Frequency: Once.

Affected Public: Individuals or household.

Reporting and Recordkeeping Hour Burden:

Abstract: The National Assessment of Educational Progress (NAEP) is a Federally authorized survey of student achievement at grades 4, 8, and 12 in various subject areas, such as mathematics, reading, writing, science, U.S. history, civics, geography, economics, and the arts. In the current legislation that reauthorized NAEP (The No Child Left Behind Act of 2001 (Pub. L. 107-110)), Congress mandated again the collection of national education survey data through a national assessment program. The 2010 Wave 1 submittal contains the student background questionnaires being used in the 2010 assessments: Grades 4, 8, and 12 core (demographic) and subject-specific (civics, geography, U.S. history, writing, and mathematics), as well as the grades 4 and 8 teacher questionnaires; and the grades 4, 8, and 12 school questionnaires.

Title: Evaluation of the Teaching American History Grants Program: Data Collection Instruments.

Frequency: Annually.

Affected Public: Individuals or household.

Reporting and Recordkeeping Hour Burden:

Responses: 128.

Burden Hours: 139.

Abstract: This evaluation is the first systematic study of the Teaching American History (TAH) Grants Program that focuses on the relationship between program practices and outcomes. In particular, this evaluation will focus on TAH program contributions to teacher content knowledge and student achievement. The data collection activities for which we are seeking OMB approval are the case studies portion of the evaluation. The purpose of the case study visits will be to deepen our understanding of the factors and conditions that support improved outcomes in student achievement and teacher content knowledge as a result of participation in the grant and to describe practices for various subgroups of teachers. This evaluation (including the case studies portion of which we are seeking OMB approval) is crucial for establishing whether the TAH program is working as intended by Congress, and for identifying which elements of the program are most effective.

State Fiscal Stabilization Fund Program

AGENCY: Office of Elementary and Secondary Education, Department of Education.

ACTION: Notice announcing application deadline.

Catalog of Federal Domestic Assistance (CFDA) Numbers: 84.394 and 84.397.

SUMMARY: Under the State Fiscal Stabilization Fund (Stabilization) program, authorized in Title XIV of the American Recovery and Reinvestment Act of 2009 (ARRA), Public Law 111-5, the U.S. Department of Education (Department) awards grants on a formula basis to Governors to help stabilize State and local government budgets in order to minimize and avoid reductions in education and other essential public services. The Department is awarding Stabilization funds in two phases. In Phase 1, the Department will award 67 percent of the total funds available to a State, unless the State can demonstrate that additional funds are required to restore fiscal year 2009 State support for education. In that case, the Department will award up to 90 percent of its total allocation in Phase 1. The Department will award the remaining portion of a State's allocation in Phase 2. In this notice, we establish the deadline by which a Governor must submit the State's application for Phase 1 funding under the Stabilization program.

Application Deadline: July 1, 2009, 4:30:00 p.m. Washington, DC time.

Governors must submit an application electronically by the deadline in this notice. If a Governor fails to submit the State's application by this deadline, the State will not receive any Phase 1 or Phase 2 Stabilization funds.

SUPPLEMENTARY INFORMATION: There are two components of the Stabilization program: the Education Stabilization Fund (CFDA No. 84.394) and the

Government Services Fund (CFDA No. 84.397). By statute, the Department will award 81.8 percent of a State's total Stabilization allocation under the Education Stabilization Fund and the remaining 18.2 percent of its allocation under the Government Services Fund. Governors will apply for funding for each component under a single application. The application is available on the Department's Web site at <http://www.ed.gov/programs/statestabilization/applicant.html>.

If a Governor does not submit the State's application for Phase 1 funding by the deadline in this notice, the Department will allocate the funds that were reserved for the State to those States that have submitted timely applications. A State that fails to submit an application by the deadline in this notice will not receive any Phase 1 or Phase 2 Stabilization funds.
