c. *Date Filed:* April 24, 2009.

d. *Applicant:* Alabama Power Company.

e. *Name of Project:* Coosa River Project.

f. *Location:* The proposed non-project use is located on Logan Martin Lake, in Talladega County, Alabama.

g. *Filed Pursuant to:* Federal Power Act, 16 U.S.C. 791a-825r.

h. *Applicant Contact:* Mr. Keith E. Bryant, Senior Engineer, Alabama Power Company, 600 18th Street North, Birmingham, AL 35203, (205) 257-1403.

i. *FERC Contact:* Any questions on this notice should be addressed to Jade Alvey at (202) 502-6864.

j. *Deadline for Filing Comments and or Motions:* June 8, 2009.

All documents (original and eight copies) should be filed with: Secretary, Federal Energy Regulatory Commission, 888 First Street, NE., Washington, DC 20426.

The Commission's Rules of Practice and Procedure require all interveners filing documents with the Commission to serve a copy of that document on each person whose name appears on the official service list for the project. Further, if an intervener files comments or documents with the Commission relating to the merits of an issue that may affect the responsibilities of a particular resource agency, they must also serve a copy of the document on that resource agency. A copy of any motion to intervene must also be served upon each representative of the Applicant specified in the particular application.

k. *Description of Request:* Alabama Power Company filed an application seeking Commission authorization to permit Shoreline Real Estate, LLC to install floating boat docks, a concrete boat ramp, and other facilities on project lands along or near the shoreline of the Logan Martin Lake in Section 4, Township 18 South, Range 4 East, Talladega County, Alabama. The new facilities would be used by the owners and residents of the Lincoln Harbor development on lands adjacent to the project. The application is for a total of 15 floating docks, with total boat slips not to exceed 176 slips, and a footprint not to exceed 72,160 square feet. The boat docks would be constructed over the coming years as a total of 952 residential units are constructed and sold in a phased development process. The filing includes maps and descriptions of the areas and of dock and slip configurations, photographs, and environmental and historic considerations. No dredging is proposed. This application was filed after consultation with the appropriate agencies.

l. *Locations of the Application:* A copy of the application is available for inspection and reproduction at the Commission's Public Reference Room, located at 888 First Street, NE., Room 2A, Washington, DC 20426, or by calling (202) 502-8371. [Docket No. CP05-82-001]

El Paso Natural Gas Company; Notice of Intent To Prepare an Environmental Assessment for the Proposed Gila Compressor Station Removal Project and Request for Comments on Environmental Issues

May 8, 2009.

The staff of the Federal Energy Regulatory Commission (FERC or Commission) will prepare an environmental assessment (EA) that will discuss the environmental impacts of El Paso Natural Gas Company's (El Paso) request for amended authorization to remove the previously abandoned aboveground facilities at its Gila Compressor Station, in Maricopa County, Arizona. This EA will be used by the Commission in its decision-making process to determine whether the project is in the public convenience and necessity.

This notice announces the opening of the scoping process we will use to gather input from the public and interested agencies on the project. Your
