[DA 09–1032; MB Docket No. 09–9; RM–11511]

Radio Broadcasting Services: Mineral and Nevada City, CA**AGENCY:** Federal Communications Commission.**ACTION:** Final rule.

SUMMARY: The staff grants in part a rulemaking petition filed by Shamrock Communications, Inc., by deleting vacant FM Channel 297A at Nevada City, California. However, the staff denies Shamrock's proposal to allot Channel 297A at Mineral, California, because the city-grade (70 dBu) contour of this proposed allotment does not encompass entirely the boundaries of Mineral as required under the Commission's Rules. The *Notice of Proposed Rule Making* in this proceeding solicited comment on deleting the Nevada City allotment. See 74 FR 7847 (February 20, 2009). No parties filed comments expressing an interest in retaining or applying for this vacant allotment. In addition, Shamrock's rulemaking petition was filed as part of a hybrid application and rulemaking proposal involving Shamrock's concurrently filed minor change application (File No. BMPH–20071108ACY). In this application, Shamrock proposes the reallocation of Channel 297C from Alturus, California, to Fernley, Nevada, and the associated modification of its construction permit

for a new FM station at Alturus. The modification of the Alturus construction permit is contingent upon the deletion of the Nevada City allotment. The *Report and Order* notes that Shamrock's application is being granted simultaneously with the release of the *Report and Order*.

The *Report and Order* does not contain proposed information collection requirements subject to the Paperwork Reduction Act of 1995, Public Law 104–13. In addition, therefore, it does not contain any proposed information collection burden “for small business concerns with fewer than 25 employees,” pursuant to the Small Business Paperwork Relief Act of 2002, Public Law 107–198, see 44 U.S.C. 3506(c)(4). The Commission will send a copy of the *Report and Order* in this proceeding in a report to be sent to Congress and the Government Accountability Office pursuant to the Congressional Review Act, see 5 U.S.C. 801(a)(1)(A).
