

and, in general to protect investors and the public interest. The proposed rule change will allow the listing and trading of currency and index warrants on the Exchange under standards previously implemented by other national securities exchanges, which the Exchange believes will enhance competition among market participants, to the benefit of investors and the marketplace.

B. Self-Regulatory Organization's Statement on Burden on Competition

The Exchange does not believe that the proposed rule change will impose any burden on competition that is not necessary or appropriate in furtherance of the purposes of the Act.

C. Self-Regulatory Organization's Statement on Comments on the Proposed Rule Change Received From Members, Participants, or Others

No written comments were solicited or received with respect to the proposed rule change.

III. Date of Effectiveness of the Proposed Rule Change and Timing for Commission Action

Because the foregoing proposed rule change: (1) Does not significantly affect the protection of investors or the public interest; (2) does not impose any significant burden on competition; and (3) by its terms, does not become operative for 30 days after the date of filing, or such shorter time as the Commission may designate if consistent with the protection of investors and the public interest, the proposed rule change has become effective pursuant to Section 19(b)(3)(A) of the Act⁹ and Rule 19b-4(f)(6) thereunder.¹⁰

A proposed rule change filed under Rule 19b-4(f)(6) normally does not become operative for 30 days after the date of filing.¹¹ However, Rule 19b-4(f)(6)(iii) permits the Commission to designate a shorter time if such action is consistent with the protection of investors and the public interest. The Exchange requested that the Commission waive the 30-day operative delay and designate the proposed rule change operative upon filing.

The Commission believes that waiving the 30-day operative delay is

consistent with the protection of investors and the public interest. The Commission notes that the proposed alternative listing standards are substantially identical to rules of other national securities exchanges.¹² Therefore, the Commission designates the proposal operative upon filing.¹³

At any time within 60 days of the filing of the proposed rule change, the Commission may summarily abrogate such rule change if it appears to the Commission that such action is necessary or appropriate in the public interest, for the protection of investors, or otherwise in furtherance of the purposes of the Act.¹⁴

IV. Solicitation of Comments

Interested persons are invited to submit written data, views, and arguments concerning the foregoing, including whether the proposed rule change is consistent with the Act. Comments may be submitted by any of the following methods:

May 6, 2009.

Pursuant to Section 19(b)(1) of the Securities Exchange Act of 1934 (the "Act")¹ and Rule 19b-4 thereunder,² notice is hereby given that, on April 28, 2009, the Municipal Securities Rulemaking Board ("MSRB") filed with the Securities and Exchange Commission ("Commission") the proposed rule change as described in Items I, II, and III below, which Items have been prepared by the MSRB. The Commission is publishing this notice to solicit comments on the proposed rule change from interested persons.

I. Self-Regulatory Organization's Statement of the Terms of Substance of the Proposed Rule Change

The MSRB is filing with the Commission a proposed rule change consisting of an amendment to MSRB Rule G-8, Books and Records (the

“proposed rule change”). The proposed rule change would provide organizations responsible for inspecting and enforcing MSRB rules with information that would assist in the enforcement of compliance with Rule G-34(c), on variable rate security market information, by requiring brokers, dealers and municipal securities dealers to maintain certain records relating to auction rate securities and variable rate demand obligations. The MSRB proposes an effective date for the proposed rule change of June 1, 2009.

The text of the proposed rule change is available on the MSRB's Web site (<http://www.msrb.org>), at the MSRB's principal office, and at the Commission's Public Reference Room.

II. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

In its filing with the Commission, the MSRB included statements concerning the purpose of, and basis for, the proposed rule change and discussed any comments it received on the proposed rule change. The text of these statements may be examined at the places specified in Item IV below. The MSRB has prepared summaries, set forth in Sections A, B, and C below, of the most significant aspects of such statements.

A. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

1. Purpose

The MSRB operates a facility for the collection and public dissemination of information about securities bearing interest at short-term rates (the Short-term Obligation Rate Transparency System, or SHORT System). MSRB Rule G-34(c), on variable rate security market information, requires brokers, dealers and municipal securities dealers (collectively “dealers”) to report, or ensure the reporting of, interest rate and descriptive information to the SHORT System about municipal Auction Rate Securities (“ARS”) and Variable Rate Demand Obligations (“VRDO”) following an ARS auction or VRDO interest rate reset.

