuals" with the right to pay reduced COBRA premiums. If individuals request treatment as an assistance eligible individual and are denied such treatment because of their ineligibility for the reduced premium assistance, the Secretary of Health and Human Services must provide for expedited review of the denial upon application to the Secretary in the form and manner the Secretary provides. The Secretary is required to make a determination within 15 business days after receipt of an individual's application for review.

The *Request for Expedited Review of Denial of Premium Assistance* (the "Application") is the form that will be used by individuals to file their expedited review appeals. Such individuals must complete all information requested on the Application in order to file their review requests with CMS. An Application may be denied if sufficient information is not provided. *Form Number:* CMS–10285 (OMB#: 0938–New); *Frequency:* Reporting—Once; *Affected Public:* Individuals or Households; *Number of Respondents:* 12,000 *Total Annual Responses:* 12,000; *Total Annual Hours:* 12,000. Health Resources and Services Administration

Agency Information Collection Activities Under Emergency Review for the Office of Management and Budget (OMB)

The Health Resources and Services Administration (HRSA) has submitted the following request (see below) for emergency OMB review under the Paperwork Reduction Act (44 U.S.C. Chapter 35). OMB approval has been requested upon publication of this notice for 120 days and the approval foregoes the routine comment period. During the emergency approval period, HRSA will publish a **Federal Register** notice announcing the initiation of a broad 60-day public comment period and begin the process for a routine information collection request. To request more information on the proposed project or to obtain a copy of the data collection plans and draft instruments, e-mail paperwork@hrsa.gov or call the HRSA Reports Clearance Officer on (301) 443-1129.

Proposed Project: HRSA/Bureau of Primary Health Care Capital Improvement Program Application Electronic Health Records (EHR) Readiness Checklist (NEW)

The American Recovery and Reinvestment Act (ARRA) provides \$1.5 billion in grants to support construction, renovation and equipment, and the acquisition of health information technology systems, for health centers, including health center controlled networks receiving operating grants under section 330 of the Public Health Service (PHS) Act, as amended (42 U.S.C. 254b). HRSA is requesting emergency processing procedures for the Electronic Health Records (EHR) Readiness Checklist portion of the application because this information is needed before the expiration of the normal time limits under regulations at 5 CFR part 1320 to ensure the timely availability of data to make award determinations for receipt of funds under ARRA. Of the \$1.5 billion, HRSA will award approximately \$850 million, through limited competition grants, for one-time Capital Improvement Program (CIP) grant funding in fiscal year (FY) 2009 to support existing section 330 funded health centers. Funding under this opportunity will address pressing capital improvement needs in health centers, such as construction, repair, renovation, and equipment purchases, including health information technology systems. Applicants must provide information using the EHR Readiness Checklist that demonstrates comprehensive planning and readiness for implementing EHRs.

The estimated annual burden is as follows:

Form	Number of respondents	Responses per respondent	Total responses	Hours per response	Total burden hours
EHR Readiness Checklist	568	1	568	.25	568
Total	568	568	568

Dated: April 29, 2009.
