

report recommendations for proposed or IFR (as determined by FRA in consultation with the Office of the Secretary of Transportation and the Office of Management and Budget) by October 16, 2009. The group has been tasked to review safety data bearing on opportunities for reducing risk associated with the duties performed by freight and passenger conductors and to assist FRA in developing regulations responsive to the legislative mandate and to consider any revisions to 49 CFR part 240 appropriate to conform and update the certification programs for locomotive engineers and conductors. The Conductor Certification Working Group has been officially formed through the Committee member nomination process and the first meeting is scheduled for July 21–23, 2009, with follow-on meetings planned for August 25–27, 2009, and September 15–17, 2009. *Contact:* Mark McKeon, (202) 493–6350.

Task No. 09-01—Passenger Hours of Service. This Task was accepted on April 2, 2009, to provide advice regarding development of implementing regulations for the hours of service of operating employees of commuter and intercity passenger railroads under the RSIA. The group has been tasked to review available data concerning the effects of fatigue on the performance of subject employees and to consider the role of fatigue prevention in determining maximum hours of service. The group has also been tasked to consider the potential for alternative approaches to hour of service using available tools for evaluating the impact of various crew schedules, and determine the effect of alternative approaches on the availability of employees to support passenger service. The group is charged to report whether existing hours of service restrictions are effective in preventing fatigue among subject employees, whether an alternative approach to hours of service for the subject employees would enhance safety, and whether alternative restrictions on hours of service could be coupled with other fatigue countermeasures to promote the fitness of employees for safety-critical duties. The Passenger Hours of Service Working Group has been officially formed through the formal Committee member nomination process and the first meeting is scheduled for June 24, 2009. *Contact:* Grady Cothen, (202) 493–6302.
