

holding companies) issued between October 14, 2008, and October 31, 2009, with guarantees expiring on the earlier of the date of maturity or December 31, 2012, and with a system of fees to be paid by these institutions for such guarantees; and (2) a 100 percent guaranty of non-interest bearing, transaction accounts held by insured depository institutions until December 31, 2009 (FDIC guarantees). The TLGP is designed to strengthen confidence and encourage liquidity in the banking system in order to ease lending to creditworthy businesses and consumers. The reporting, recordkeeping and disclosure requirements apply to eligible entities participating in either the Debt Guarantee Component of the program or the Deposit Guarantee Component or both. The information obtained allows the FDIC to monitor its exposure under the TLGP and determine assessments for entities participating in the program. The required disclosures ensure that depositors, debt holders, and the general public are on notice as to which entities are participating in the program, the extent to which deposits in noninterest-bearing transaction accounts are FDIC-insured, and whether newly-issued, senior, unsecured debt is guaranteed by the FDIC.

Proposed Information Collection Activity; Comment Request

Proposed Projects

Title: Community-Based Abstinence Education Performance Progress Report.
OMB No.: 0970-0272.

Description: The discretionary funding Community-Based Abstinence Education Program (CBAE) is authorized by Title XI, Section 1110, of the Social Security Act (using the definitions contained in Title V, Section 510(b)(2) of the Social Security Act).

Program-Specific Performance Measure

The CBAE program developed a program-specific performance measure in response to the PART review (a process by which the Office of Management and Budget analyzes and rates a Federal program's procedures and strategies for evaluating its effectiveness), for which the program received a rating of Adequate. In an effort to gather program-specific data on rates of abstinence pre- and post-program participation, ACF and the Office of Management and Budget determined that a program-specific performance measure should be developed to assess key outcomes among program participants. The CBAE office convened a panel of abstinence education experts to gather input on the measure, and, based on the input provided, the CBAE office developed the measure. CBAE grantees will be required to ask twelve questions of the youth served in a pre- and post-survey, as well as a representative sample of the youth served in a follow-up survey.

The questions were carefully constructed by experienced evaluators to measure initiation and discontinuation of sexual intercourse as well as two key predictors of initiation: Sexual values and behavioral intentions.

The program office will collect and compile data to establish baselines and ambitious targets for the program-specific performance measure. The data will be aggregated and results will be shared with the public as they become available.

Respondents: Youth Participants.

Agency Recordkeeping/Reporting Requirements Under Emergency Review by the Office of Management and Budget (OMB)

Title: Application for the Emergency Fund for TANF Programs.

OMB No.: New.

Description: On February 17, 2009, the President signed the American Recovery and Reinvestment Act of 2009 (Recovery Act), which establishes the Emergency Contingency Fund for State TANF Programs (Emergency Fund) as section 403(c) of the Social Security Act (the Act). This legislation provides up to \$5 billion to help States, Territories, and Tribes in fiscal year (FY) 2009 and FY 2010 that have an increase in assistance caseloads or in certain types of expenditures. The Recovery Act made

additional changes to TANF—extending supplemental grants through FY 2010, expanding flexibility in the use of TANF funds carried over from one fiscal year to the next, and adding a hold-harmless provision to the caseload reduction credit for States and Territories serving more TANF families.

The Emergency Fund is intended to build upon and renew the principles of work and responsibility that underlie successful welfare reform initiatives. The Emergency Fund provides resources to States, Territories, and Tribes to support work and families during this difficult economic period.

We plan to issue a Program Instruction accompanied by the Emergency Fund Request Form (OFA-100), and instructions for jurisdictions to complete the OFA-100 to apply for emergency funds.

Failure to collect this data would compromise ACF's ability to monitor caseload and expenditure data that must increase in order for jurisdictions to receive awards under the Emergency Fund.

Documentation maintenance on financial reporting for the Emergency Fund is governed by 45 CFR 92.20 and 45 CFR 92.42.

Respondents: State, Territory, and Tribal agencies administering the Temporary Assistance for Needy Families (TANF) Program that are applying for the Emergency Fund.

ANNUAL BURDEN ESTIMATES

Instrument	Number of respondents	Number of responses per respondent	Average burden hours per response	Total burden hours
Emergency Fund Request Form OFA-100	93	5	24	11,160

Estimated Total Annual Burden Hours: 11,160.

There are 116 eligible jurisdictions (50 States, 3 Territories, 62 Tribes, and Washington, DC), and we anticipate that 80 percent of eligible respondents will submit applications for an average of 93 respondents per year.

Respondents only need to submit quarterly data if they are applying for new funds or revising previous submissions. We do not expect all

respondents to submit quarterly, so the number of responses per respondent is an overestimate. We anticipate that the submittal process will take eight hours per respondent request per quarter and eight hours for reconciliation. Respondents will average five responses per year for a total annual burden of 3,720 hours.

Additional Information:

ACF is requesting that OMB grant a 90-day approval for this information

collection under procedures for emergency processing by June 24, 2009. A copy of this draft information collection, with applicable supporting documentation, may be obtained by calling the Administration for Children and Families, Reports Clearance Officer, Robert Sargis at (202) 690-7275.
