33 CFR Part 100

[Docket No. USCG-2008-0386]

RIN 1625-AA08

Marine Events Regattas; Annual Marine Events in the Eighth Coast Guard District

AGENCY: Coast Guard, DHS.

ACTION: Final rule.

SUMMARY: The Coast Guard is updating the list of marine events and regattas that take place in the Eighth Coast Guard District and changing patrol requirements for these events. This update informs the public of regularly scheduled regattas and marine events and facilitates effective control over regattas and marine events to insure safety of life in each regatta or marine event area.

DATES: This final rule is effective June 15, 2009.

ADDRESSES: Comments and material received from the public, as well as documents mentioned in this preamble as being available in the docket, are part of docket USCG-2008-0386 and are available for inspection or copying at the Docket Management Facility (M-30), U.S. Department of Transportation, West Building Ground Floor, Room W12-140, 1200 New Jersey Avenue, SE., Washington, DC 20590, between 9 a.m. and 5 p.m., Monday through Friday, except Federal holidays. You may also find this docket on the Internet by going to <http://www.regulations.gov>, selecting the Advanced Docket Search option on the right side of the screen, inserting USCG-2008-0386 in the Docket ID box, pressing Enter, and then clicking on the item in the Docket ID column.

II. Regulatory History

On June 16, 2008, we published a notice of proposed rulemaking entitled “Marine Events Regattas; Annual Marine Events in the Eighth Coast Guard District” in the **Federal Register** (73 FR 116). We received no comments on the proposed rule. No public meeting was requested and none was held.

III. Background

33 CFR part 100 provides regulations to provide effective control over regattas and marine parades conducted on U.S. navigable waters to insure safety of life in the regattas or marine parade area. Section 100.801 list recurring events that take place in the Eighth Coast Guard District. This section needed to be updated because the Coast Guard reorganized Coast Guard Group Offices and Marine Safety Offices into Coast Guard Sectors and because the list of events in Table 1 of Sec.100.801 was out of date needed to be revised to reflect current events.

This regulation also modifies Coast Guard patrol requirements for Eighth Coast Guard District regattas and marine parades. Section 100.801(a) requires the Coast Guard to patrol marine events in the Eighth Coast Guard District. The Coast Guard feels that not all events require Coast Guard patrols and therefore leaves the decision of whether to patrol these events to the discretion of the local Coast Guard Captain of the Port.

IV. Discussion of Comments and Changes

No comments were received regarding the published NPRM. Therefore, the final rule text is largely the same as the text published in the NPRM.

The following general changes were made to the regulatory text. Paragraph (i) was added to clarify the definition of each regulated area. Paragraph (j) was added to advise mariners of where to look for more specific information about recurring marine events. Events were

renumbered for ease of reference. References to “mile markers” were changed to “miles” in recognition that not every tenth of a mile on a waterway has a signpost. Several locations were clarified by adding the name of a city or river, additional mile references, or points of latitude and longitude. Where the title of an event makes reference to the year or the number of recurrences (i.e. “Riverfest 2007” or “Rodeofest XXVI”), the year or number was removed.

The following specific changes were made to individual regulated areas. Within each Sector’s list of events, each event is referred to by the event number in the NPRM, then the new number assigned in the final rule, then the title of the event.

I. Sector Ohio Valley

7./7. Indiana Governor’s Cup

“Four days” was clarified to “Thursday through Sunday.”

27./[n/a] Dragon Boat Festival

The Dragon Boat Festival in Pittsburgh, PA, was removed from the list entirely.

II. Sector Upper Mississippi River

1./29. Hudson Hot Air Affair.

Clarified the regulated area by adding upper and lower bounds.

3./31. St. Patrick’s Water Parade.

This event is deleted from the Final Rule. The regulated area “Lake of the Ozarks mile 013.0” was not the intended area. The space in the table is reserved to facilitate re-adding this event in a future rulemaking.

