The Department held the two public meetings on March 23, 2009 and March 30, 2009. A commenter requested that the Department extend the public comment period, noting that the costs associated with the proposed QA requirements related to inspections, audits, documentation, complaint management, and document control administration are significant. The Department believes that the request to re-open the comment period is reasonable. Therefore, we are reopening the comment period for this proposal until October 9, 2009.
