Office of Postsecondary Education; Overview Information; Promoting Postbaccalaureate Opportunities for Hispanic Americans (PPOHA) Program; Notice Inviting Applications for New Awards for Fiscal Year (FY) 2009

Catalog of Federal Domestic Assistance (CFDA) Number: 84.031M.

Dates:
Applications Available: June 18, 2009.
Deadline for Transmittal of Applications: July 20, 2009.

Full Text of Announcement

I. Funding Opportunity Description

Purpose of Program: The Promoting Postbaccalaureate Opportunities for Hispanic Americans (PPOHA) Program provides grants to: (1) Expand postbaccalaureate educational opportunities for, and improve the academic attainment of, Hispanic students; and (2) expand the postbaccalaureate academic offerings as well as enhance the program quality in the institutions of higher education that are educating the majority of Hispanic college students and helping large numbers of Hispanic and low-income students complete postsecondary degrees.

PPOHA Program Requirements

Background: The PPOHA Program is a new program established under sections 511 through 514 of the Higher Education Act of 1965, as amended (HEA). The PPOHA Program supports Hispanic-serving institutions that offer a postbaccalaureate certificate or degree granting program. To define the term “Hispanic-serving institution” for purposes of the PPOHA Program, Congress adopted the definition of that term in the existing Hispanic-Serving Institutions (HSI) Program authorized by sections 501 to 504 of the HEA. In addition, the PPOHA Program provides development grants like the HSI Program. Moreover, Congress also applied the general provisions of the HSI Program to the PPOHA Program.

See Title V, Part C, sections 521–528, of the HEA. In light of the overlap of these definitions and requirements, the Secretary has determined that it is appropriate to adopt some of the regulatory requirements relating to eligibility criteria and tie-breaking factors from the HSI Program for use for the first grant competition in the PPOHA Program.

Eligibility Criteria (Use of 34 CFR 606.2(a) and (b), 606.3 through 606.5).

For purposes of the PPOHA Program, an eligible institution is an institution of higher education that: (1) Is an Hispanic-serving institution as defined in section 502 of the HEA; and (2) offers a postbaccalaureate certificate or degree granting program. As noted earlier in this notice, the term “Hispanic-serving institution” under section 502 of the HEA has already been defined in the regulations for the HSI Program. For the competition announced in this notice, the Secretary has decided to use the specific eligibility criteria for Hispanic-serving institution in 34 CFR 606.2(a) and (b) and 606.3, 606.4 and 606.5 of those regulations. The use of those regulations.
initial review of applications, we may choose not to further consider or review an application with a budget that exceeds the maximum amount. The Assistant Secretary for Postsecondary Education may change the maximum amount through a notice published in the Federal Register.

Estimated Number of Awards: 23 Individual Development Grants.

Note: The Department is not bound by any estimates in this notice. Applicants should periodically check the PPOHA Program Web site for further information. The address is: http://www.ed.gov/programs/ppoha/index.html

Project Period: Up to 60 months.

III. Eligibility Information

1. Eligible Applicants: Institutions of higher education (IHEs) that offer a postbaccalaureate certificate or postbaccalaureate degree program and qualify as eligible Hispanic-serving institutions (HSIs) under section 502 of the HEA. To qualify as an eligible HSI for the PPOHA Program under section 502 of the HEA, an IHE must—
(a) Have an enrollment of needy students, as required by section 502(b) of the HEA (20 U.S.C. 1101a(a)(2)(A)(i));
(b) Have, except as provided in section 522(b) of the HEA, average educational and general expenditures that are low, per full-time equivalent (FTE) undergraduate student, in comparison with the average educational and general expenditures per full-time equivalent undergraduate student of institutions that offer similar instruction (20 U.S.C. 1101a(a)(2)(A)(ii));
(c) Be accredited by a nationally recognized accrediting agency or association that the Secretary has determined to be a reliable authority as to the quality of education or training offered, or is making reasonable progress toward accreditation, according to such an agency or association (20 U.S.C. 1101a(a)(2)(A)(iv));
(d) Be legally authorized to provide, and provides within the State, an educational program for which the institution awards a bachelor's degree (20 U.S.C. 1101a(a)(2)(A)(iii)); and
(e) Have an enrollment of undergraduate FTE students that is at least 25 percent Hispanic students at the
end of the award year immediately preceding the date of application (20 U.S.C. 1101a(5)(B)).