4./32. Deke Slayton Airfest, LaCrosse

Clarified the regulated area by adding upper and lower bounds.

7./35. Lodge of the Four Seasons Memorial Day

Clarified the regulated area by adding upper and lower bounds.

9./37. Burlington Steamboat Days

Clarified the regulated area by adding upper and lower bounds.

11./39. Taste of the Quad Cities

Clarified the regulated area by adding upper and lower bounds.

12./40. Great Rivers Towboat Festival

Clarified the regulated area by adding upper and lower bounds.

14./42. Taste of Minnesota

Clarified the regulated area by adding upper and lower bounds.

15./43. Sioux City Big Parade

Clarified the regulated area by adding upper and lower bounds.

16./44. KC Riverfest/Kansas City Riverfest

Clarified the regulated area by adding upper and lower bounds. Clarified event name and sponsor.

19./47. 3rd Annual Dosh River Rally/Annual Dosh River Rally

Clarified the regulated area by adding upper and lower bounds. Removed “3rd” from event name.

23./51. Riverfest 2007/Riverfest

Removed “2007” from event name.

24./52. Red White and Boom

Clarified the regulated area by adding upper and lower bounds.

27./55. John E. Curran Fireworks

Clarified the regulated area by adding upper and lower bounds.

29./57. Red White and Boom Peoria

Reordered upper and lower bounds.

31./59. Minneiska 4th of July

Clarified the regulated area by adding upper and lower bounds.

34./62. Hermann 4th of July

Clarified the regulated area by adding upper and lower bounds.

37./65. Mike Herrington Fireworks

Clarified the regulated area by adding upper and lower bounds.

38./66. Riverfest, La Crosse

Clarified the regulated area by adding upper and lower bounds.

40./68. Grafton Chamber 4th of July Fireworks

Clarified the regulated area by adding upper and lower bounds.

41./69. Parkville 4th of July Fireworks

Clarified the regulated area by adding upper and lower bounds.

42./70. Harrah’s Fireworks Extravaganza

Clarified the regulated area by adding upper and lower bounds.

43./71. Hooligan Bay Fireworks Display

Clarified the regulated area by adding upper and lower bounds.

44./72. Tan-Tar-A 4th of July Fireworks

Clarified the regulated area by adding upper and lower bounds.

45./73. Red White and Boom Minneapolis

Clarified the regulated area by adding upper and lower bounds.

47./75. Lodge of the Four Seasons 4th of July

Clarified the regulated area by adding upper and lower bounds.

48./76. Gravois Mills Fireworks

Clarified the regulated area by adding upper and lower bounds.

50./78. Prairie du Chien Area Chamber Fireworks

Clarified the regulated area by adding upper and lower bounds.

52./80. Stars and Stripes River Day

Clarified the regulated area by adding upper and lower bounds.

53./81.

Clarified the regulated area by adding upper and lower bounds.

54./82. Lumberjack Days

Clarified the regulated area by adding upper and lower bounds.

55./83. Prairie Air Show

Clarified the regulated area by adding upper and lower bounds.

59./87. Cassville Twin-O-Rama

Clarified the regulated area by adding upper and lower bounds.

61./89. River City Days

Clarified the regulated area by adding upper and lower bounds.

62./90. New Piasa Chataqua

Clarified the regulated area by adding upper and lower bounds.

67./95. Tan-Tar-A-Fireworks

Clarified the regulated area by adding upper and lower bounds.

68./96. Mike Herrington Labor Day Fireworks

Clarified the regulated area by adding upper and lower bounds.

69./97. Lodge of the Four Seasons

Clarified the regulated area by adding upper and lower bounds.

74./102. Railroad Days

Clarified the regulated area by adding upper and lower bounds.

Sector Houston-Galveston

1./117. Port Arthur Fourth of July Fireworks Demonstration.

Replaced references to “Wilson Middle School” and “Old Golf Course Road” with miles on the waterway.

