

limited exemption from the requirements of 49 CFR 395.3(a)(2). This regulation prohibits a driver from driving after the 14th hour of coming on duty and does not permit off-duty periods to extend the 14-hour limit. Drivers covered by this exemption may exclude off-duty and sleeper-berth time of any length from the calculation of the 14-hour limit. These drivers must continue to obtain 10 consecutive hours off duty prior to the 14-hour period, and remain subject to the 11-hour driving time limit, the 60- and 70-hour on-duty limits, and all other requirements of 49 CFR part 395.

Preemption

During the period the exemption is in effect, no State shall enforce any law or regulation that conflicts with or is inconsistent with this exemption with respect to a person operating under the exemption (49 U.S.C. 31315(d)).

Notification to FMCSA

Under the exemption, each APA member company, firm and entity listed in the appendix to this notice must notify FMCSA within 5 business days of any accident (as defined in 49 CFR 390.5), involving any of the motor carrier's CMVs, operating under the terms of this exemption. The notification must include the following information:

- a. Date of the accident,
- b. City or town, and State, in which the accident occurred, or closest to the accident scene,
- c. Driver's name and license number,
- d. Vehicle number and State license number,
- e. Number of individuals suffering physical injury,
- f. Number of fatalities,
- g. The police-reported cause of the accident,

- h. Whether the driver was cited for violation of any traffic laws, or motor carrier safety regulations, and
 - i. The total driving time and total on-duty time period prior to the accident.

Termination

FMCSA does not believe the motor carriers and drivers covered by this exemption will experience any deterioration of their safety record. However, should this occur, FMCSA will take all steps necessary to protect the public interest, including revocation of the exemption. FMCSA will immediately revoke the exemption for failure to comply with its terms and conditions. Each motor carrier and each driver may be subject to periodic monitoring by FMCSA during the period of the exemption.
