

collecting claims, and managing other claim activity.

Need and Use of the Information: The Food and Nutrition Service (FNS) will collect information on the outstanding aggregate claim balance; claims established; collections; any balance and collection adjustments; and the amount to be retained for collecting non-agency error claims. The information will be used by State agencies to ascertain aggregate claim balance and collections for determining overall performance, the collection amounts to return to FNS, and claim retention amounts. FNS will receive collections and report collection activity to Treasury. If this data is collected less often than quarterly, it would delay the Federal collection of the Federal share of the State agency's collections. FNS would not be able to effectively monitor the collection and recovery of program funds or protect the integrity of the program.

Description of Respondents: State, Local or Tribal Government.

DEPARTMENT OF COMMERCE

Submission for OMB Review; Comment Request

The Department of Commerce will submit to the Office of Management and Budget (OMB) for clearance the following proposal for collection of information under the provisions of the Paperwork Reduction Act (44 U.S.C. Chapter 35).

Agency: National Oceanic and Atmospheric Administration (NOAA).

Title: StormReady, TsunamiReady and StormReady/TsunamiReady Application Forms.

OMB Control Number: 0648-0419.

Form Number(s): None.

Type of Request: Regular submission.

Burden Hours: 240.

Number of Respondents: 120.

Needs and Uses: StormReady and TsunamiReady are voluntary programs offered as a means of providing guidance and incentive to officials interested in improving their respective hazardous weather operations. The StormReady Application Form, TsunamiReady Application Form and StormReady/TsunamiReady Application Form will be used by localities to apply for initial StormReady or TsunamiReady and StormReady recognition and renewal of that recognition every six years. A typical StormReady and/or TsunamiReady community would use one of these forms 2 times every 10 years. The government will use the information collected to determine whether a community has met all of the criteria to receive StormReady and/or TsunamiReady recognition. This information collection supports Public Law 109-424, the Tsunami Warning and Education Act, specifically Section 5, which describes the development of a "community-based tsunami hazard mitigation program to improve tsunami preparedness of at-risk areas in the United States and its territories."

Affected Public: State, Local or Tribal Government; business or other for-profit organizations.

Frequency: Every six years.

Respondent's Obligation: Voluntary.

OMB Desk Officer: Nicholas Fraser, (202) 395-5887.

Copies of the above information collection proposal can be obtained by calling or writing Diana Hynek, Departmental Paperwork Clearance Officer, (202) 482-0266, Department of Commerce, Room 7845, 14th and Constitution Avenue, NW., Washington, DC 20230 (or via the Internet at dHynek@doc.gov).