Sector New Orleans

4./131. Lundi Gras River Parade and Fireworks Display

Clarified regulated area by removing extraneous details.

Sector Mobile Events

1./141. Seroma's 4th of July

Defined regulated area using latitude and longitude instead of local landmarks and defined the regulated area as a radius instead of a point.

2./142. South Georgia Showdown

Defined regulated area using miles on the Flint River instead of landmarks.

3./143. Thunder on the Gulf

Defined regulated area as a four sided box using latitude and longitude points instead of landmarks.

4./144. GYA Challenge Cup

This event was removed from the list but the line is reserved to facilitate re-adding the event in the future.

8./148. Isle of Capri Anniversary Celebration

Defined regulated area using latitude and longitude instead of local landmarks.

15./155. Christmas Afloat

Clarified the regulated area.

20./160. Blue Angels Air Show

Defined the regulated area to exclude the interior waters of Pensacola Bay.

22./162. Mardi Gras Boat Parade

Clarified the regulated area.

23./163. Blessing of the Fleet

Clarified the regulated area.

V. Regulatory Analyses

We developed this rule after considering numerous statutes and executive orders related to rulemaking. Below we summarize our analyses based on 13 of these statutes or executive orders.

A. Regulatory Planning and Review

This rule is not a significant regulatory action under section 3(f) of Executive Order 12866, Regulatory Planning and Review, and does not require an assessment of potential costs and benefits under section 6(a)(3) of that Order. The Office of Management and Budget has not reviewed it under that Order.

The Coast Guard expects the economic impact of this rule to be so minimal that a full regulatory evaluation is unnecessary.

The regattas and marine parades listed in this rule will restrict vessel traffic from transiting certain areas of Eighth Coast Guard District waters; however the effect of this regulation will not be significant because these events are short duration and the special local regulation governing vessel movements and restrictions are also short duration. Additionally, the public is given advance notification through the **Federal Register** and thus will be able to plan operations around the event in advance.

B. Small Entities

Under the Regulatory Flexibility Act (5 U.S.C. 601–612), we have considered whether this rule would have a significant economic impact on a substantial number of small entities. The term “small entities” comprises small businesses, not-for-profit organizations that are independently owned and operated and are not dominant in their fields, and governmental jurisdictions with populations of less than 50,000.

This proposed rule may affect the following entities, some of which might be small entities: the owners or operators of vessels intending to transit the regulated area during the regattas or marine parade. The special local regulations will not have a significant economic impact on a substantial number of small entities for the following reasons. This rule will be in effect for short periods of times and vessel traffic can pass safely around the regulated area or through the regulated area with permission of the patrol commander. And before the effective period, the Coast Guard Captain of the Port will issue maritime advisories widely available to users of the river. Therefore, the Coast Guard certifies under 5 U.S.C. 605(b) that this final rule will not have a significant economic impact on a substantial number of small entities.

C. Assistance for Small Entities

Under section 213(a) of the Small Business Regulatory Enforcement Fairness Act of 1996 (Pub. L. 104–121), we offered to assist small entities in understanding the rule so that they could better evaluate its effects on them and participate in the rulemaking. Small entities were given a point-of-contact to direct questions regarding the provisions of this rule and options for compliance. The Coast Guard will not retaliate against small entities that question or complain about this rule or any policy or action of the Coast Guard.

D. Collection of Information

This rule calls for no new collection of information under the Paperwork Reduction Act of 1995 (44 U.S.C. 3501–3520).

E. Federalism

A rule has implications for federalism under Executive Order 13132, Federalism, if it has a substantial direct effect on State or local governments and would either preempt State law or impose a substantial direct cost of compliance on them. We have analyzed this rule under that Order and have determined that it does not have implications for federalism.