Note 1: Funds for the PPOHA Program will be awarded each fiscal year; thus, if this program, the “end of the award year immediately preceding the date of application” refers to the end of the fiscal year prior to the application due date. The end of the fiscal year occurs on September 30 for any given year. Therefore, for purposes of making the determination described in paragraph (e) of this section, IHEs must report their undergraduate Hispanic FTE percent based on the student enrollment count closest to, but not after, September 30, 2008.

Note 2: In considering applications for grants under this program, the Department will compare the data and documentation the institution relied on in its application with data reported to the Department’s Integrated Postsecondary Education Data System (IPEDS), the IHE’s State-reported enrollment data, and the institutional annual report. If different percentages or data are reported in these various sources, the institution must, as part of the eligibility process, explain the reason for the differences. If the IPEDS data show that less than 25 percent of the institution’s undergraduate full-time equivalent (FTE) students are Hispanic, the burden is on the institution to show that the IPEDS data are inaccurate. If the IPEDS data indicate that the institution has an undergraduate FTE less than 25 percent, and the institution fails to demonstrate that the IPEDS data are inaccurate, the institution will be considered ineligible.

Note 3: As noted elsewhere in this notice, to be eligible for a grant under the PPOHA Program, an institution must be designated as an eligible institution under 34 CFR 606.5. For this competition, the Notice Inviting Applications for Designation as Eligible Institutions for FY 2009 was published in the Federal Register on January 21, 2009 (74 FR 3579), and the deadline for applications was February 20, 2009. Only institutions that submitted the required application and received designation through that process are eligible to submit an application for this competition.

2. Cost Sharing or Matching: This program does not require cost sharing or matching.

3. Other: An eligible HSI will not be awarded more than one Individual Development Grant under the PPOHA Program (20 U.S.C. 1101c(c)).

(b) Tie-breaker for Development Grants. In tie-breaking situations for development grants, the Department will award one additional point to an application from an IHE that has an endowment fund for which the market value per FTE student is less than the comparable average per FTE student at a similar type IHE. We will also award one additional point to an application from an IHE that had expenditures for library materials per FTE student that are less than the comparable average per FTE student at a similar type IHE. (34 CFR 606.23(b)(1) and (b)(2))

For the purpose of these funding considerations, we will use 2006–2007 data.

If a tie remains after applying the tie-breaker mechanism above, priority will be given for Individual Development Grants to applicants that have the lowest endowment values per FTE student. (34 CFR 606.23(b)(1))

VI. Award Administration Information

1. Award Notices: If your application is successful, we will notify your U.S. representative and U.S. Senators and send you a Grant Award Notification (GAN). We may notify you informally, also.

Table A—Deadline Dates for Application Processing and Receipt of Student Aid Reports (SARs) or Institutional Student Information Records (ISIRs) by Institutions

Table A provides information and deadline dates for application processing, including receipt of the Free Application for Federal Student Aid (FAFSA) and corrections to and signatures for the FAFSA, receipt of SARs and ISIRs, and receipt of verification documents.

The single date for the receipt of a FAFSA is June 30, 2009, regardless of the method that the applicant uses to submit the FAFSA. The deadline date for the receipt of a signature page for the FAFSA (if required), corrections, changes of addresses or schools, or requests for a duplicate ISIR is September 21, 2009. Verification documents must be received by the institution no later than the earlier of 120 days after the student’s last date of enrollment or September 28, 2009.

For all Federal student aid programs except Parent PLUS, a SAR or ISIR with an official expected family contribution must be received by the institution no later than the earlier of the student’s last date of enrollment or September 28, 2009. For purposes of only the Federal Pell Grant, ACG, or National SMART Grant programs, a valid SAR or valid ISIR for a student not meeting the conditions for a late disbursement must be received no later than the earlier of the student’s last date of enrollment or September 28, 2009. A valid SAR or valid ISIR for a student meeting the conditions for a late disbursement under the Federal Pell Grant, ACG, or National SMART Grant programs must be received according to the deadline dates provided in Table A.
