At the meeting, the Committee will continue its exploration of genetics and the future health care system by hearing presentations on anticipated changes in health care and the role genetics and genomics can play in achieving an effective, affordable, and equitable health care system. In addition, the Committee will discuss its work on genetics education and training and consider a draft report on direct-to-consumer genomic services. Updates will be provided as well on regulations implementing the Genetic Information Nondiscrimination Act and on the Committee's Public Consultation Draft Report on Gene Patents and Licensing

Practices and Their Impact on Patient Access to Genetic Tests.

As always, the Committee welcomes hearing from anyone wishing to provide public comment on any issue related to genetics, health and society. Individuals who would like to provide public comment should notify the SACGHS Executive Secretary, Ms. Sarah Carr, by telephone at 301-496-9838 or e-mail at [carrs@od.nih.gov](mailto:carrs@od.nih.gov). **Submission for OMB Review; Comment Request**

*Title:* Objective Work Plan (OWP), Objective Progress Report (OPR) and Project Abstract

*OMB No.:* 0980-0204.

*Description:* Content changes are being made to the OPR ONLY. The information in the OPR is being

collected on a quarterly basis to monitor the performance of grantees and better gauge grantee progress. The standardized format will allow ANA to report results across all its program areas and flag grantees that may need additional training and/or technical assistance to successfully implement their projects.

Following are content changes being made within specific sections of the OPR form:

**OBJECTIVE WORK PLAN UPDATE Section:** Adding 1st through 4th Quarter (Q1,Q2,Q3,Q4) results for Activities within each Objective. The grantee can continue to add to this form each quarter (rather than on to a new form), reflecting cumulative results throughout the project period rather than just the quarter.

**FINANCIAL Section:** Add 2 Questions: (1) Provide details on any income generated as a result of ANA project activities; (2) Provide details on any changes made to the budget during the reporting period.

**NATIVE AMERICAN YOUTH AND ELDER OPPORTUNITIES Section:** Add Question: (1) Request details on any

intergenerational activities between grandparents and their grandchildren.

Finally, add a new section (last section) to the form:

**PROJECT SUSTAINABILITY:** (1) Request details on the grantee's intention to continue the project benefits and/or services after the project period has ended.

End of Content Changes to the OPR. No changes are being made to the OWP or to the Project Abstract (below).

The information collected by the OWP is needed to properly administer and monitor the Administration for Native Americans (ANA) programs within the Administration for Children and Families (ACF). The OWP assists applicants in describing their projects' objectives and activities, and also assists independent panel reviewers, ANA staff and the ANA Commissioner during the review and funding decision process.

The Project Abstract provides crucial information in a concise format that is utilized by applicants, independent reviewers, ANA staff and the ANA Commissioner.

*Respondents:* Tribal Government, Native non-profit organizations, Tribal Colleges & Universities.
