## DEPARTMENT OF HOMELAND SECURITY

### Office of the Secretary; Published Privacy Impact Assessments on the Web

**AGENCY:** Privacy Office, DHS.

**ACTION:** Notice of Publication of Privacy  
Impact Assessments.

**SUMMARY:** The Privacy Office of the  
Department of Homeland Security is  
making available four Privacy Impact  
Assessments on various programs and  
systems in the Department. These  
assessments were approved and  
published on the Privacy Office's Web  
site between January 1, 2009, and March  
31, 2009.

**DATES:** The Privacy Impact Assessments  
will be available on the DHS Web site  
until July 6, 2009, after which they may  
be obtained by contacting the DHS  
Privacy Office (contact information  
below).

**FOR FURTHER INFORMATION CONTACT:**  
Mary Ellen Callahan, Chief Privacy  
Officer, Department of Homeland  
Security, Washington, DC 20528, or e-  
mail: [pia@dhs.gov](mailto:pia@dhs.gov).

**SUPPLEMENTARY INFORMATION:** Between  
January 1, 2009, and March 31, 2009,  
the Chief Privacy Officer of the  
Department of Homeland Security  
(DHS) approved and published four  
Privacy Impact Assessments (PIAs) on  
the DHS Privacy Office Web site,  
<http://www.dhs.gov/privacy>, under the  
link for "Privacy Impact Assessments."  
These PIAs cover four separate DHS  
programs. Below is a short summary of  
those programs, indicating the DHS  
component responsible for the system,  
and the date on which the PIA was  
approved. Additional information can  
be found on the Web site or by  
contacting the Privacy Office.

**System:** Correspondence Handling  
and Management Planning System.

**Component:** U.S. Citizenship and  
Immigration Services.

**Date of approval:** January 13, 2009.

The U.S. Citizenship and Immigration  
Service (USCIS), Texas Service Center  
developed the Correspondence  
Handling and Management Planning  
System (CHAMPS). The CHAMPS  
system is designed to facilitate  
workflow management, production  
evaluation, and time and attendance

functions. USCIS conducted this PIA  
because CHAMPS collects and uses  
personally identifiable information (PII).  
**System:** Directory Services and Email  
System.

**Component:** DHS Wide.

**Date of approval:** January 14, 2009.

The U.S. Coast Guard manages and  
operates the Directory Services  
Electronic Mail System (DSES). DSES  
currently handles all e-mail traffic in,  
out, and between DHS, its Components,  
and the Internet, and provides a  
directory of users' official contact  
information. This PIA was conducted to  
assess the risks associated with the  
processing, storage, and transmission of  
PII within the DSES system.

**System:** Maryland 3.

**Component:** Transportation Security  
Administration.

**Date of approval:** February 20, 2009.

The Transportation Security  
Administration (TSA) conducts name-  
based Security Threat Assessments  
(STA) and fingerprint-based Criminal  
History Records Checks (CHRCs) on  
pilots who operate aircraft and apply for  
privileges to fly to or from the three  
General Aviation airports in the  
Washington, DC restricted flight zones  
(Potomac Airfield, Washington  
Executive/Hyde Field, and College Park  
Airport), otherwise known as the  
Maryland Three (MD-3) program, and  
for the Airport Security Coordinator  
(ASC) at a MD-3 airport. For the STA  
process, TSA compares the biographical  
information of these pilots and ASCs,  
hereafter referred to as individuals,  
against Federal terrorist, immigration,  
and law enforcement databases. For the  
CHRC, TSA forwards the fingerprints to  
the Federal Bureau of Investigation,  
which conducts fingerprint-based  
CHRCs on individuals.

**System:** Department of Homeland  
Security General Contact List.

**Component:** DHS Wide.

**Date of approval:** March 27, 2009.

Many DHS operations and projects  
collect a minimal amount of contact  
information in order to distribute  
information and perform various other  
administrative tasks. Department  
Headquarters conducted this PIA  
because contact lists contain PII. The  
Department added the following  
systems to this PIA:

- National Protection and Programs  
Directorate Vehicle-Borne Explosive  
Device (VBIED) Training.

- U.S. Coast Guard 2009 World  
Maritime Day Parallel Event.

- Transportation Security  
Administration Inquiry Management  
System (IMS).

- Science and Technology Project  
Execution System.

- Science and Technology Multi-  
Band Radio Project.

- United States Citizenship and  
Immigration Services Teachers of  
English to Speakers of Other Languages  
(TESOL) Conference Booth Follow Up  
List.

- DHS Sunflower Asset Management  
System (SAMS).

- United States Citizenship and  
Immigration Services Customer Service  
Portal Alert by Mail.

- United States Citizenship and  
Immigration Services Customer Service  
Portal Forms by Mail.

- U.S. Coast Guard Navigation  
Systems Information Dissemination  
Network (NSIDN).

- U.S. Coast Guard List Server  
(CGLS).

Dated: April 28, 2009.

**Mary Ellen Callahan,**  
Chief Privacy Officer, Department of  
Homeland Security.

## DEPARTMENT OF HOMELAND SECURITY

### U.S. Citizenship and Immigration Services

#### Agency Information Collection Activities: Form I-140, Revision of a Currently Approved Information Collection; Comment Request

**ACTION:** 60-Day Notice of Information  
Collection Under Review: Form I-140,  
Immigrant Petition for Alien Worker;  
OMB Control Number 1615-0015.

The Department of Homeland  
Security, U.S. Citizenship and  
Immigration Services (USCIS), has  
submitted the following information  
collection request for review and  
clearance in accordance with the  
Paperwork Reduction Act of 1995. The  
information collection is published to  
obtain comments from the public and  
affected agencies. Comments are  
encouraged and will be accepted for  
sixty days until July 6, 2009.

Written comments and suggestions  
regarding items contained in this notice,  
and especially with regard to the  
estimated public burden and associated  
response time should be directed to the  
Department of Homeland Security  
(DHS), USCIS, Chief, Regulatory  
Products Division, 111 Massachusetts  
Avenue, NW., Washington, DC 20529-  
2210. Comments may also be submitted  
to DHS via facsimile to 202-272-8352,  
or via e-mail at [rfs.regs@dhs.gov](mailto:rfs.regs@dhs.gov). When  
submitting comments by e-mail, please