The proposed rule change would require those dealers for which MSRB Rule G-34(c) applies to retain for a period of three years records that would show that the requirement in Rule G-34 to submit information to the SHORT System applies to the dealer and that the dealer has submitted accurate information to the SHORT System. For ARS, dealers would be required to

retain a record of all of the ARS for which the dealer acts as a Program Dealer as defined in Rule G-34(c)(i)(A), a record of all information submitted to and received from an Auction Agent as defined in Rule G-34(c)(i) with respect to an auction, and all information required to be submitted to the SHORT System. For VRDO, dealers would be required to retain a record of all of the VRDO for which the dealer acts as a Remarketing Agent as defined in Rule G-34(c)(ii), and all information required to be submitted to the SHORT System. These records would provide organizations responsible for inspecting and enforcing MSRB rules with information that would assist in the enforcement of compliance with MSRB Rule G-34(c).

2. Statutory Basis

The MSRB believes that the proposed rule change is consistent with Section 15B(b)(2)(C) of the Act, which provides that the MSRB's rules shall:

be designed to prevent fraudulent and manipulative acts and practices, to promote just and equitable principles of trade, to foster cooperation and coordination with persons engaged in regulating, clearing, settling, processing information with respect to, and facilitating transactions in municipal securities, to remove impediments to and perfect the mechanism of a free and open market in municipal securities, and, in general, to protect investors and the public interest.

The MSRB believes that the proposed rule change is consistent with the Act because it will facilitate the inspection and enforcement of MSRB Rule G-34(c).

B. Self-Regulatory Organization's Statement on Burden on Competition

The MSRB does not believe the proposed rule change will impose any burden on competition since it would apply equally to all brokers, dealers and municipal securities dealers.

C. Self-Regulatory Organization's Statement on Comments on the Proposed Rule Change Received From Members, Participants or Others

Written comments were neither solicited nor received on the proposed rule change.

III. Date of Effectiveness of the Proposed Rule Change and Timing for Commission Action

Because the foregoing proposed rule change does not:

- (i) Significantly affect the protection of investors or the public interest;
- (ii) Impose and [sic] significant burden on competition; and
- (iii) Become operative for 30 days from the date on which it was filed, or

such shorter time as the Commission may designate, it has become effective pursuant to Section 19(b)(3)(A) of the Act and Rule 19b-4(f)(6) thereunder.³

At any time within 60 days of the filing of the proposed rule change, the Commission may summarily abrogate such rule change if it appears to the Commission that such action is necessary or appropriate in the public interest, for the protection of investors, or otherwise in furtherance of the purposes of the Act.

IV. Solicitation of Comments

Interested persons are invited to submit written data, views, and arguments concerning the foregoing, including whether the proposed rule change is consistent with the Act. Comments may be submitted by any of the following methods:

Electronic Comments

- Use the Commission's Internet comment form (<http://www.sec.gov/rules/sro.shtml>); or
- Send an e-mail to rule-comments@sec.gov. Please include File Number SR-MSRB-2009-06 on the subject line.

Paper Comments

- Send paper comments in triplicate to Elizabeth M. Murphy, Secretary, Securities and Exchange Commission, 100 F Street, NE., Washington DC 20549-1090.

All submissions should refer to File Number SR-MSRB-2009-06. This file number should be included on the subject line if e-mail is used. To help the Commission process and review your comments more efficiently, please use only one method. The Commission will post all comments on the Commission's Internet Web site (<http://www.sec.gov/rules/sro.shtml>). Copies of the submission, all subsequent amendments, all written statements with respect to the proposed rule change that are filed with the Commission, and all written communications relating to the proposed rule change between the Commission and any person, other than those that may be withheld from the public in accordance with the provisions of 5 U.S.C. 552, will be available for inspection and copying in

³ The Commission notes that Rule 19b-4(f)(6)(iii) requires the self-regulatory organization to give the Commission written notice of its intent to file the proposed rule change along with a brief description and text of the proposed rule change, at least five business days prior to the date of filing of the proposed rule change, or such shorter time as designated by the Commission. The MSRB has satisfied the pre-filing requirement.