F. Unfunded Mandates Reform Act

The Unfunded Mandates Reform Act of 1995 (2 U.S.C. 1531–1538) requires Federal agencies to assess the effects of their discretionary regulatory actions. In particular, the Act addresses actions that may result in the expenditure by a State, local, or tribal government, in the aggregate, or by the private sector of \$100,000,000 or more in any one year. Though this rule will not result in such an expenditure, we do discuss the effects of this rule elsewhere in this preamble.

G. Taking of Private Property

This rule will not effect a taking of private property or otherwise have taking implications under Executive Order 12630, Governmental Actions and Interference with Constitutionally Protected Property Rights.

H. Civil Justice Reform

This rule meets applicable standards in sections 3(a) and 3(b)(2) of Executive Order 12988, Civil Justice Reform, to minimize litigation, eliminate ambiguity, and reduce burden.

I. Protection of Children

We have analyzed this rule under Executive Order 13045, Protection of Children from Environmental Health Risks and Safety Risks. This rule is not an economically significant rule and does not create an environmental risk to health or risk to safety that may disproportionately affect children.

J. Indian Tribal Governments

This rule does not have tribal implications under Executive Order 13175, Consultation and Coordination with Indian Tribal Governments, because it does not have a substantial direct effect on one or more Indian tribes, on the relationship between the Federal Government and Indian tribes, or on the distribution of power and

responsibilities between the Federal Government and Indian tribes.

K. Energy Effects

We have analyzed this rule under Executive Order 13211, Actions Concerning Regulations That Significantly Affect Energy Supply, Distribution, or Use. We have determined that it is not a “significant energy action” under that order because it is not a “significant regulatory action” under Executive Order 12866 and is not likely to have a significant adverse effect on the supply, distribution, or use of energy. The Administrator of the Office of Information and Regulatory Affairs has not designated it as a significant energy action. Therefore, it does not require a Statement of Energy Effects under Executive Order 13211.

L. Technical Standards

The National Technology Transfer and Advancement Act (NTTAA) (15 U.S.C. 272 *note*) directs agencies to use voluntary consensus standards in their regulatory activities unless the agency provides Congress, through the Office of Management and Budget, with an explanation of why using these standards would be inconsistent with applicable law or otherwise impractical. Voluntary consensus standards are technical standards (*e.g.*, specifications

of materials, performance, design, or operation; test methods; sampling procedures; and related management systems practices) that are developed or adopted by voluntary consensus standards bodies.

This rule does not use technical standards. Therefore, we did not consider the use of voluntary consensus standards.

M. Environment

We have analyzed this rule under Department of Homeland Security Management Directive 023.1 and Commandant Instruction M16475.ID, which guide the Coast Guard in complying with the National Environmental Policy Act of 1969 (NEPA) (42 U.S.C. 4321–4370f), and have concluded that this action is one of a category of actions which do not individually or cumulatively have a significant effect on the human environment. This rule is categorically excluded under section 2.B.2, figure 2–1, paragraph (34)(h) of the Instruction.

List of Subjects in 33 CFR Part 100

Marine safety, Navigation (water), Reporting and recordkeeping requirements, and Waterways.

■ For the reasons discussed in the preamble, the Coast Guard amends 33 CFR part 100 as follows:

PART 100—SAFETY OF LIFE ON NAVIGABLE WATERS

■ 1. The authority citation for part 100 continues to read as follows:

Authority: 33 U.S.C. 1233.

■ 2. Amend § 100.801 to revise paragraph (a), add paragraphs (i) and (j), and revise table 1 to read as follows:

§ 100.801 Annual Marine Events in the Eighth Coast Guard District.

* * * * *

(a) The Coast Guard may patrol the event area under the direction of a designated Coast Guard Patrol Commander. The Patrol Commander may be contacted on Channel 16 VHF-FM (156.8 MHz) by the call sign “PATCOM.”

* * * * *

(i) In Table 1 to this section, where a regulated area is described by reference to miles of a river, channel or lake, the regulated area includes all waters between the indicated miles as defined by lines drawn perpendicular to shore passing through the indicated points.

