

SECURITIES AND EXCHANGE COMMISSION

[Release No. 34-60102; File No. SR-NYSEArca-2009-50]

Self-Regulatory Organizations; Notice of Filing and Immediate Effectiveness of Proposed Rule Change, as Modified by Amendment No. 1, by NYSE Arca, Inc. Implementing Schedule of Fees and Charges for Exchange Services by adding a Ratio Threshold Fee

June 11, 2009.

Pursuant to Section 19(b)(1)¹ of the Securities Exchange Act of 1934 (the "Act")² and Rule 19b-4 thereunder,³ notice is hereby given that, on June 1, 2009, NYSE Arca, Inc. ("NYSE Arca" or the "Exchange") filed with the Securities and Exchange Commission (the "Commission") the proposed rule change as described in Items I, II, and III below, which Items have been prepared by the self-regulatory organization. On June 9, 2009, the Exchange filed Amendment No. 1 to the proposed rule change.⁴ The Commission is publishing this notice to solicit comments on the proposed rule change from interested persons.

I. Self-Regulatory Organization's Statement of the Terms of Substance of the Proposed Rule Change

The Exchange proposes to amend its Schedule of Fees and Charges for Exchange Services ("Schedule") by adding a Ratio Threshold Fee. While changes to the Schedule pursuant to this proposal will be effective upon filing, the proposed fee will become operative on June 1, 2009. The text of the proposed rule change is attached as Ex.5 to the 19b-4 form. A copy of this filing is available on the Exchange's Web site at <http://www.nyse.com>, at the Exchange's principal office and at the Commission's Public Reference Room.

II. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

In its filing with the Commission, the self-regulatory organization included statements concerning the purpose of, and basis for, the proposed rule change

and discussed any comments it received on the proposed rule change. The text of those statements may be examined at the places specified in Item IV below. The Exchange has prepared summaries, set forth in sections A, B, and C below, of the most significant parts of such statements.

A. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

1. Purpose

The Exchange proposes adding a Ratio Threshold Fee to its Fee Schedule. The proposed Ratio Threshold Fee will be charged to OTP Holders based on the number of orders entered compared to the number of executions received in a calendar month. The fee will be assessed as follows:

Monthly order to execution ratio	Monthly charge
Between 10,000 and 14,999 to 1	\$5,000
Between 15,000 and 19,999 to 1	10,000
Between 20,000 and 24,999 to 1	20,000
25,000 to 1 and greater	35,000

This fee shall not apply to orders that improve the Exchange's prevailing best bid-offer (BBO) market at the time the orders are received.

OTP Holders with order to execution ratios of 10,000 to 1 or greater have the potential residual effect of exhausting system resources, bandwidth, and capacity. Such order to execution ratios may, in turn, create latency and impact other OTP Holders ability to receive timely executions. Recognizing that orders and executions often occur in large numbers, the purpose of this fee is to focus on activity that is truly disproportionate while fairly allocating costs among members. The proposed fee has multiple thresholds and is greater at higher order to execution ratios because the potential impact on exchange systems, bandwidth and capacity becomes greater with increased order to execution ratios.

The new Ratio Threshold Fee will become effective on June 1, 2009.

2. Statutory Basis

The Exchange believes that the proposed rule change is consistent with the provisions of Section 6 of the Securities Exchange Act of 1934 (the "Act"),⁵ in general, and Section 6(b)(4) of the Act,⁶ in particular, in that it is designed to provide for the equitable allocation of reasonable dues, fees, and

other charges among its members and other persons using its facilities. Under this proposal, all similarly situated members of NYSE Arca will be charged the same reasonable dues, fees and other charges.

B. Self-Regulatory Organization's Statement on Burden on Competition

The Exchange does not believe that the proposed rule change will impose any burden on competition that is not necessary or appropriate in furtherance of the purposes of the Act.

C. Self-Regulatory Organization's Statement on Comments on the Proposed Rule Change Received From Members, Participants, or Others

No written comments were solicited or received with respect to the proposed rule change.

III. Date of Effectiveness of the Proposed Rule Change and Timing for Commission Action

The foregoing rule change is effective upon filing pursuant to Section 19(b)(3)(A)⁷ of the Act and subparagraph (f)(2) of Rule 19b-4⁸ thereunder, because it establishes a due, fee, or other charge imposed by NYSE Arca.

At any time within 60 days of the filing of the proposed rule change, the Commission may summarily abrogate such rule change if it appears to the Commission that such action is necessary or appropriate in the public interest, for the protection of investors, or otherwise in furtherance of the purposes of the Act.