SECURITIES AND EXCHANGE COMMISSION

[Release No. 34-59884; File No. SR-NYSE-2009-43]

Self-Regulatory Organizations; New York Stock Exchange LLC; Notice of Filing and Immediate Effectiveness of Proposed Rule Change To Delete All References in the NYSE Rule Book to "Alternext" and "Alternext US" and Substitute References to "Amex" To Reflect the Recent Name Change of NYSE Alternext US LLC to NYSE Amex LLC

May 7, 2009.

Pursuant to Section 19(b)(1) of the Securities Exchange Act of 1934 ("Act")¹ and Rule 19b-4 thereunder,² notice is hereby given that on April 22, 2009, New York Stock Exchange LLC ("NYSE" or the "Exchange") filed with the Securities and Exchange Commission ("Commission") the proposed rule change as described in Items I, II, and III below, which Items have been prepared by NYSE. The Exchange has designated this proposal as one concerned solely with the administration of the Exchange pursuant to Section 19(b)(3)(A)(iii) of the Act³ and Rule 19b-4(f)(3) thereunder,⁴ which renders the proposal effective upon filing with the Commission. The Commission is publishing this notice to solicit

comments on the proposed rule change from interested persons.

I. Self-Regulatory Organization's Statement of the Terms of Substance of the Proposed Rule Change

The Exchange proposes to amend the NYSE Rule Book to delete all references therein to "Alternext" and "Alternext US" and substitute references to "Amex" to reflect the recent name change of NYSE Alternext US LLC to NYSE Amex LLC. The text of the proposed rule change is available at the Exchange, the Commission's Public Reference Room, and <http://www.nyse.com>.

II. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

In its filing with the Commission, NYSE included statements concerning the purpose of, and basis for, the proposed rule change and discussed any comments it received on the proposed rule change. The text of these statements may be examined at the places specified in Item IV below. NYSE has prepared summaries, set forth in Sections A, B, and C below, of the most significant aspects of such statements.

A. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

1. Purpose

On March 18, 2009, NYSE Alternext US LLC (the "Amex SRO"), formerly American Stock Exchange LLC prior to its acquisition by NYSE Euronext on October 1, 2008, filed a Certificate of Amendment with the Secretary of State of the State of Delaware to officially change its name to NYSE Amex LLC. Earlier, on March 3, 2009, the Amex SRO had filed a Form 19b-4 with the Commission proposing to amend its rules to reflect the name change, and the Commission issued a Notice with respect to that rule filing on March 13, 2009.⁵

The Exchange has a number of outdated references in its Rule Book to the Amex SRO under the old name, specifically in Rules 2, 6A, 18, 36, 103B and 300. The purpose of this proposed rule change is to amend the Exchange's Rule Book to delete all references therein to "Alternext" and "Alternext US" and substitute references to

"Amex" to accurately reflect the recent name change of the Amex SRO.

2. Statutory Basis

The Exchange believes the proposed rule change is consistent with Section 6(b)⁶ of the Securities Exchange Act of 1934 (the "Act"), in general, and furthers the objectives of Section 6(b)(5)⁷ in particular in that it is designed to prevent fraudulent and manipulative acts and practices, to promote just and equitable principles of trade, to foster cooperation and coordination with persons engaged in facilitating transactions in securities, to remove impediments to and perfect the mechanism of a free and open market and a national market system and, in general, to protect investors and the public interest. More specifically, updating the references in the Exchange's rules to reflect the correct name of the Amex SRO may help eliminate potential confusion among investors who may not be aware that a name change has taken place.

B. Self-Regulatory Organization's Statement on Burden on Competition

The Exchange does not believe that the proposed rule change will impose any burden on competition that is not necessary or appropriate in furtherance of purposes of the Act.

C. Self-Regulatory Organization's Statement on Comments on the Proposed Rule Change Received From Members, Participants or Others

No written comments were solicited or received with respect to the proposed rule change.

III. Date of Effectiveness of the Proposed Rule Change and Timing for Commission Action

Because the foregoing proposed rule change is concerned solely with the administration of the Exchange, it has become effective pursuant to Section 19(b)(3)(A) of the Act⁸ and subparagraph (f)(3) of Rule 19b-4 thereunder.⁹ At any time within 60 days of the filing of the proposed rule change, the Commission may summarily abrogate such rule change if it appears to the Commission that such action is necessary or appropriate in the public interest, for the protection of investors, or otherwise in furtherance of the purposes of the Act.
