

calendar put spread, or vice versa. This option strategy aims to profit from a time value spread through the purchase and sale of two call and two put options, each with different expiration dates. A Jelly Roll is created by entering into two separate positions simultaneously. One position involves buying a put and selling a call with the same strike price and expiration. The second position involves selling a put and buying a call, with the same strike price, but a different expiration from the first position. Below is an example of a Jelly Roll strategy execution.

XYZ Jun/Oct 25 Jelly Roll:

- Buy XYZ Jun 25 put and sell XYZ Jun 25 call
- Sell XYZ Oct 25 put and buy XYZ Oct 25 call

Market BBO:

- Jun 25 call .51 at .53
- Jun 25 put .72 at .74
- Oct 25 call 1.52 at 1.55
- Oct 25 put 2.35 at 2.39

.74(long Jun put) + 1.52 (long Oct call) – .51 (short Jun call) – 2.35 (short Oct put) = .60 credit received for the Jelly roll.

Because the referenced Jelly Rolls are commonly executed in large volumes with profit margins that are generally narrow, the Exchange proposes to cap the transaction fees associated with such executions at \$750 per strategy execution on the same trading day in the same option class. In addition, Jelly Rolls will be included in the monthly cap of \$25,000 per initiating firm for all strategy executions. NYSE Amex believes that by keeping fees low, the Exchange is able to attract liquidity by accommodating these transactions.

2. Statutory Basis

The Exchange believes that the proposal is consistent with Section 6(b) of the Act, in general, and Section 6(b)(4), in particular, in that it provides for the equitable allocation of dues, fees and other charges among its members and other market participants that use the trading facilities of NYSE Amex Options. Under this proposal, all similarly situated Exchange participants will be charged the same reasonable dues, fees and other charges.

B. Self-Regulatory Organization's Statement on Burden on Competition

The Exchange does not believe that the proposed rule change will impose any burden on competition that is not necessary or appropriate in furtherance of the purposes of the Act.

C. Self-Regulatory Organization's Statement on Comments on the Proposed Rule Change Received From Members, Participants, or Others

No written comments were solicited or received with respect to the proposed rule change.

III. Date of Effectiveness of the Proposed Rule Change and Timing for Commission Action

The foregoing rule change is effective upon filing pursuant to Section 19(b)(3)(A)⁵ of the Act and subparagraph (f)(2) of Rule 19b-4⁶ thereunder, because it establishes a due, fee, or other charge imposed by NYSE Amex.

At any time within 60 days of the filing of the proposed rule change, the Commission may summarily abrogate such rule change if it appears to the Commission that such action is necessary or appropriate in the public interest, for the protection of investors, or otherwise in furtherance of the purposes of the Act.

[Release No. 34-60063; File No. SR-OCC-2009-10]

Self-Regulatory Organizations; The Options Clearing Corporation; Notice of Filing and Immediate Effectiveness of a Proposed Rule Change Relating to the Cross-Margining Agreement Between OCC and CME

June 8, 2009.

Pursuant to Section 19(b)(1) of the Securities Exchange Act of 1934,¹ notice is hereby given that on May 22, 2009, The Options Clearing Corporation ("OCC") filed with the Securities and Exchange Commission the proposed rule change as described in Items I, II, and III below, which Items have been prepared primarily by OCC. OCC filed the proposed rule change pursuant to Section 19(b)(3)(A)(i) of the Act² and Rule 19b-4(f)(1) thereunder³ so that the proposal was effective upon filing with the Commission. The Commission is publishing this notice to solicit

comments on the proposed rule change from interested persons.

I. Self-Regulatory Organization's Statement of the Terms of Substance of the Proposed Rule Change

The proposed rule change will change the definition of the term "Eligible Contracts" as used in the cross-margining agreement ("XM Agreement") between OCC and the Chicago Mercantile Exchange Inc. ("CME") and delete Exhibit A to the Agreement.

II. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

In its filing with the Commission, OCC included statements concerning the purpose of and basis for the proposed rule change and discussed any comments it received on the proposed rule change. The text of these statements may be examined at the places specified in Item IV below. OCC has prepared summaries, set forth in Sections A, B, and C below, of the most significant aspects of such statements.

A. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

Pursuant to an OCC rule change approved by the Commission in 2008, OCC no longer must notify the Commission when OCC wishes to add new options classes to a cross-margining program.⁴ With this requirement no longer in effect, OCC and CME have executed Amendment No. 2 to the XM Agreement to accomplish two purposes. First, the term "Eligible Contracts" as used in the XM Agreement will be redefined. Second, Exhibit A of the XM Agreement, which contains the list of Eligible Contracts included in the XM Agreement, will be deleted in its entirety.⁵

OCC states that it believes that the proposed change is consistent with Section 17A of the Act⁶ because it conforms the terms of the XM Agreement to the prior determination of the Commission that notice of the addition of new contracts to cross-margining programs was no longer needed or required. OCC further states that the proposed rule change is not inconsistent with the existing rules of

OCC including any other rules proposed to be amended.

B. Self-Regulatory Organization's Statement on Burden on Competition

OCC does not believe that the proposed rule change would impose any burden on competition.

C. Self-Regulatory Organization's Statement on Comments on the Proposed Rule Change Received From Members, Participants or Others

OCC has not solicited or received written comments with respect to the proposed rule change. OCC will notify the Commission of any written comments it receives.

III. Date of Effectiveness of the Proposed Rule Change and Timing for Commission Action

The foregoing rule change has become effective pursuant to Section 19(b)(3)(A)(i) of the Act⁷ and Rule 19b-4(f)(1)⁸ thereunder because the proposed rule change constitutes a stated policy, practice, or interpretation with respect to the meaning, administration, or enforcement of an existing rule. At any time within 60 days of the filing of the proposed rule change, the Commission may summarily abrogate such rule change if it appears to the Commission that such action is necessary or appropriate in the public interest, for the protection of investors, or otherwise in furtherance of the purposes of the Act.

IV. Solicitation of Comments

should be included on the subject line if e-mail is used. To help the Commission process and review your comments more efficiently, please use only one method. Copies of the submission, all subsequent amendments, all written statements with respect to the proposed rule change that are filed with the Commission, and all written communications relating to the proposed rule change between the Commission and any person, other than those that may be withheld from the public in accordance with the provisions of 5 U.S.C 552, will be available for inspection and copying in the Commission's Public Reference Room, 100 F Street, NE., Washington, DC 20549, on official business days between the hours of 10 a.m. to 3 p.m. Copies of such filing also will be available for inspection and copying at OCC's principal office and on OCC's Web site at http://www.theocc.com/publications/rules/proposed_changes/proposed_changes.jsp. All comments received will be posted without change; the Commission does not edit personal identifying information from submissions.
