SUPPLEMENTARY INFORMATION:

Title: Survey of Returned Peace Corps Volunteers.

Need for and Use of This Information: The survey is the fourth in a series of Returned Peace Corps Volunteer surveys that have been administered approximately every ten years. This iteration will be a voluntary, Web-based survey to gather information about Volunteers' in-country experience, post-service transition, post-service education and career, and their third goal activities of promoting a better understanding of other peoples on the part of Americans. The data will be used to assess the range and type of services available to RPCVs, improve Peace Corps operations (e.g., recruitment for PC Response), and support Agency level performance reporting. Where possible, data will be compared across surveys to look for trends over time. Data will be collected from a simple random sample of Returned Peace Corps Volunteers sufficient to gather data with a 99 percent confidence level and a confidence interval of plus or minus 5.

Respondents: Returned Peace Corps Volunteers.

Respondents' Obligation To Reply: Voluntary.