IV. Solicitation of Comments

Interested persons are invited to submit written data, views, and arguments concerning the foregoing, including whether the proposed rule change is consistent with the Act. Comments may be submitted by any of the following methods:

[Release No. 34–60103; File No. SR–Phlx–2009–47]

Self-Regulatory Organizations; NASDAQ OMX PHLX, Inc.; Notice of Filing and Immediate Effectiveness of Proposed Rule Change Relating to Order Routing Fees

June 11, 2009.

Pursuant to Section 19(b)(1) of the Securities Exchange Act of 1934 (the "Act")¹ and Rule 19b–4 thereunder,² notice is hereby given that, on June 5, 2009, NASDAQ OMX PHLX, Inc.

("Phlx" or "Exchange") filed with the Securities and Exchange Commission ("Commission") the proposed rule change as described in Items I, II, and III below, which Items have been substantially prepared by the Exchange. The Commission is publishing this notice to solicit comments on the proposed rule change from interested persons.

I. Self-Regulatory Organization's Statement of the Terms of Substance of the Proposed Rule Change

The Exchange proposes to adopt fees governing pricing for Phlx members using the Phlx XL II system,³ for routing standardized equity and index options to away markets for execution.

The text of the proposed rule change is available on the Exchange's Web site at <http://nasdaqomxphlx.cchwallstreet.com/NASDAQOMXPHLX/Filings/>, at the principal office of the Exchange, and at the Commission's Public Reference Room.

II. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

In its filing with the Commission, the Exchange included statements concerning the purpose of and basis for the proposed rule change and discussed any comments it received on the proposed rule change. The text of these statements may be examined at the places specified in Item IV below. The Exchange has prepared summaries, set forth in sections A, B, and C below, of the most significant aspects of such statements.

A. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

1. Purpose

The purpose of the proposed rule change is to adopt fees for executions of options orders entered into the Exchange's enhanced electronic trading platform for options, Phlx XL II but routed to away markets. The Exchange proposes a routing fee based upon the cost to the Exchange of executing such orders at those markets. In order to reflect the Exchange's cost of execution at away markets, the fees will be separated as applicable, depending on the away market's fee schedule, by type

of option (penny pilot, equity/non-penny pilot, ETF or HLDS/non-penny pilot, and Index) and vary depending upon whether the order is being routed for a customer, a member firm, a market maker (which includes a specialist, a Registered Options Trader, a Streaming Quote Trader ("SQT"),⁴ and a Remote Streaming Quote Trader ("RSQT")),⁵ or by a Floor Broker. Initially, the Phlx XL II system will only route customer orders.⁶ The Table reflects that routing fees are currently not applicable to firms and market makers, since their order will not be routed by the Phlx XL II system. In the event that the Exchange determines to route firm and market maker orders, membership will be notified by an Options Trader Alert ("OTA") of any applicable routing fees, and the Table will be updated to reflect such fees.

The Exchange proposes to pass through to Exchange members the actual transaction fees (including surcharges/license fees if applicable) assessed by away markets plus the clearing fees for the execution of orders routed through the Phlx XL II system. The Exchange has collected and organized in table format the fees to be assessed for routing to each destination exchange.⁷

The Exchange recently adopted Rule 1080(m)(iii)(A) to establish Nasdaq Options Services LLC ("NOS"), a member of the Exchange, as the Exchange's exclusive order router.⁸ The sole use of NOS by the Phlx XL II system will be to route orders in options listed and open for trading on the Phlx XL II system to destination markets. A particular destination market would charge NOS their applicable transaction fees, which would then be passed through to Phlx, and ultimately to the initiating member under this proposal. Similarly, clearing fees charged to NOS by the Options Clearing Corporation

⁴ An SQT is an Exchange Registered Options Trader ("ROT") who has received permission from the Exchange to generate and submit option quotations electronically through AUTOM in eligible options to which such SQT is assigned. An SQT may only submit such quotations while such SQT is physically present on the floor of the Exchange. See Exchange Rule 1014(b)(ii)(A).

⁵ An RSQT is a ROT that is a member or member organization with no physical trading floor presence who has received permission from the Exchange to generate and submit option quotations electronically through AUTOM in eligible options to which such RSQT has been assigned. An RSQT may only submit such quotations electronically from off the floor of the Exchange. See Exchange Rule 1014(b)(ii)(B).