(j) In Table 1 to this section, where alternative dates are described (“third or fourth Saturday”), the exact date and times will be advertised by the Coast Guard through Local Notices to Mariners and Broadcast Notices to Mariners.

SUPPLEMENTARY INFORMATION:

Regulatory Information

On April 6, 2009, we published a notice of proposed rulemaking (NPRM) entitled Safety Zone; Ocean Beach Fourth of July Fireworks; Pacific Ocean, San Diego, CA in the **Federal Register** (74 FR 15412). We received no comments on the proposed rule. No public meeting was requested, and none was held.

Background and Purpose

The Ocean Beach Main Street Association is sponsoring the Fireworks Radio Network Fourth of July Fireworks, which will include a fireworks presentation originating from the Ocean Beach Pier located at approximately 32°45.01' N, 117°15.52' W. The safety zone will encompass all navigable waters within 1200 feet of the pier. This temporary safety zone is necessary to provide for the safety of the crew, spectators, and other users and vessels of the waterway.

Regulatory Analyses

We developed this rule after considering numerous statutes and executive orders related to rulemaking. Below we summarize our analyses based on 13 of these statutes or executive orders.

Regulatory Planning and Review

This rule is not a significant regulatory action under section 3(f) of Executive Order 12866, Regulatory Planning and Review, and does not require an assessment of potential costs and benefits under section 6(a)(3) of that Order. The Office of Management and Budget has not reviewed it under that Order.

This determination is based on the size and location of the safety zone. Commercial vessels will not be hindered by the safety zone. Recreational vessels will not be allowed to transit through the established safety zone during the specified times unless authorized to do so by the Captain of the Port or his designated representative.

Small Entities

Under the Regulatory Flexibility Act (5 U.S.C. 601-612), we have considered whether this rule would have a significant economic impact on a substantial number of small entities. The term "small entities" comprises small businesses, not-for-profit organizations that are independently owned and operated and are not

dominant in their fields, and governmental jurisdictions with populations of less than 50,000.

The Coast Guard certifies under 5 U.S.C. 605(b) that this rule will not have a significant economic impact on a substantial number of small entities.

This rule will affect the following entities, some of which may be small entities: the owners or operators of vessels intending to transit or anchor in a portion of the Pacific Ocean from 8:45 p.m. to 9:30 p.m. on July 4, 2009.

This safety zone will not have a significant economic impact on a substantial number of small entities for the following reasons. This rule will be enforced only 45 minutes late in the evening when vessel traffic is low. Vessel traffic can pass safely around the zone. Before the effective period, the Coast Guard will publish a Local Notice to Mariners (LNM) and will issue Broadcast Notice to Mariners (BNM) alerts via marine Channel 16 VHF before the temporary safety zone is enforced.

Assistance for Small Entities

Under section 213(a) of the Small Business Regulatory Enforcement Fairness Act of 1996 (Pub. L. 104-121), in the NPRM we offered to assist small entities in understanding the rule so that they could better evaluate its effects on them and participate in the rulemaking process.

Small businesses may send comments on the actions of Federal employees who enforce, or otherwise determine compliance with, Federal regulations to the Small Business and Agriculture Regulatory Enforcement Ombudsman and the Regional Small Business Regulatory Fairness Boards. The Ombudsman evaluates these actions annually and rates each agency's responsiveness to small business. If you wish to comment on actions by employees of the Coast Guard, call 1-888-REG-FAIR (1-888-734-3247). The Coast Guard will not retaliate against small entities that question or complain about this rule or any policy or action of the Coast Guard.

Collection of Information

This rule calls for no new collection of information under the Paperwork Reduction Act of 1995 (44 U.S.C. 3501-3520).

Federalism

A rule has implications for federalism under Executive Order 13132, Federalism, if it has a substantial direct effect on State or local governments and would either preempt State law or impose a substantial direct cost of compliance on them. We have analyzed
