SUPPLEMENTARY INFORMATION: Pursuant to section 6(f) of the Federal Trade Commission Act, 38 Stat. 721, 15 U.S.C. 46(f), and § 2.34 the Commission Rules of Practice, 16 CFR 2.34, notice is hereby given that the above-captioned consent agreement containing a consent order to cease and desist, having been filed with and accepted, subject to final approval, by the Commission, has been placed on the public record for a period of thirty (30) days. The following Analysis to Aid Public Comment describes the terms of the consent agreement, and the allegations in the complaint. An electronic copy of the full text of the consent agreement package can be obtained from the FTC Home Page (for June 9, 2009), on the World Wide Web, at (<http://www.ftc.gov/os/actions.shtml>). A paper copy can be obtained from the FTC Public Reference Room, Room 130-H, 600 Pennsylvania Avenue, NW, Washington, D.C. 20580, either in person or by calling (202) 326-2222.

Public comments are invited, and may be filed with the Commission in either paper or electronic form. All comments should be filed as prescribed in the **ADDRESSES** section above, and must be received on or before the date specified in the **DATES** section.

Analysis of Agreement Containing Consent Order to Aid Public Comment

The Federal Trade Commission (“FTC” or “Commission”) has accepted, subject to final approval, an agreement containing a consent order from Kmart Corporation, a corporation (“respondent”).

The proposed consent order has been placed on the public record for thirty (30) days for reception of comments by interested persons. Comments received during this period will become part of the public record. After thirty (30) days, the Commission will again review the

agreement and the comments received and will decide whether it should withdraw from the agreement or make final the agreement’s proposed order.

This matter involves Kmart’s marketing and sale of American Fare paper plates with shrink-wrap packaging that prominently states “biodegradable” without qualification on the front of the wrapper. According to the FTC complaint, respondent represented that American Fare paper plates will completely break down and return to nature, *i.e.*, decompose into elements found in nature, within a reasonably short period of time after customary disposal. The complaint alleges respondent’s biodegradable claim is false because a substantial majority of total household waste is disposed of either in landfills, incinerators, or recycling facilities and these customary disposal methods do not present conditions that would allow for the paper plates to completely break down and return to nature, *i.e.*, decompose into elements found in nature, within a reasonably short period of time. The complaint further alleges that respondent failed to have substantiation for its biodegradable claim. The proposed consent order contains provisions designed to prevent respondent from engaging in similar acts and practices in the future.

Part I.A of the proposed order prohibits respondent from making a representation that certain of its products are degradable unless the representation is true, not misleading, and substantiated by competent and reliable scientific evidence. Part I.B prohibits respondent from making any other environmental benefit claim about such products, unless at the time the representation is made, it is truthful and not misleading, and substantiated by competent and reliable evidence, which when appropriate must be competent and reliable scientific evidence.

Parts II through V require respondent to keep copies of relevant advertisements and materials substantiating claims made in the advertisements; to provide copies of the order to certain of their personnel; to notify the Commission of changes in corporate structure that might affect compliance obligations under the order; and to file compliance reports with the Commission and respond to other requests from FTC staff. Part VI provides that the order will terminate after twenty (20) years under certain circumstances.

The purpose of this analysis is to facilitate public comment on the proposed order. It is not intended to constitute an official interpretation of

the agreement and proposed order or to modify in any way their terms.

By direction of the Commission.

Donald S. Clark

Secretary.
